Letter of Appreciation

Mr. Devang Angre interned with us as a Research Assistant from 10th Dec 2022 to 31st Jan 2023; and performed the following duties

1. Editing of Video Lectures | recordings
2. Researching of Technical Content as requested by the SMEs
3. Feeding of Test Papers | Content to the LMS
4. Performing UI | UA Testing of the LMS
5. Debugging along with team members the Bugs reported in the LMS
6. The entire team of Interns worked towards implementing and configuring the LMS as seen on <http://internship.suvenconsultants.com>

He **performed well** in the evaluation conducted periodically throughout the Internship period. Managing his team members, coordinating with seniors at the office, designing test cases, and executing them for checking the proper configuration of the LMS were his strong pointers.

I have had the opportunity to personally know him as I was his mentor at Suven Consultants & Technology Pvt Ltd. He is a diligent individual who takes interest in his work. He **possesses managerial qualities and a curious mind which constantly seeks new ideas and a broader spectrum of knowledge**. He is sincere in his work and does justice to all tasks taken up by him as well as those assigned to him. He is ambitious and eager to take on additional challenges & responsibilities and then strives to live up to not only the expectations of others but also of himself. **Thus, I strongly recommend him and wish him success in all future endeavors.**
