4.	Certificates	12/- per student	700/-
5.	Flex board		500/-
	Total		26600/-

The resource person is bringing following material with him.

1. Raspberry Pi boards: 10 no.
2. Alexa modules: 5 no
3. Various sensors.
4. Wi-fi router
5. Access to Amazon cloud management systems.

*purchase/1 Jan*  
*put up for approval*

The workshop is focused on application of modern technologies like voice enabled technology; cloud technologies, application of MQTT protocol which are not covered in our regular

curriculum and now a day's very much needed. The day-wise contents of the workshop are attached herewith for your perusal.

After completion of workshop, the students will be able to:

1. Apply knowledge of engineering fundamentals to design of embedded systems.
2. Provide the solutions by using the Modern electronic and IT Engineering Tools and Technologies for practicing electronic Engineering problems
3. Function effectively as an individual, member or leader of a team.
4. Demonstrate the ability to learn the impact of industries on society by using industrial products for analog and digital circuits and systems
5. Demonstrate understanding of the engineering management principles and apply these to manage projects and in multidisciplinary environments

The workshop is 30 hours conducted by Industry. Thereby we also request you to allow us to use industry logo on the certificate along with our college logo and IE(I) logo.

This is for your permission and sanction of budget.

Thanking You.

Subject: Requirement of Central Computing facility

Sir,

Department of E & TC is conducting hands on workshop on IoT and its application for BE(Electronics) students. We are facing internet related issues in our seminar hall. For smooth conduction of the workshop, we require central computing facility for 2 days.

Dates: 04 and 05 October 2019

Class: BE(Electronics)

Time: 9.30 am to 5.30 pm

Total no of participants: 60 students

Kindly permit us to use central computing facility for above mentioned dates and time.

Thanking you,

Sincerely,

### Preamble:

Skill and Knowledge are the driving forces of economic growth and social development for any country. In the changing world scenario with regard to industry and job market, there is always need of skilled manpower. So College has taken an initiative to provide soft skill / aptitude training to students to sustain in competition.

In regard of this, Training Session is organized to all students (from FE to BE) with professional training organization **IHHI Pune**. The extensive training is provided in each semester (12 to 18 hours) by professionals.

Typically following pattern is followed (per sem)

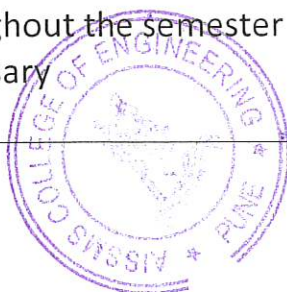

- FE: Psychometric Test
- S.E – Communication Skill development Training (18 hrs)
- T.E. – Aptitude Training (12 hrs)
- B.E. – Soft Skill (12 hrs)

### Objective:

- To create awareness among the students about the soft skill training.
- To provide opportunities for all students to acquire basic skills to get desired job / market employability.
- To strengthen the placement activity of the institute.

### Functions:

- To organize training sessions at different levels for all students (SE, TE and BE) of all departments with the help of professional organization.
- To encourage students to complete the training sessions and get benefit out of it.
- To monitor the activity throughout the semester and take feedback from students for any corrective action if necessary
