Madam,

Sub: - Permission of visit to our "Forest Trails" township on 22nd February 2019.

With reference to your request dated 29/01/2019, we are pleased to inform you that we are allowing your one hundred and fifty students and four faculty members to visit our Forest Trails site at Bhugaon from 10 am to 5 pm on 22nd February 2019.

The student can co-ordinate with our Mr. Vijay Jagtap, Chief Engineer, who will provide further details and guidelines for their visit.

Please note that all students must carry their identity cards and they must strictly observe all our Company rules and regulations regarding the safety measures and other procedures during their visit. The company will not be responsible for any mishap occurred during their visit. They will not be allowed to take copies of drawings, estimates or photographs etc. without our written permission.

Thanking You

Yours Faithfully,

Sir/ Madam,

I am a bonafide student of AFSSMS College, of engineering
Photocopy of my Identity Card is annexed herewith.

As part of my studies I have to complete training/ internship with a reputed construction company; and I will be much obliged if I am permitted to complete my training/ internship with your company.

In this regard I hereby agree, confirm and undertake as below:

1. While in your premises I will maintain proper discipline as required by your rules and regulations.
2. I will observe safety norms of your company strictly.
3. I will complete the said training/ internship totally at my risk alone. In case of any mishap takes place causing thereby damages/ injuries (including death) to me during my training/ internship, your company shall bear no responsibility/ liability towards me.

HEAD OF DEPARTMENT
CIVIL ENGINEERING
AFSSMS COL, PUNE-1.

4. By joining such internship/ training in your company, there are no relationships of employee and employer created between you and me.
5. I am not entitled to any stipend, scholarship, salary et cetera from your company for the said internship/ training.
6. During my said internship/ training I will acquire certain confidential knowledge, information et cetera about your company and projects undertaken by your company. I shall not disclose the same to any third party, and I will use the same for my academic purposes.

If I am found violating any of my above undertakings, you shall be entitled to discontinue my said internship/ training with immediate effect.

Please do the needful and oblige.

Thanks and regards,

S. Rathod

Expert Lecture on
New demanding technologies and Project Guidelines

Link-code is a Corporate training and placement company, who trains individual and corporate client on multiple IT technologies and management skills.

They Conduct following training:

1. **Retail training** : For college students on different technologies as per their academic curriculum
2. **Corporate training** : For corporate employees to upgrade there skills and get certifications on particular technology.
3. **Placement oriented training**: For students who have completed their graduation and lacking technical skills as per corporate expectations and after training provide them job interview calls.
4. **Corporate placement oriented training** : Where we understand the requirements of corporate clients and technical expectations and get students from different colleges to train them and make them ready as per corporate standards for placements.
5. **Engineering College -Technical Workshop on new demanding Technologies.**

With our great pool of trainer having training and software development experience, we enable students and individual to gain practical knowledge and avail them better placement opportunities.

Definitely this session will help Students to understand industry requirement and to clear campus interview.
