## Report on the webinar session on topic Financial Literacy

**DATE:-** 17/07/2021

**EVENT:-** Guest Lecture/Webinar

**TOPIC:-** Financial Literacy

**TIME:-** 11:00 AM Onwards

**PLATFORM:-** Zoom

**LINK:-** <https://us02web.zoom.us/j/84385770687?pwd=YzRsckozR2I1SII0NXdBVXdiMEJWUT09>

**YOUTUBE LINK:-** <https://youtu.be/7rqNXPg7J84>

**NO. OF PARTICIPANTS:-** 120+

The poster is blue and white. At the top, it features the logos of ISTE and AISSMS College of Engineering. The main text reads: 'AISSMSCOE ISTE Students' Chapter Organizes Expert Talk On FINANCIAL LITERACY'. Below this, it lists the date (17th July, 2021), time (11:00 AM), and platform (Zoom). A circular inset photo shows Prof. Bhushan V. Adhav, the speaker. The text continues: 'A Webinar Which Will Help You Become Future Ready.' and 'REGISTER HERE Founder, Lion's Mind Development Center'. At the bottom, it lists the coordinators and faculty advisors: Prasad Adhav (Student Coordinator), Sakshi Petkar (Student Coordinator), Mrs. M. S. Chiwande (Faculty Coordinator, Civil Department), Prof. N. P. Mawale (Faculty Advisor), Dr. U. R. Awari (HOD, Civil Department), and Dr. D. S. Bormane (Principal, AISSMS COE, Pune). A QR code and the Instagram handle @aissmscoe\_iste are also present.

### AGENDA:-

- Introduction
- Gayatri Mantra
- Welcome Address
- Felicitation of the Speaker
- Addressing(Faculty Advisor)
- Addressing(Head of Department)
- Guest Introduction
- Guest Lecture
- QnA Session
- Vote of Thanks

17 Jul. 2021, **Indian Society For Technical Education(ISTE)** Students'

Chapter Conducted a Guest Webinar Delivered by **Prof. Bhushan V. Adhav** on the topic, “**Financial Literacy**”.

The event began with Mr. Prasad Adhav, ISTE Department Coordinator (Civil Dept.) welcoming everyone, Virtual Felicitation of the guest was done and invited Ms. Saumya Thakur, ISTE Student Chairperson to sing Gayatri Mantra and invited Prof, N.P. Mawale, Faculty advisor to the dais. Mawale Sir Addressed the gathering about the session, he talked about the importance of financial literacy in our lives and introduced the achievements of the Student Chapter to the guests. Further Dr. U. R. Awari, Head of Department, Civil Engineering Addressed the crowd and guests about the institute and achievements of the institute. Aishwariya Surve, Students Coordinator(Civil Dept) gave a brief introduction of the Keynote speaker guest Prof. Bhushan V. Adhav to everyone.

Prof Bhushan V. Adhav was invited to the dais and Conveyed the presentation & lecture on the Topic:  
**“Financial Literacy”**.

Instead of a normal and long lecture, sir delivered a lecture in a unique way with a beautiful presentation having the question we generally stumble upon in our day-to-day life about the financial management or financial crisis. Questions like How to earn? when to earn? why earn? He started with a question what is financial literacy & what according to you is being rich. He said buying fancy clothes, luxury cars, big houses are the things we humans crave for but that's not richness, The real richness is different “Richness is getting actual clarity about the decisions regarding money” Realizing the power of money and operate and control the money, he added. Make money work for you. And make your income more than your expense.

Sir explained how there is two essential science in life 1. Psychology which guides one to mental peace and most importantly happiness. 2. Economics which make one rich. He called these two sciences Vitamin M2 i.e. Mind & Money. Further, sir introduced a concept called V2MOM to deal with the crisis in life i.e. V- Vision, V- Value, M-method, O- Obstacles & M- Measurements.

Sir told how to be an active man rather than an acting man. Don't put a mask on and “Pretend” to be rich Instead of “Work” on the Face and be Rich. he gave an example of three friends and how their life decisions changed their financial status. He said earn and invest don't settle make your cash flow going. He said don't try to be horses be the charioteer with the strong horses.

He told to understand the difference between want and need. Again he gave an example of Alexander The Great who Conquered the world said while dying that to show off my empty hands when I will be taken for the burial, showing the world that I am dying empty hands. But he made achievements and hi established a victory. This is the difference, we have to set an example before we die. There were many more things sir talked about with words of motivation.

A QnA session was done, sir answered everyone's question clearly. Everybody was so happy and excited after attending the session. It was a golden knowledge shared by sir to all of us o a topic which is really hard to learn and most important asset of the life.

Finally, the vote of thanks was proposed by Ms.Sakshi Petkar, Department Coordinator(Civil Dept.) And the program was concluded. The feedback link was shared and all the participants were awarded a participation certificate after filling the form.

### Typical Middle Class Mentality

- ☛ I am seriously getting bored.
- ☛ Let be! We'll do later.
- ☛ Do we really need to do right now?
- ☛ We will see next time!
- ☛ It will happen itself. don't need to worry!
- ☛ Let destiny decide the direction of our life!
- ☛ We are completely helpless?
- ☛ This is too much difficult. It impossible.
- ☛ This is not our cup of tea! We can't afford it!

### Guest and Expert Lecture (04)

AISSMSCOE, Department of Civil Engineering, Pune organized an Expert talk on ZOOM online platform on 'Career opportunities for Civil Engineers after Covid-19' on 1st August 2020 at 11:30pm. The speaker of the webinar was, Ms. Kiran Kabtta Somvanshi, Chief Manager Economic Times, Intelligence Group, ET. The lecture was attended by students, faculty members and HOD Mr. Awari Sir of (Civil Department). The session was very interactive and students participated enthusiastically. Opinions, thoughts, experiences and suggestions were shared by the expert Ms. Kiran with the attendees. As well as Scope in different fields after the graduation in BE Civil was discussed by the expert. The expert delivered the following topics in her presentation like Real estate/Construction, Redevelopment, Renewable energy, Transportation Engineering, Town planning, Agriculture, Entrepreneurship and Artificial intelligence.

Mrs. Kiran Somvanshi madam addressing the students and some screenshots of the lecture.

Also, AISSMS COE, Department of Civil Engineering, Pune organized another Expert talk on 'GUIDELINES FOR COMPETITIVE EXAMS PREPARATION' on 12th September 2020 from 11am to 1 pm. The main purpose of the webinar was to guide students and help them prepare for any Competitive exam. The speaker for the webinar was Mr. SHEKHAR P DESHMUKH, DYSP/ACP (2012), SSC AIR-3. The session was attended by students, faculty members and HOD Mr. Awari Sir of the Civil Department.

Mr. Shekhar Deshmukh sir addressing the students

### **Workshop and Student development program (02)**

On the 5th November 2020, IEI Student Chapter in organized a Two days workshop by Mrs. Pragya Bajpai (Assistant professor, NDA) All the students of the Civil Department attended this lecture with a curiosity to know what the guest is going to speak about. Firstly, the head of Department, Dr. U R Awari addressed the students and welcomed the guest. Then the guest was called upon to share her experiences with all the students. Various points were covered in the presentation. Right from what things affect the communication skills and how should to understand and figure them out was taught and explained by giving a simple activity and examples. The workshop was conducted on Zoom online platform.

On 7<sup>th</sup> November 2020 the second day of the workshop Dr. Prajya Bajpai, spoke about topics like "How to be a good speaker" in which she explained about various important factors that makes a speaker come out as a Good Speaker such as Avoiding monotone voice, taking a value pause, maintaining an eye contact, avoiding nervousness, etc. students eagerly listened to what she said and noted down all the important points.

One Week Students Development Program on “**GATE Coaching with Tips and Tricks**” organized by Department of Civil Engineering, AISSMS College of Engineering, Pune in association with IEI Students Chapter. The objective of the program is to provide opportunity to the students who are preparing for GATE, to interact with Subject Experts and to facilitate the up-gradation of knowledge. This was a one week program from January 25,2021 to January 31,2021. Total six resource person from outside college were invited to deliver a lecture on the topic of their expertise along with the 6 inhouse faculties. The Student development program was conducted on Zoom online platform.

### WEBINAR REPORT

**TOPICS OF THE WEBINAR-** Lack of Technology Intervention in Agricultural Ecosystem and its solution and also of Hydroponics Farming.

**ACTIVITY LEVEL-** Institute level

**DATE-** 23 December, 2020

**TIME-** 6:00 pm

**SPEAKER-** Dr. Lalasaheb Tambade

**TOTAL NUMBER OF STUDENTS-** 70 participated

**OBJECTIVE OF THE WEBINAR-** Encourage the students and also to pursue the knowledge in the field of agricultural ecosystem and hydroponic farming.

**OUTCOME OF THE WEBINAR-** The speaker explained about the two major problems, that will be faced by the agricultural industry in the coming years i.e. Lack of land and scarcity of water. To overcome these problems the agriculture industry is also developing new techniques to grow food in lesser space and by saving water. The hydroponic growing system is a step towards this. The speaker explained this new technique in brief to the students. Many of them asked questions related to this technique in the end and got their doubts cleared. Overall, the session was really informative and helpful for the students.

## Report

**13 Feb. 21, 1200 hrs:**

The IUCEE Student Chapter, AISSMSCOE organized a virtual industrial visit in view of the ongoing situation at Paradise Telecom PVT. LTD. which is one of the leading internet service providers in Pune. The virtual visit was met with an overwhelming response from students who were curious about how exactly the internet reaches us. This 'virtual industrial visit' marks the start of one of the many innovative and creative plans that the IUCEE Student Chapter wants to implement.

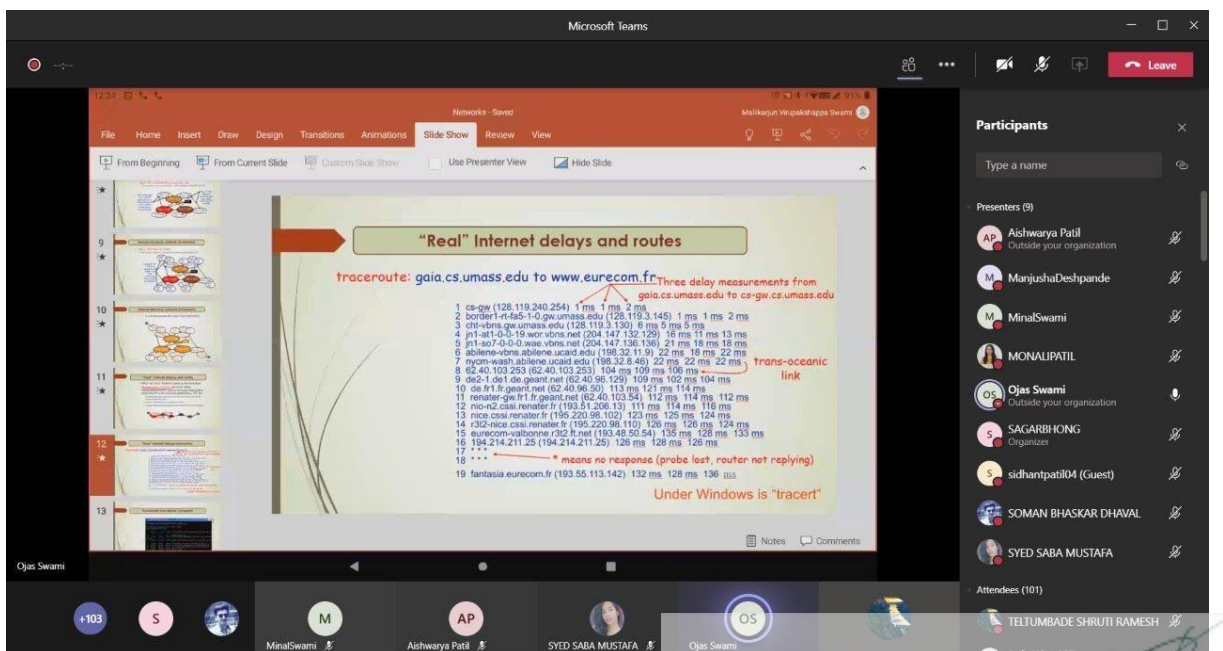

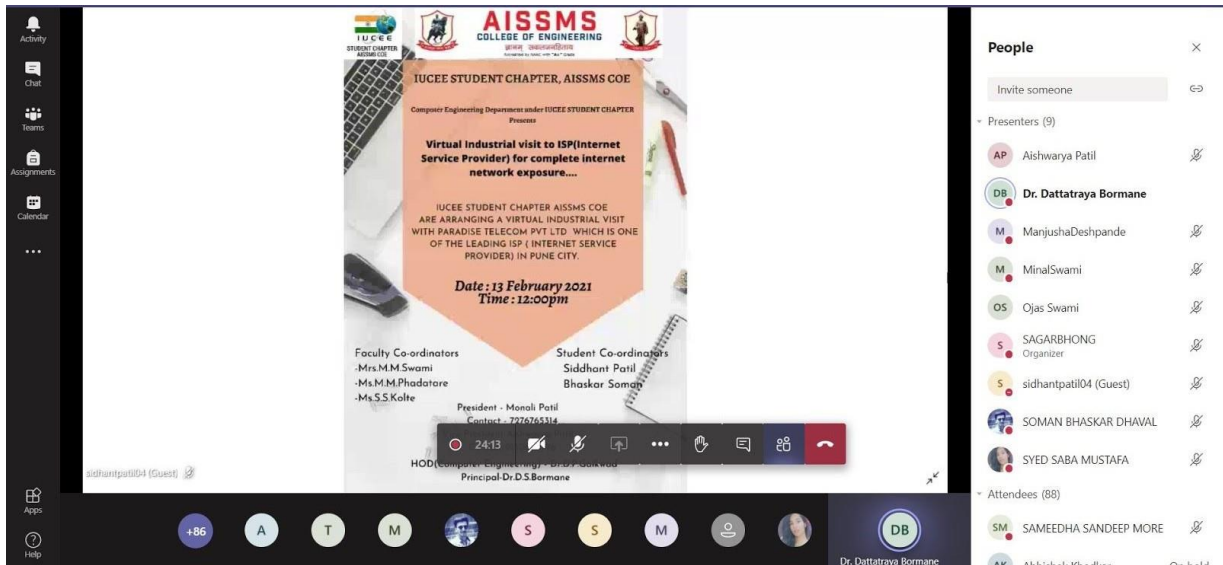

The speaker Mr. Mallikarjun Swami took great efforts to take us around the premises virtually, elucidating everything in the process. He answered many crucial questions of our participants and after this informative two-hour session we can all conclude that we not only have theoretical but also technical knowledge about ISP.

I would like to thank the Principal and the speaker along with all the teaching staff and the student body of the IUCEE for this opportunity. We appreciate all the efforts that were taken by the IUCEE Student Chapter to impart us with knowledge and to provide us such exposure.

## **Project Timeline:**

For the most efficient results a strict timeline within the team was followed:

- The design phase of both the aircrafts for Regular and Micro class was completed between September to December of 2020. It also included the CFD and Structural analysis.
- Then the team started with manufacturing of the aircrafts which was completed by February 2021.
- The flight tests were started from February 2021 and around 3 to 4 successful test flights were carried out.
- The Design Report was being prepared from November 2020 and was submitted to the ADC in the month of May 2021.

## **Competition Details:**

- The competition was held virtually.
- A total of 147 teams participated including both Micro and Regular class.
- Three reports including Fabrication of UAV components (FOC), Application Report, Design Report along with Video Presentation were submitted for each class.
- Technical Presentation was held on (31<sup>st</sup> July 2021).
