

AISSMS College of Engineering PUNE

Department of Civil Engineering

IEI STUDENTS' CHAPTER

Date: 22/06/2018

Time: 1.00-4.00pm GUEST

**LECTURE BY MR. PRITESH DEOKAR ON THE TOPIC OF VARIOUS
PLATFORMS OF CIVIL ENGINEERING.**

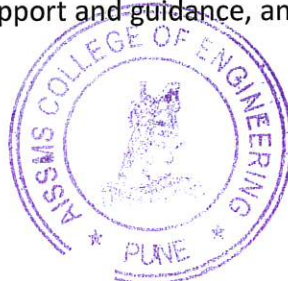

Under the IEI (Institute of Engineers, INDIA) Students Chapter of CIVIL ENGINEERING DEPARTMENT of AISSMS COE PUNE, a guest lecture was conducted by MR. PRITESH DEOKAR on "VARIOUS PLATFORMS OF CIVIL ENGINEERING " on 22/06/2018 in the CITP hall of AISSMS COE.

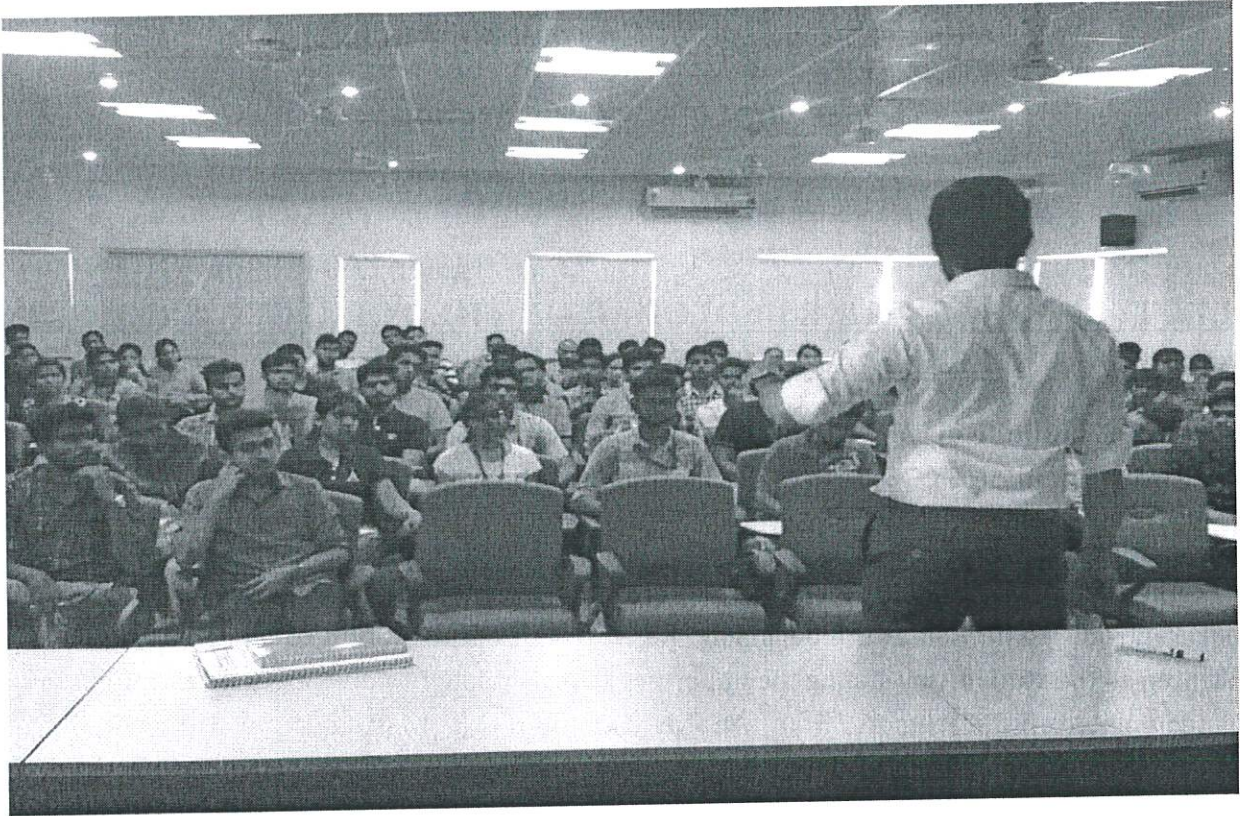

The Lecture was about the Various Platforms in the field of Civil Engineering. Mr. Pritesh Deokar introduced himself at the beginning. He was our Ex-Student and so he had an urge to enlighten all the students by stating the important aspects related to our career. Pritesh Deokar has completed his Bachelors from AISSMS COE and his Masters from University of Auckland, New Zealand. He is also member of alumni AISSMS COE and currently the Director of Jalgaon Construction Private Limited. He guided us about MPSC, UPSC exams, gave information about various sub fields in civil engineering in which one can go for MS. He gave information about various job opportunities after MS and also after BE. The scholarships given by Govt. and all the best universities for MS are some more things which he explained. Scope of various softwares related to civil for placement like AutoCAD, AutoCAD 3D max, Rhino, Revit and also some estimation softwares like COST X, Planwin etc were also explained by him. The importance of all the documents like Sanctioned plan, 7/12 Abstract, FSI, DC Rules for each city, NA's, NOC's etc everything was explained by him. At the end all the technical and non technical terms were also discussed. His interaction with the students in the form of group discussion and debate was attractive. Overall he was very effective and he motivated each and every student.

Students not only enjoyed discussing their doubts with him but they also got a path or way which can lead one to success. Success comes to those who willingly try to put their efforts was something what we learnt from him. At the end he motivated us for internship and also gave his contact number for being in touch with the students. The speaker was very commanding and effective. Each and every doubts were solved by him related to career orientation.

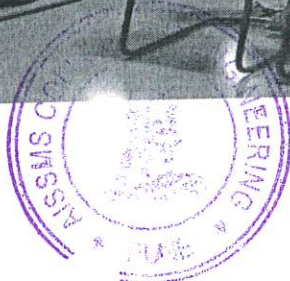

The session was concluded with vote of thanks. Finally we would like to thank our HOD. S.R.Parekar Sir and Prof M.S.Chiwande for their support and guidance, and also the whole team of IEI for their cooperation and presence.

IEI STUDENTS CHAPTER

Date: 2nd July 2018

Time: 11:30 – 12:30pm

GUEST LECTURE BY MR. PUSHKAR DESPANDE ON VARIOUS WAYS TO CRACK GATE

Under the IEI Students Chapter of Civil Engineering Department of AISSMS COE, Pune, a lecture was conducted by Mr. Pushkar Deshpande on “How to crack GATE?” on

The lecture was about his experience of GATE and how easily it can be cracked. It started with a short introduction of the speaker. Being the alumni of the college, it didn't take much time to break the ice. He had an urge to enlighten all the students by sharing his experience in qualifying GATE exam. He first started with his educational background. He graduated from AISSMS COE with distinction and has been a bright student since his schooling. His consistent increase in GATE score and All India Rank has been an inspiration for all. In GATE 2016, his AIR was 4778 which consistently went up in 2018 – AIR 1757

He introduced the gathering with the GATE exam basics. The syllabus, important topics, areas of weak points, etc. The advantage of GATE AIR was a new point which barely anybody knew. The session went on smoothly for the next half an hour which was fun filled, knowledgeable enough and worth the wait.

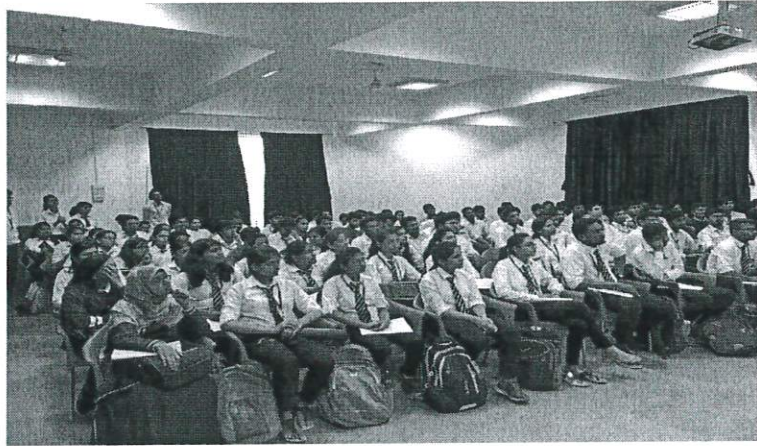

Students not only enjoyed his session but also all the barriers were broken and doubts were cleared. Success comes to those who willingly try to put in their efforts was something what everyone learnt from him. The speaker motivated all and also shared his contact number to reach him. The session was then concluded with a vote of thanks.

REPORT ON

Expert Lecture of "Basics of Java"

Computer Engineering Department organized Expert Lecture on "Basics of Java" by Mr. Akash Bhapkar under IE Student Chapter to motivate SE students in the area of Principles of Programming Languages. Akash Bhapkar is Assistant System Engineer in TCS, Pune. This expert lecture was successful enough to attract many students of SE-I. This was conducted on 28 March 2019 in which total 70 students were present.

Glimpses of the event:

Report on "Humanoid Robot Workshop"

Name of the Activity: Two Day Workshop on Humanoid Robot

Inauguration Ceremony :

- Prof.N.P.Mawale, Overall ET Co-ordinator, AISSMS COE, Pune.
- Prof.K.B.Chaudhari, Coordinator of Aviot-o-Virtue(Robotics Club)
- Prof.V.S.Navale, Co-Coordinator of Aviot-o-Virtue(Robotics Club)
- Prof.S.A.Takalkar, ET Co-ordinator(E&TC Department)

Objective:

- To Orient participants with robot technology.
- Design and implementation of Humanoid Robot.
- Train new batch of club.

Details of Activity:

Sr No.	Date	Description	Speaker
1	07/09/2018	Introduction of basic aspect of robot and basic knowledge of Humanoid Robot , Implementation of basic part of robot	Mr. Shubham Ghodke
2	08/09/2018	To give the actual hardware implementation of Humanoid Robot.	Mr. Shubham Ghodke

How was the Activity Conducted:

All the members of Aviot-o-Virtue Team campaigned to all Engineering Colleges in Pune for taking maximum entries from those colleges. The

Shaw
Head

Department of Electronics & Telecommunication
AISSMS's COE PUNE-411001.

activity was pursued by the faculty coordinator Prof.K.B.Chaudhari. The activity was discussed with H.O.D. by coordinator of Aviot-o-Virtue team and permission for the Venue was obtained from HOD. Venue for Activity was department seminar hall. All Participants reported at 9 am and activity started at 10am after formal inauguration ceremony. This activity was conducted within Four sessions, two sessions per day. Certificates were distributed at the end of last session to all participants.

Highlight of the workshop:

This workshop was conducted by the members of Aviot-o-Virtue (Drone and Robotics Club) under IE Student's Chapter.

Entry Fees and Prizes:

- Workshop Entry Fees: 4,500/- (Including Tool Kit)
- Max participant per team: 5

Total Number of Participants: 06 groups

Robotics Faculty Coordinator:

- Prof. K.B.Chaudhari

Robotics Student Coordinator:

- 1) Mr. Akhilesh Sonawane
- 2) Mr. Ajay Patil

Outcome:

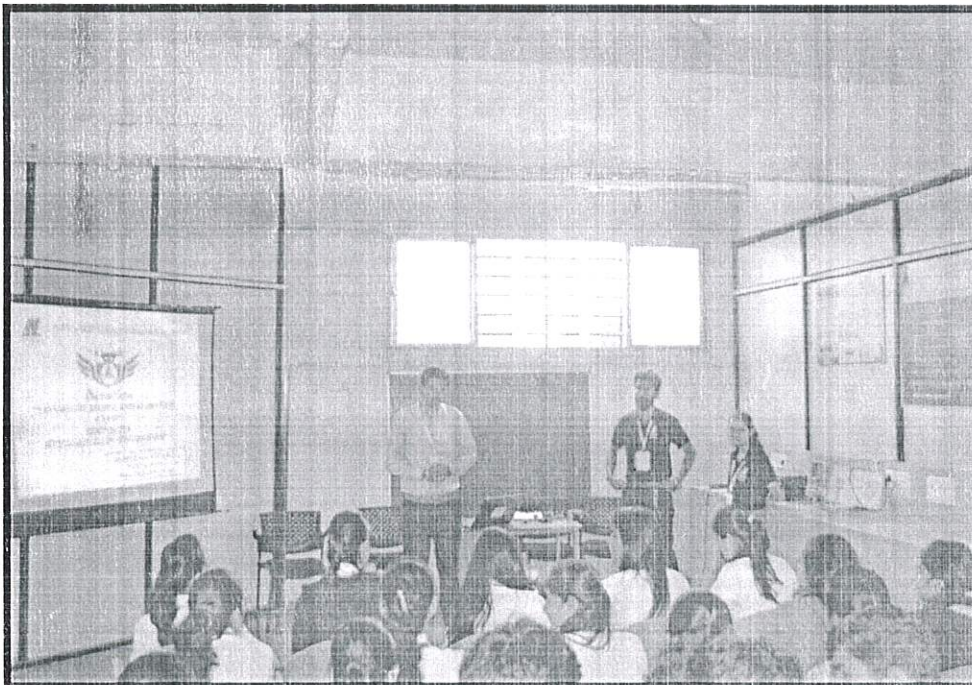

The Students who have participated got the basic knowledge of Humanoid Robot. They got motivated by interacting sessions. Students experienced the team work values, they actually built the Robot.

Evidence:

1. Schedule of Workshop
2. List of Participants
3. Participants feedback form

ALL INDIA SHRI SHIVAJI MEMORIAL SOCIETY'S
COLLEGE OF ENGINEERING PUNE-1
Department of Electronics and Telecommunication Engineering
Report on 'Python Programming Workshop'

Name of the Activity: Four Days Workshop on Python Programming

Inauguration Ceremony:

- Dr DS Bormane, Principal AISSMSCOE, Head of E&TC Department
- Dr.D G Bhalke, Professor, E&TC Department
- Prof V S Navale, Coordinator of Workshop
- Prof R R Itkarkar , Coordinator of Workshop
- Prof N P Mawale, Coordinator, IE(I)Student Chapter
- Mr Shubham Ghodke, Alumni E&TC Department, Resource Person
- Mr Piyush Nerkar, Alumni E&TC Department, Resource Person

Objective:

- Help to clarify the conceptual thinking
- Improvement in logical approach toward problem statement
- Deep knowledge of Python Programming

Details of Activity:

Sr.No.	Session	Syllabus
1	Day 1	<ul style="list-style-type: none"> • Basics of Procedural/C Programming • Tool chain of Procedural Programming • Introduction to Object Oriented • Basic problems/Practice session on logic development
2	Day 2	<ul style="list-style-type: none"> • Introduction to Python ,Basic concepts • Control Structures • Functions & Modules • Exception & Files • Types in Python
3	Day 3	<ul style="list-style-type: none"> • Functional Programming • Object Oriented Programming in Python • Regular Expression
4	Day 4	<ul style="list-style-type: none"> • Pythonicness& Packaging • Q&A Session

How was the Activity Conducted:

The activity was pursued by the faculty coordinator Mrs. V S Navale and Mrs. R R Itkarkar. The activity was discussed with HOD by Coordinator. Venue for workshop was Computer Center. All participants reported before time and workshop started at 8:30am

Highlight of workshop is , this workshop was conducted by Alumni of AISSMS College of Engineering, E&TC Department Mr. Shubham Ghodke and Mr. Piyush Nerkar .

Workshop was sponsored by AISSMSCOE and IE Student Chapter.

 Head
 Department of Electronics & Telecommunication Engineering
 AISSMS College of Engineering, Pune-1

Entry Fees:

- Workshop Entry Fees: Rs 150/-

Total Number of Participants: 59

Faculty Coordinator:

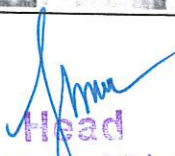

- Mrs. V S Navale
- Mrs. R R Itkarkar

Dr. D S Bormane, Principal AISSMSCOE and HOD E&TC Department addressing students during Workshop

Felicitation of Resource person Mr. Shubham Ghodke

Head
Department of Electronics & Telecommunication
AISSMS's COE PUNE-411001.

Mr. Shubham Ghodke, Resource person conducting Workshop

Participants with faculty Coordinator and Resource person

Outcomes:

The Students who have participated got the deep knowledge of Python Programming. They got motivated by hands-on sessions. Student experienced group discussion values. There was good improvement in logical approach toward problem statement

Sub: Invitation for conducting 4 days' workshop on Python Programming.

Dear Sir,

We take immense pleasure in informing you that 4 days' workshop on "Python Programming" has being organized for SE (E&TC) students at AISSMS COE Pune from 9th Jan 2019 to 12th Jan 2019.

The objective of this workshop is to improve the logical approach toward problem statement and deep knowledge of Python Programming. We request you to accept our invitation and kindly give your consent for conducting 4 days' workshop on Python Programming.

Looking forward for your confirmation

Subject: Invitation as an Expert Lecture for a session on “Solar Technology and its Applications”.

Respected Sir/Madam,

With reference to the subject cited above, Department of Electronics and Telecommunication Engineering of All India Shri Shivaji Memorial Society's, College of Engineering, Pune is organizing a session on “Solar Technology and its Applications” on dated 08/02/2019 for Class : SE / TE / BE / ME (Electronics and Telecommunication) Students. The objectives of the session are :

- To understand the Basic Concepts and its application in the industries.
- The Scope and challenges in the industries.
- To enhance the knowledge and performance of the students.
- To bridge the gap between industries and the academic.

In this regard, we cordially extend an invitation to you as a resource person for this session; with your expertise the session will prove to be a valuable asset to our students.

With warm regards,

Head
Department of Electronics & Tele-communication

Report

Workshop on "Drone Design" was organized by IEI Students' Chapter Electronics and Telecommunication Engineering Students members on 22.01.2019. Mr. Alok Mukharjee, Scientist E, DRDO, Pune was the Key Note Speaker during Workshop. He has given nice presentation on History of Drone Design in India and how Drone Design Progresses? Recourse Person was Mr Akash Malas and Mr Subham Ghodke from Technoyatra Pvt. Ltd. Pune. During Workshop detailed Drone Design concepts were explained to participants with full hands on training. Also each and every doubt of participants was solved. Workshop was very interactive. Participants learned the team work skills during Workshop. They learned how to fly Drones with least time slot so that optimum achievements can achieve during least time. Total 25 participants attended Workshop on Drone Design. Overall Workshop on Drone Design was successful. The Workshop was coordinated by Dr. D G Bhalke and Prof R R Itkarkar.

Subject: Permission to conduct 2 days Workshop on "DRONE WORKSHOP".

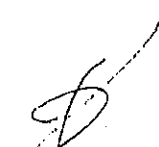

With reference to above subject, Department of E & TC is planning to organize workshop on "DRONE WORKSHOP" on 04-05 September, 2018. This workshop will be conducted by Aviot-o-Virtue (AISSMS COE Drone and Robotics Club) under IE Students' Chapter. The said workshop will be beneficial for Students for their Basic Knowledge of Robot Technology and also practical performance with Drone Development Kit. You are kindly requested to give permission for conduction of workshop. They have requested for advance of (Rs 65000/-). They will be returning the amount of Rs 50000/- to College after receipt of Registration fees. Detailed copy of this workshop program is attached herewith for your kind information.

This is for your kind information and approval please.

Alumni Meet (2019) Report

Alumni Meet (2019) was inaugurated on 16.03.2019 at 7.00 pm by Dr D S Bormane, Principal, AISSMS College of Engineering, Pune along with Head of Departments and Governing body members of AISSMS College of Engineering, Pune-Alumni Association. Total participation for the event was 550 including Alumni (345), faculties and GSA Committee.

The event started with an open house where alumni interacted with the College faculties and they also visited the department which was along with tea and snacks. On the occasion of alumni meet alumni from the first batch of 1993 were felicitated. A cultural program was presented by students of the college. There was an open session where the alumni participated with full zeal and enthusiasm to re-live the old memories for the time spent in the college.

The Alumni Meet was smoothly organized as per the schedule and concluded with dinner at 10.30 pm.
