## Activity Report

### Interaction with our own young startup Entrepreneurs

25<sup>th</sup> Feb 2021

Department of Electrical Engineering has organized a webinar on 'Interaction with our own young startup Entrepreneurs' in association with Institute of Engineers, India (IEI), Electrical Chapter and Entrepreneurs & Skill Development Cell (ESDC) on 25<sup>th</sup> February 2021, Thursday.

The session was conducted on Microsoft teams platform. Our Young Entrepreneurs were

1. Mr. Omkar Dahiwal and Mr. Sujit Mangrulkar , BE Electrical
2. Mr. Sumit Ghodke and his friends , SE Electrical

The session has started with a warm welcome and introduction by Ms.Bavrica Kaur followed by the experience shared by our young entrepreneurs.

Started with Mr. Omkar Dahiwal and Mr. Sujit Mangrulkar who are currently studying in the last year of their BE electrical. The startup 'Scrapman Private Ltd' was founded by them. The company usually provides services like maintenance of electrical equipment, waste scrape management, stationary equipment in a very uniform way.

Mr. Omkar Dahiwal had taken part in many extracurricular activities like art director, set designer, Guitar artist etc. Mr. Sujit Mangrulkar is one of the most business-oriented person. He had developed a website named 'myfestival.com' to encourage the small business which usually form at the time of festival. He had developed a mobile application for stationary products. A clear pathway about startups and market was shared by them.

To add upon, Mr. Omkar Dahiwal and Mr. Sujit Mangrulkar had taken part in various competition like Ideathon and I2E, they had also won the runner up prize in that event. from where they got the confidence to move forward.

Head

Department of Electrical Engineering  
AISSMS College of Engineering, Pune

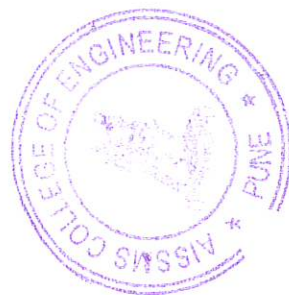

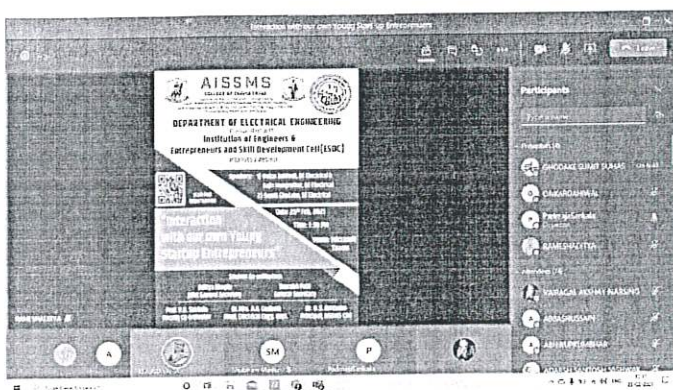

Mr. Sumit Ghodke and his friends (second group of entrepreneurs) also shared their experience in a very composite manner. The 'MB group' was founded by them, which works in the development of led bulbs of 9 to 12 watts. They have initiated their company in the month of October 2020, within 4 to 5 months they expanded their product in five districts of Ahmednagar.

All our young entrepreneurs shared their knowledge and experiences to their peers of electrical department in a very pleasant manner.

Before the concluding remarks, a brief information about Entrepreneurs and Skill Development Cell (ESDC) and Bharatiya Yuva Shakti Trust was given by Prof. V.N. Tarange .

At the end of the session, the gratitude towards the young entrepreneurs was shown by Ms. Bavrica Kaur in the presence of Head of Department Dr. A.A. Godbole, faculty coordinator Prof. P.K. Sankala, the general secretary Mr. Saurabh Patil, the joint general secretary Mr. Aditya Bhople for successful and productive completion of the session.

Name of the Activity: Webinar

Date & Time : 28/1/2021 11.30am

Venue : Online Microsoft Teams

Name & Designation of the Speaker: Mr. Amol Vaidya

**Natural Spark:** Expert in Weight Management Solutions (Online and Offline)

Name of the Staff Co-ordinator: Dr. A. A. Apte

Class : SE, TE, BE

No. of Participants: 140

Event Description : Webinar **HELP – Health Education and Lifestyle Program**

Webinar was organised for students of Department of Electrical Engineering. Mr Amol Vaidya is alumnus of department of 2002 batch. He was working in IT industry for 12 years and then started his own company. Amol told importance of health to young students. With his own example he told what difference lifestyle changes can make to you. He emphasises on daily exercise and nutritional diet. This will help to develop healthy body and happy soul.

## DEPARTMENT OF COMPUTER ENGINEERING

**Objectives of Workshop:** To make the Concepts of "Spring Web Services" more Clear for SE,TE and BE 2020-21 Computer Engineering students.

**Date of Workshop:** 14 May 2021 at 9.00 am to 11.30 am.

**Expert Name:** Mr. Kushal Shukla

**Coordinator:** Dr. M A Pradhan, A M Jagtap, S S Jadhav, Neha Rai

**Expert Organization:** Software Development Specialist Amdocs, Pune.

**About Expert Lecture:** Computer Engineering organized Workshop on "Spring Web Services", on 5 May 2021 for SE,TE and BE students. 108 students actively participated in this session.

The key points discussed during this session are:

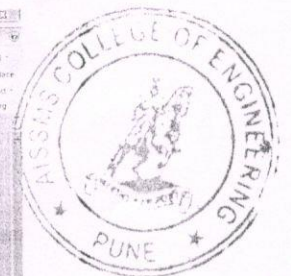

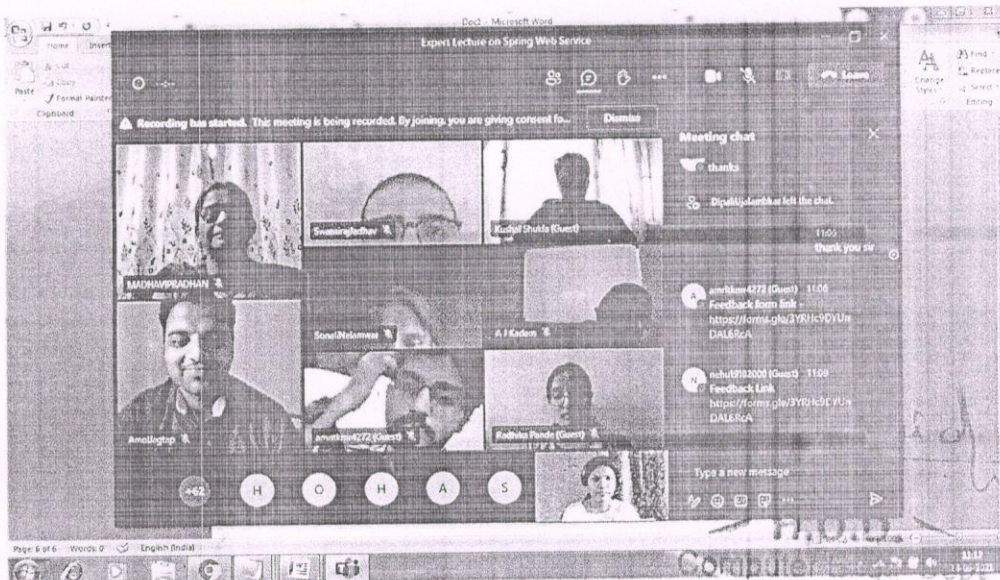

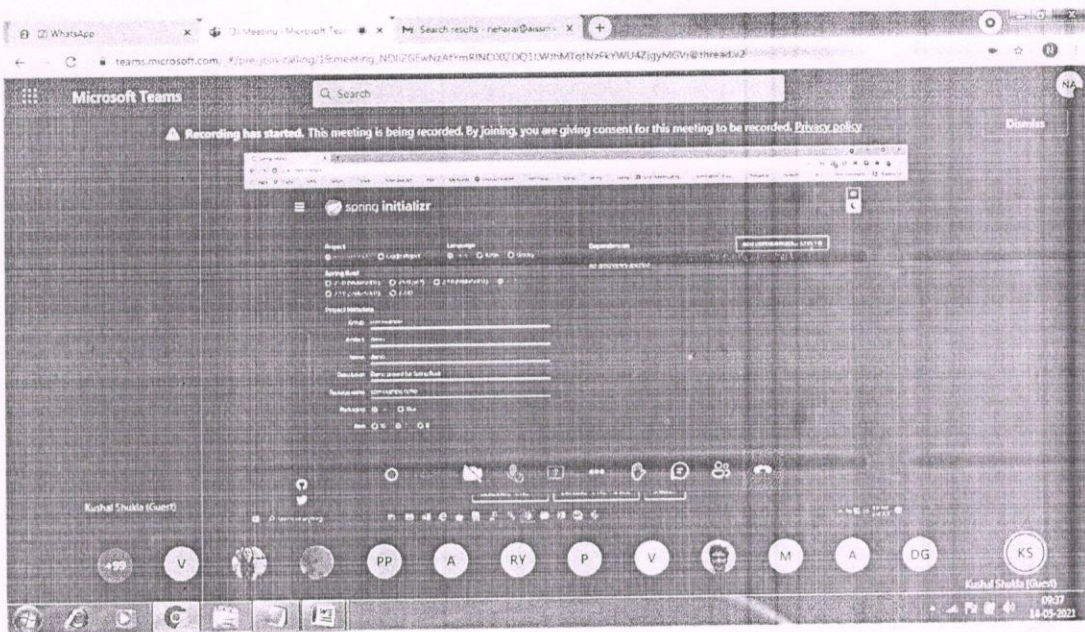

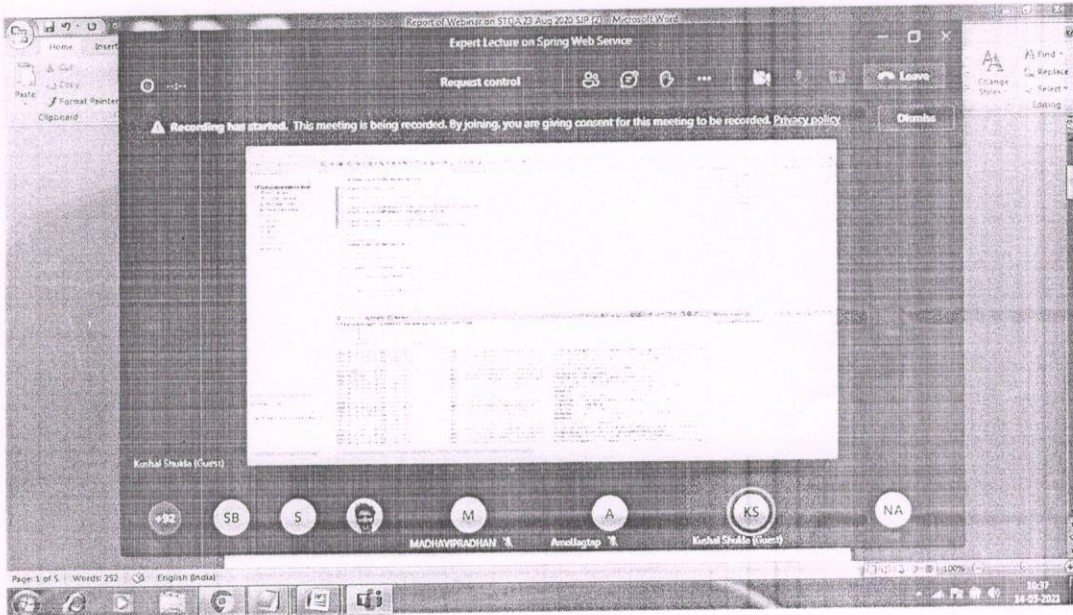

1. Introduction to "Spring Web Services"
2. Importance of "Spring Web Services"
3. Java Basics Recap.
4. What is Maven.
5. What are the advantages of web services?
6. What are the different types of web services?
7. What are the main features of web services?
8. What is Web Service and What are the REST Web Service.
9. What is Spring and Spring Boot.
10. Explain its Applications.

During student interaction, Mr. Kushal discussed about What is "Spring Web Services" and its Significance in today's Era. He also explain important topics Maven, SOAP and REST web services, XML in web service. Also he made sure to clarify all the doubts of Students. It was a Wonderful Session and All the Students have participated enthusiastically in this.

#### Activity report conducted during lockdown to till date

Name of Activity	: Webinar on "Introduction to Construction Project Management Software: Microsoft Project & Oracle Primavera EPPM P6"
Objective of Activity	: The webinar was arranged for BE students of AISSMS'COE, Pune. <b>Microsoft Project</b> is a project management software product, developed and sold by Microsoft. It is designed to assist a project manager in developing a schedule, assigning resources to tasks, tracking progress, managing the budget, and analyzing workloads.  Microsoft Project was the company's third Microsoft Windows-based application. Within a few years after its launch, it became the dominant PC-based project management software.  Webinar highlighted through live demonstration the use of MSP on a construction project
Day and Date of Activity	: Friday - 11 <sup>th</sup> August, 2020
Time	: 4:30pm to 6:00pm
Duration	: 1 day
Resource person with designation	: Er. Naynish Ladkat Technical Director, Optev Consultant and Engineers Consulting & Contracting, Pune
Platform used	: ZOOM
No. of participant registered	: 130
No of participant attended	: 95
Convener	K N Kulkarni
Coordinator	: 1. S P Khedekar 2. S D Nagrale
Outcome of the activity	The speaker first of all discussed about the need and importance of use of MS Project for planning, execution, monitoring and controlling of various construction projects. He showed his various projects which he has done. He also explained through live demonstration how actually the software works, its various components and how to generate different types of reports. He also motivated the participants to come forward and display interest in learning the software. He also addressed all the questions from the participants

AISSMS COE, Department of Electronics & Telecommunication Engineering organized Alumni Interaction on Thursday, 22th October 2020. At 10.30 am in online mode on Microsoft teams Mr. sushant Raut, Senior Software Engineer, Viome, USA, Alumni of E & Tc Department interacted with students and faculty members. He focused on top domains for professional carrier. Mr. Sushant emphasized on different opportunities for students and researchers. Also he guided students regarding how to overcome current threatening situation of COVID 19. More than 55 students, Dr. D. G. Bhalke, Head E & Tc Dept., faculty members of E & Tc Dept and Dr. D. V. Wadkar, College level Alumni In charge participated in this interaction.

This event was coordinated by Ms V D Nagrale, Ms. K B Chaudhari, under the valuable guidance of Dr. D. G. Bhalke, Head E & Tc Department. We are very thankful to Dr. D. S. Bormane, Principal and Hon. Secretary AISSM Society Shri Malojiraje Chhatrapati for supporting and encouraging such kind of activities.

**Title:** Life learning skills: Financial Management

**Speaker:** Mr. Siddhart Shah

**Date:** 08/07/2020

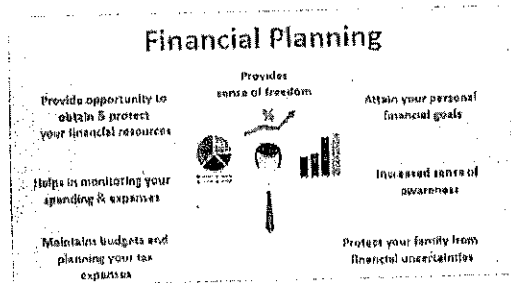

**Time:** 2:00pm-3:00pm

**Objectives:**

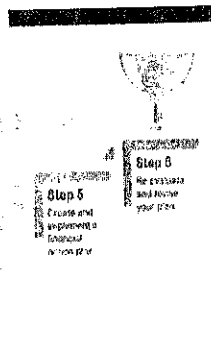

- Financial planning
- Asset Classes
- Importance of investments

**Photos:**

## Financial Planning – The What

## e How

**Contents:**

The speaker Mr. Siddharth Shah explained how financial planning will help to attain goals. He also explained the two asset classes i.e fixed income and growing income asset class. He drew our attention to one who starts early gets maximum interest. He also explained goal based asset allocation.

**Outcomes:**

- The students understood economic cycle.
- They also got to know money loses its value over time due to inflation.
- They also understood that one shouldn't invest all his money in one asset.

## Session 21

**Title:** Alumni Panel Discussion: Industry Expectation from the Student

**Speaker:** 1. Mr Nadeem Athani  
2. Mr.Gaurav Powar  
3. Mr.Gunjan Naik

**Date:**5th July 2020

**Time:** 1pm-2pm

### Objectives:

- Industry Expectations
- Experiences of Alumni to develop the skills of students

### Photo:

### Contents:

On the 5th day of induction program we had alumni, how shared their experiences on what exactly a industry wants from the freshers(students). They shared their job profile, and the projects they worked on. They also shared there view on project selection. Mr. Nadeem Athani told us to recognize the subjects we are interested in and master them. Then Mr.Gaurav Pawar told us to learn the new skills like python, internet of things,etc as these are the skills industry looking for. At last Mr.Gunjan Naik told us to enhance our skills and read more about current researches going on and how they affect industries.

### Outcomes:

- 1.With technical skills soft skills are also important.
- 2. Basics should be very clear.

COLLEGE OF ENGINEERING  
ज्ञानम् सकलजनहिताय

**Title-** Life long learning skills.(Meditation, yoga)

**Speaker Name-** Mr. Akshai Sheshadri

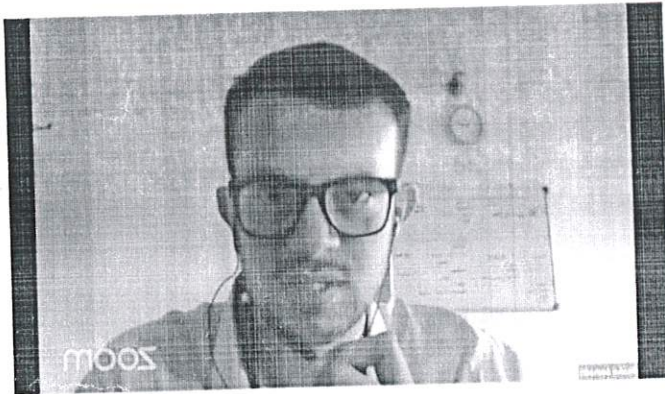

**Date -** 08/07/2020

**Time-** 10.00AM to 11.00AM

**Objective –**

- Learn to understand our self.
- How to reduce our stress using positive thinking.
- Importance of yoga and Physical fitness.

**Photograph-**

**Contents-**

- He told us how to understand our mind
- So we can control it.
- He also gives an Idea about brain mapping.
- About mental health and Thought (i.e. instructions that we gives to our self)
- He also taught us what is meditation in brief and also about
- Yoga how they help us to become flexible and disciplinary.

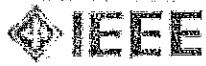

**Outcomes-**

- I got an use full knowledge about how to reduce my stress level using my old positive memories.
- I learnt that how meditation plays an important role in our life. Why it is so important and we have to give some time of day for mental as well physical health.
- Also I recognize how to deal with negative thinking because many times it distract my mind.

## DEPARTMENT OF ENTC

Made with PosterMyWall.com

**Title:** Embedded System and RTOS

**Date:** 02/09/2020

**No. of students participated:** 95

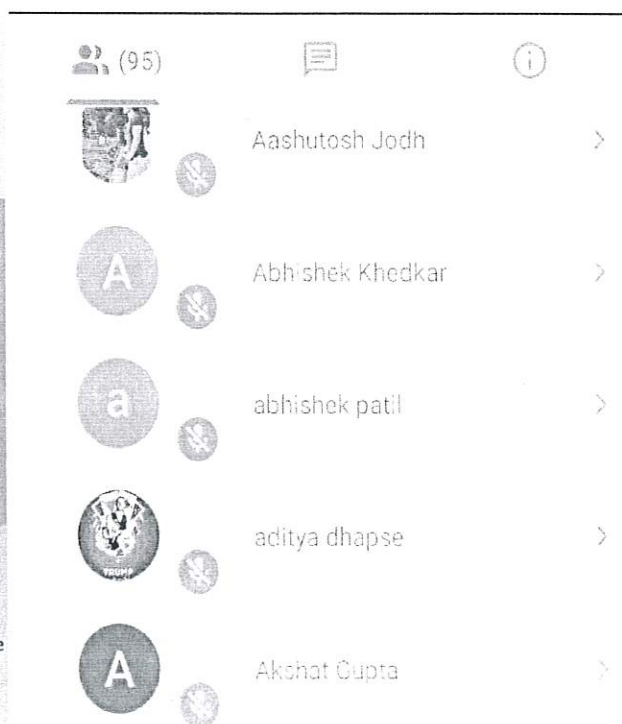

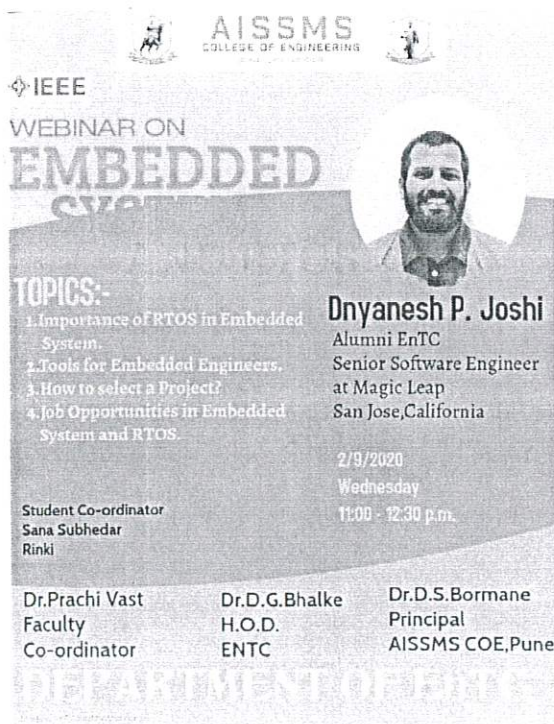

**Speaker:** Mr. Dyanesh Joshi

**Designation:** Senior Software Engineer at Magic Leap.

A Webinar on 'Embedded System and RTOS' was organized by Electronics and Telecommunication Department, IEEE chapter on 02/09/2020 Co-ordinated by Mrs Prachi Vast. The main objective of the webinar was to acknowledge the students about various aspects of Embedded system.

The Speaker, Mr. Dyanesh Joshi, discussed about Importance of RTOS in Embedded System. He also introduced the various tools available for Embedded Engineering and which tool is optimized for which application. An overview about Virtual and Augmented Reality was also provided by the speaker to the Participants. He also briefed about the process of selecting a project in Third and Final Year. The speaker highlighted various job opportunities in Embedded System and thus, providing some key-points for interview.

Mr. Dyanesh Joshi also conducted an online quiz for all the participants via google forms. Total 95 students participated in this Webinar. The webinar proved to be very interactive and informative for all the students. Overall, the webinar was a great success.
