## Expert lecture on Chargers for Battery operated vehicles

26<sup>th</sup> Nov 2021

Department of Electrical Engineering has organized an Expert lecture on Chargers used for Battery Operated Vehicles for TE Electrical students in association with Institute of Engineers, India (IEI), Electrical Chapter on 26<sup>th</sup> November 2021.

The Expert of the session was

1. Mr Utkarsh Alset,

Design & Development Engineer, R & D,

Arthertec Innovative Solutions, Pune

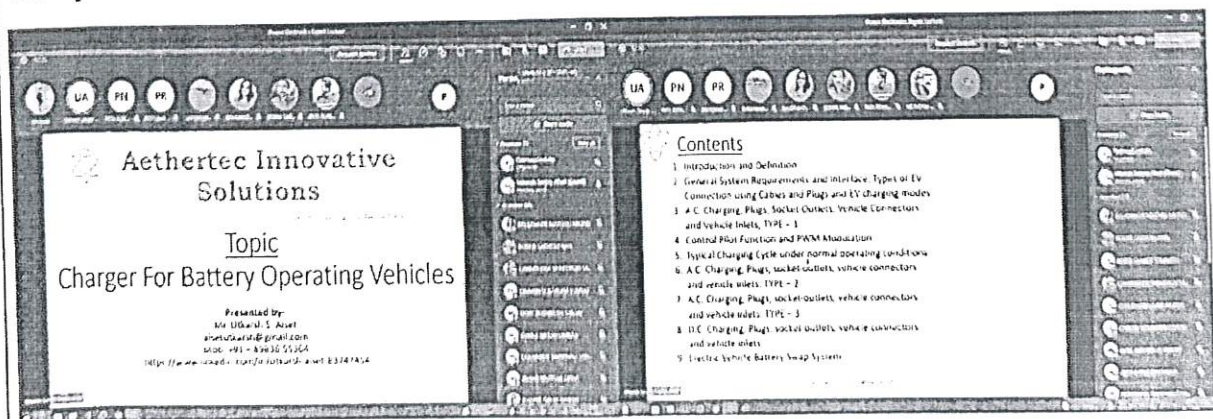

The session was conducted on online mode @ Microsoft Teams platform.

Topics Covered:

Introduction, General Battery system requirements, types of charging station - AC and DC, plugs and sockets, international standards of charging system

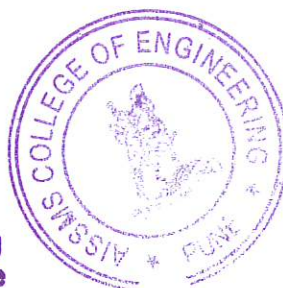

The entire session was recorded and shared with the students for future reference.

Glimpses of the Session:

### Activity Report

## Workshop On Fabrication of Buck converters

23<sup>rd</sup> Nov 2021

Department of Electrical Engineering has organized a workshop on Fabrication of Buck converters in association with Institute of Engineers, India (IEI), Electrical Chapter on 23<sup>rd</sup> November 2021.

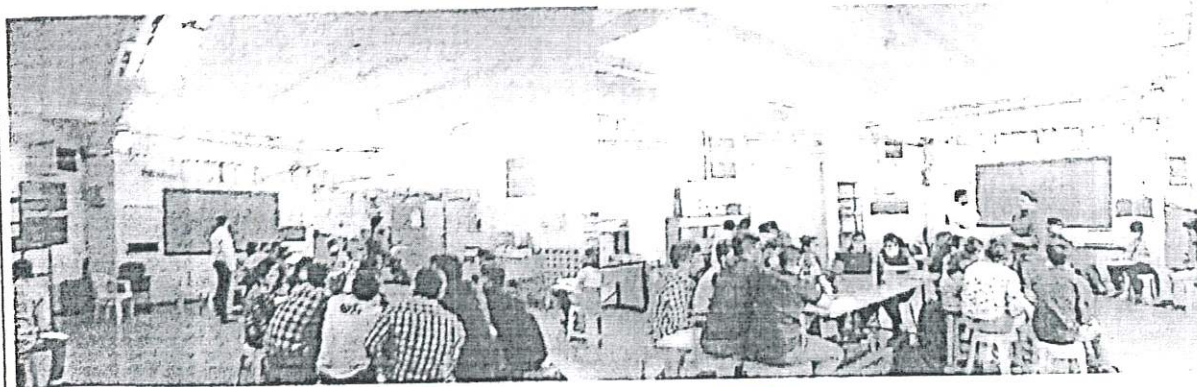

The Experts of the session were

1. Mr Mohan R Pare ,  
Design & Development Engineer, R & D ,  
Arthetec Innovative Solutions, Pune
2. Mr Utkarsh Alset,  
Design & Development Engineer, R & D ,  
Arthetec Innovative Solutions, Pune

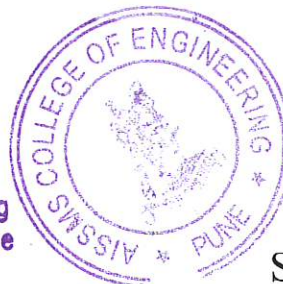

The session was conducted on both offline and online mode @ Microsoft Teams platform.

The session has started with the brief description of the working and operation of buck converter by Mr Utkarsh and then continued with the design of the converter to be fabricated. The basic circuit and the components selected was discussed by Mr Mohan. Once the discussion is done, a total of 4 groups were formed with 6 to 7 students in each group. Then they have started with the building of the circuit on breadboard. The triggering pulses were given from an Arduino Uno controller for different values of frequency. The circuit is then tested for the results and troubleshooted in case needed. The entire session was live telecasted to the students who couldn't attend offline. A total of 26 and 35 students have participated in the workshop through Offline and online respectively. The entire session was recorded and shared with the students for future reference.

Mock Placement was organized in Engineering Today 2021

Experts were

1. Mr. Bipin Datar (Retired Plant Hrad Skoda Aurangabad)
2. Mr. Ajit Zha MD Zen Solutions Alumni 2007 batch

Initially group discussion was organized. Experts monitored group discussion and at the end given constructive suggestions. Mock interviews of short listed students were conducted and award were declared. At the end experts had taken review of activity and given students constructive suggestions.

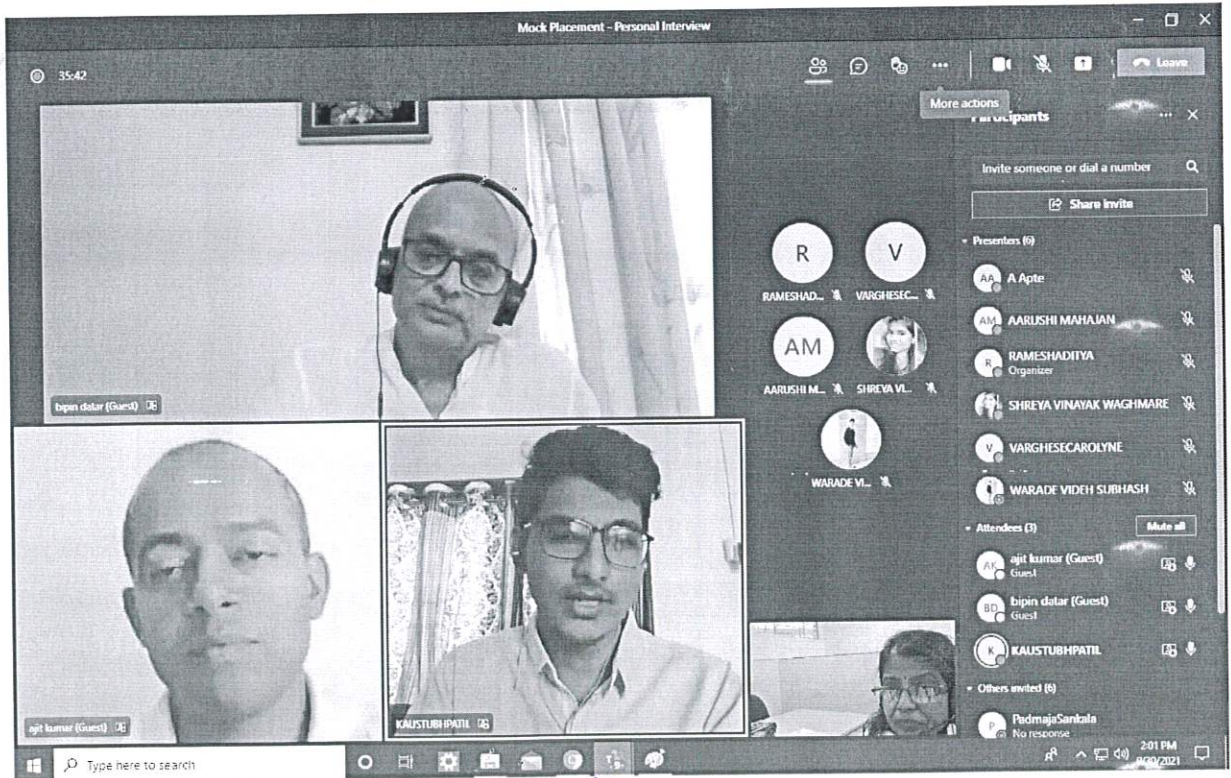

The screenshot shows a Zoom meeting window titled "Mock Placement - Aptitude Round". The main content is a presentation slide from AISSMS College of Engineering. The slide details the "16th AISSMS Engineering Today - 2021 WATTS Mock Placement Competition" held from 29th to 30th September 2021. It lists the organizing faculty: Dr. A. A. Apte (Faculty Co-ordinator), Prof. P. Sankala (Dept. EE/EC), Dr. A. A. Godbole (HOD, Dept. of Electrical Engineering), and Dr. D. S. Bormane (Faculty, AISSMS). The slide also mentions a registration fee of ₹100/-, prizes of ₹5000/- (1st) and ₹3000/- (2nd), and provides account details for AISSMS COE IEI Students Chapter (Electrical Engineering) in Pune. Contact information for Aditya Bhople is also provided.

Report on

### The webinar

### “Beyond BIM: A Peek in the future of Construction Management”

---

#### Activity:

A webinar on “Beyond BIM: A Peek in the future of Construction Management” organised by Department of First year and Civil Engineering in association with Green Ecomes Solution Pvt. Ltd., on 22<sup>nd</sup> June 2021 at 11:00 am to 12:30pm (IST).

#### Objective:

- To provide ideas to students about investment decisions by comparing functionality, scope and project costs.
- To provide opportunities to interact with International and National Field Experts in construction on a single platform for Faculties, industry personnel and budding engineers

#### Convenors:

Dr. S. D. Nagrale, Prof. S. S. Bhuinyan

## PREAMBLE

The AISSMS College of Engineering, Pune is affiliated to the Savitribai Phule Pune University, Pune and approved by AICTE. It conducts undergraduate courses in various disciplines of engineering such as Chemical, Civil, Computer, Electrical, Electronics, Mechanical, Mechanical Sandwich and Production Sandwich and post graduate courses in Chemical, Structure, Computer, Power Electronics and Drives, Microwave, Automotive and Design.

This agreement is signed between

Whereas, AISSMS College of Engineering, Kennedy road, Pune - 411 001, Maharashtra. (Herein after referred as AISSMSCOE)

Whereas, GES is engaged in BIM and Green Building Design Services with its registered office at C-1003, Sky Heights Building, Matoshree Garden, Pisoli, Pune – 411060.

Whereas the parties have decided to agree to establish industry academic collaboration in the areas of mutual interest and in accordance with terms and conditions set forth in this memorandum of understanding ( MoU).

## OBJECTIVES OF MOU

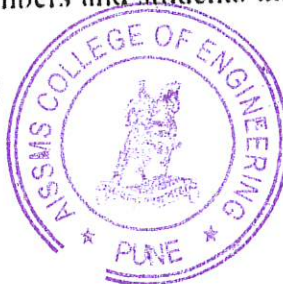

1. To promote Industry institute interaction.
2. To promote industry driven research and innovation
3. To provide access to industrial environment for the students and faculty.
4. To promote any other appropriate mode of interaction agreed upon between industry and institute.

## SCOPE AND TERMS OF INTERACTION

Both AISSMS COE and industry shall encourage interaction between the engineers, research fellows, faculty members and students through following arrangements

2

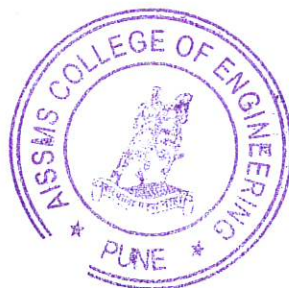

1. GES shall share their knowledge and experience by way of joint conferences and seminars/workshops.
2. GES shall provide practical training to AISSMS COE students at industry
3. GES may depute its personnel to conduct expert lectures at AISSMS COE
4. GES will arrange to provide periodic field visits to faculty and students of AISSMS COE to enable them to get practical exposure and learning from interaction with members of industry.
5. GES would offer summer internship to interested students of AISSMS COE at its factory/ project locations so that students get hands on experience of live projects. The number of students who can be considered for the internship would be as mutually decided between Industry and AISSMS COE every year.
6. GES may seek assistance/ guidance of AISSMS COE faculty members in technical problems, troubleshooting etc.
7. GES may showcase its business activities at the seminar or workshop or conference etc at AISSMS COE.
8. GES may avail library, internet, and computational facilities at AISSMS COE.
9. GES would help the students of AISSMS COE for project-based learning by allowing to carryout PG/UG projects depending upon the nature of work as per rules of the respective institutes depending on facilities and requirements.

#### FINANCIAL ARRANGEMENTS

1. The collaborative program between AISSMS COE and INDUSTRY shall be coordinated by a coordination committee appointed by Directors of both the Institutes.
2. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

3

**INTELLECTUAL PROPERTY RIGHTS**

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by the two parties by mutual consent.

**CONFIDENTIALITY**

The AISSMS COE and the industry agree to hold in confidence all information/data which is obtained from either side or created during the performance of the MoU and will not disclose the same to any third party without written consent of the other side

**COORDINATORS**

Both sides will designate persons who will have responsibility for coordination and implementation of this agreement.

**DURATION OF MOU**

This MoU will take effect from the date it is signed by the representatives of the parties. It will remain valid for five years and may be continued there after after suitable review and agreement. Either party may terminate the MoU by giving written notice to other party six months in advance. Once terminated, neither AISSMS COE nor industry will be responsible for any losses, financial or otherwise, which the other party may suffer.

This MoU is signed subjective approval of the respective academic/administrative bodies.

## Cyber Security Fundamentals

Código Madrid Club conducted an offline bootcamp on Cyber Security Fundamentals on 17<sup>th</sup> March, 2022 . The lecture was conducted by Pinak Pandit, an alumni member of our club. The session was continued by Shrikant Dange and Pratik Pingale, core team members.

The session was attended by 56 students. Participants gained insights on CIA - a basis in building security, cryptography, its importance in cyber security. The speakers also explained the design and implementation of all aspects of the information security management system (ISMS) Overall ,it was an enthusiastic and valuable session .

REPORT ON

Expert Lecture on

“Basics of programming Languages (Java programming)”

**Objectives of Expert Lecture:** Knowledge sharing about Basics of programming Languages

**Date of Webinar:** 28th February, 2022 at 9 to 10 am

**Expert Name:** Mr. Suraj Singh,

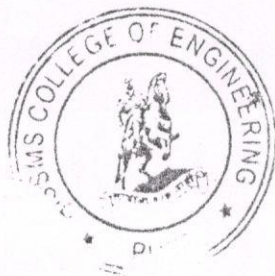

**Expert Organization:**, Tata Consultancy Services, Pune.

**Number of Students attended:** 40

Computer Engineering Department organized a, Expert Lecture on ‘Basics of programming Languages (Java programming)’ on 28<sup>th</sup> February, 2022 to enhance knowledge of programming Languages of Second Year Computer Engineering Students.

During student interaction, Mr. Suraj Singh spoke about the upcoming technologies and need of Software industry. He created interest in student's mind about the role of computer engineer in world of programming. He also tried to connect it with S/w Development. All the doubts of students were well cleared by Mr. Suraj Singh.

This Expert Lecture was successful enough to students to enhance knowledge about ‘Java programming’.

### Contents:

The webinar on "Career Scope in IT Sector" successfully provided participants with valuable insights into the dynamic landscape of the Information Technology (IT) industry. The session aimed to equip attendees with a comprehensive understanding of career opportunities, skill requirements, and trends within the IT sector. The session began with an insightful overview of the current state of the IT industry, exploring recent trends and innovations shaping the sector. Participants gained a deeper understanding of the various career paths available within IT, including software development, cyber security, data analytics, and other specialized roles. The webinar emphasized the essential skills required in the IT sector, focusing on technical proficiency, problem-solving, and adaptability in the face of rapid technological advancements.

### Outcomes:

The "Career Scope in IT Sector" webinar concluded successfully, achieving its goal of providing participants with a comprehensive understanding of the IT industry's career Landscape. Attendees left the session well-informed, equipped with the knowledge and resources needed to make informed decisions about their careers within the dynamic IT sector.
