coursera for Campus

Hi Vrushali,

Thank you for participating in the Coursera for Campus Response Initiative program.
The course enrollment period has concluded and students will no longer be able to
enroll in new courses under this program. Today, we are excited to announce the
launch of the Coursera for Campus Basic plan.

With the Coursera for Campus Basic plan, you and your students will continue to have
free, long-term access to high-quality online learning on Coursera. Benefits include:

- Up to 20,000 licenses for your currently enrolled university students
- Unlimited Guided Projects & 1 course per student per year
- Continued access to the Coursera platform, including administrative and
  analytics dashboards
- Online help centers for program administrators and learners

The Coursera for Campus Basic plan is available starting today, October 1st, 2020 and
your administrator account will automatically be transitioned to the new program over
the course of the next week. Your students will also receive an email today notifying
them of the new plan. Please note that you will retain access to your Campus
Response Initiative program for the next two months, and your students will be able to
continue with the courses they enrolled in on or before September 30, 2020 for this
two-month period.

To learn more about the Coursera for Campus Basic plan, please visit our website or
consult this FAQ. Your use of the Coursera for Campus Basic plan is subject to the
Coursera for Campus Basic plan terms, found here.

If you are interested in learning more about the Coursera for Campus Institution plan
with unlimited access to courses, private authoring and advanced academic integrity
features, we would be happy to discuss. Please contact us at campus@coursera.org to
schedule a consultation.

Thank you for choosing   ing partner!

Best regards,

coursera for Campus

Hi Dr. Dattatraya Bormane,

Thank you again for expressing interest in Coursera!

Our mission is to transform lives through learning, and we want to help your students

by offering courses online to minimize the impact of the coronavirus on their education.

We are glad to be able to support your community with this response initiative. We're

excited to let you know that your Coursera for Campus program is ready and You can

access your new program(s) here.

The following individual has been provided organization administrator access. They

can add additional administrators on your Coursera portal. Shortly, you will receive a

separate email inviting you to take a short course on our platform that provides you an

overview of all the features of your Coursera for Campus portal. You can review the

program, dashboard settings and start adding learners from your campus by inviting

your learners from the invitation tab within your program.

Please find attached the following:

- Admin Walkthrough: A deck and recorded training which explains all the Admin features of the platform. Also, please refer to our Administrator Help Center which is a great resource as well.

- Learner Experience: A deck which explains the learner features. Also, please refer to our Learner Help Center and please do direct the learners to it as well.

- Student Awareness Kit: A tool kit of materials that you can use to engage your learners to start learning on Coursera.

- Both the Admins and Learners have 24x7 chat support from our support staff available on the respective help center.

- Admins can also reach out to us by emailing clientsupport@coursera.org . We have a tiered support structure in place where issues/queries can be escalated as needed.

- Qwiklabs FAQ for any learner questions around accessing labs via GCP Coursera courses.

Thank you,

Coursera for Campus Team

Coursera helps companies and governments around the world transform their workforces through curated online learning experiences developed by global leaders in education and industry.
