Report

All India Shri Shivaji Memorial Society's College of Engineering in association with National Service Scheme & Unnat Bharat Abhiyan organized a E-Quiz on “**Atmanirbhar: Ek Bharat Shreshta Bharat**”.

India has unity in diversity, it gives everyone a strong message that nothing is without unity. Living together with love and harmony provides the real essence of life. Unity in diversity in India shows us that we all are born, cared and nourished one Supreme God. India has diversity in various aspects such as culture, food, clothing, etc. yet we all are one. So, our NSS team took an initiative to celebrate & cherish it by organizing E-Quiz.

We had a great response to the quiz. Their responses were surely great. All the participants were provided with the Participation Certificate as an appreciation for their participation.

Report

All India Shri Shivaji Memorial Society’s, College of Engineering, Pune-01, National Service Scheme unit participated in “Spitting Kills Campaign” and created an awareness regarding “SPITTING KILLS”. Experts have determined that spitting spreads the virus and chewing tobacco, gutkha, etc. causes an urge to spit, our NSS unit has created awareness among 6000+ people by telling them to take pledge regarding the same and still the campaign is in progress. This is an initiative taken to avoid the spread of Covid-19 due to spitting. AISSMS College of Engineering Pune has received an appreciation letter on the behalf of “Pledge for Life” team for supporting the campaign.

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit organized a webinar on Kargil Vijay Divas. Our Chief Guest Maj. Gen. Shashikant Pitre Sir. was commissioned into course of engineers of Indian Army in 1962. During his conquered service spanning 36 years, he has served on the Western, Northern and Eastern Border. He is a Post Graduate in Military science and a Master of Engineering in Structures. He has qualified on various career courses in army including defense Service Staff College and higher command courses. He is a recipient of COAS commandant Card. After Retirement, he has written widely in marathi dailies in military matters. His daily columns in the circle during the Kargil war and in LokSatta during Afghanistan as well as Iraq were well received. He has authored a book on the Kashmir imbroglio, 'Domel te Kargil' (in marathi), which was adjusted as the Book of 2001 by Maharashtra Sahit Parishad. He has authored 4 other books; his latest book on 1962 war was received 5 prestigious awards. General Pitre Sir is founder Chairman of Ex- Serviceman Organization Horizon, dedicated to Humanitarian Demining. The General has been appointed as the trusty of service Preparatory Institute by the Government of Maharashtra.

Report

On the occasion of Raksha Bandhan every year All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit contributes by making handmade rakhis for our Armed Force who serves and protect our nation by risking their life. This pandemic our NSS unit didn't hold themselves back and carried out the activity with the same enthusiasm.

In this pandemic situation no rules were broken by our NSS volunteers, they prepared the Rakhis with the material which was available at home. As we couldn't gather at a place, volunteers were told to prepare at least 5-10 Rakhis each at home, and then post it from their nearby post office.

This showed that the pandemic situation never held us back, in such situations also we carried out the activity. Volunteers learnt how to use the minimum resource in an effective way and showcased their creativity. About one week was provided to our volunteers to submit the rakhis.

Moto of Event	To make the students and other individual aware about the changes in NEP-2020				
Chief Guest	Hon. Prabhakar Desai				
Volunteers	123	Faculty	06		
Host	Hrishikesh Ghorpade and Rucha Bhosale		Location	-	
Platform	Microsoft Teams				

Report

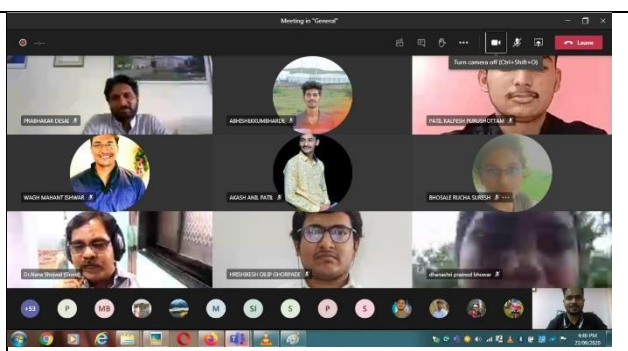

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit arranged a webinar regarding NEP20. Education Policy lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving – but also social, ethical, and emotional capacities and dispositions. The policy heads to transform India's education system till 2030.

The webinar included two sessions. In first session Prof. Prabhakar Desai Sir made it clear that this is just a policy not a law of constitution (cannot be applied all over country) and changes can be made in it. Prof Desai Sir also told that NEP has its pros and cons which means it's not fully beneficial. It focuses on critical and liberal thinking. This, policy is not just 60 pages rather its 400 pages policy.

He highlighted Principles of this Policy like: Policy will provide more focus on vocational studies in school-level. Various new provisions for children. Three language learned by children will be the choice of state, regions and students. Medium of instruction will be the local/ regional language. No hard separation of streams for students. There will be restructuring school curriculum and pedagogy in a new 5+3+3+4 design.

Chief Guest Hon. Prabhakar Desai addressing the audience.

Platform	Microsoft Teams				

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit conducted a webinar on the occasion of birth anniversary of our Rashtrapita Mahatma Gandhi, which was witnessed by Chief Guest Dr. Kumar Saptarshi Sir, Principal Dr.D.S.Bormane Sir, Prof. N. N. Shejwal Sir, AISSMS and other college lecturers, 250 participants joined us on this occasion which was organized on Microsoft teams, an online platform. Around 300 participants attended through live streaming on You Tube. Dr. N.N.Shejwal Sir, then expressed the importance of Mahatma Gandhi's "go to the village" in the growing problems caused by the Corona epidemic. After that, Principal Dr. D.S.Bormane Sir, while expressing his thoughts, informed about the various activities being implemented by the students. Our host then introduced the Chief Guest to the audience. Dr. Kumar Saptarshi Sir, is the President of Maharashtra Gandhi Smarak Nidhi and Yuvak Kranti Dal Maharashtra. From an early age, Dr. Kumar Saptarshi Sir, dedicated his life for the welfare of the society. He did a lot of organizational work. His work was not limited to the city, he also did special work in rural areas. By choosing the path of code of conduct, in the interest of the country, by placing a Tulsi letter on the landlord, the agitation was carried out, and it was declared a success. In various movements, Dr. Kumar Saptarshi Sir, has been arrested for total 35 times in various movements. Salute to this patriotism. Dr. Kumar Saptarshi Sir, (Chief Guest), started the speech by paying homage to the image of Mahatma Gandhi. First, he elaborated on Gandhiji's concept of a self-reliant India. He also shared many examples of how humans exploited nature just out of their own greed and fear. He also underlined how the concept of 'Let's go to the village' can be realized through our activities. He warned that bringing progress and intelligence from the city to the village means moving towards the village.

Extending the vote of thanks, the host expressed gratitude towards our Chief Guest, Principal and our Program Officer, the staff and the students for gracing the webinar.

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit held a food donation drive.

It is to be remembered, however, that health truly begins with no one remaining hungry. To follow this motto, we conducted food donating programme. In this situation of the global pandemic, individuals from over the world have faced food crisis. As countries deal with the widespread effects of the COVID-19 pandemic, organising such programmes will highlight how food and agriculture are an essential part of the COVID-19 response.

The contribution that was expected from the interested participants was of donating food to some needy people. Participants could look around in their areas and donate food to whoever that seemed to be in need.

Host	Saumya Thakur, Shruti Gadhave		Location	-	
Platform	Zoom App				

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit conducted a webinar on women empowerment through financial literacy. Even in the 21st century, India is still seen as a male dominated country. Even today, females are worshiped as Lakshmi by everyone but aren't financially literate, to help women manage their home as well as their finance. Money is an important part of financial freedom. The end goal is freedom and, 'stable finance brings freedom.

Webinar started and our Principal Dr. D.S. Bormane Sir and our Program Officer Dr. N.N. Shejwal Sir spoke a few words and welcomed our Guest of honor Miss Shikha Mittal.

Then our host introduced our Chief Guest Miss Shikha Mittal ma'am, the founder and director of Be. Artsy, a non-profit social awareness enterprise that leverages the power of art to influence positive social impact.

In all it was a great session which proceeded to the future where our Chief Guest addressed our audience where ma'am taught them about the importance of financial literacy and financial freedom. She shared with us the golden rule for being financially stable which is 3/3=1. Basic concepts regarding finance were clear. Our audience then asked a few questions and they were answered very satisfyingly by our guest of honor. It was a really interactive session and was helpful for each and every audience.

The session came to an end and our anchor extended the vote of thanks, the host expressed gratitude towards our Chief Guest, principal and our program officer, the staff and the students for gracing the webinar. Before concluding we captured this wonderful moment.

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit held an event titled "Be Vocal Buy Local", held for 6-7 days.

Diwali, the festival of lights, is a celebration that marks the victory of good over evil, light over darkness, knowledge over ignorance. Diwali is celebrated all over communities of India, creating a homogenous environment of goodwill and happiness. It is a time for both, gratitude and gaiety. So this year our NSS team had thought to celebrate this Diwali Eco-friendly & to work this idea we organizes an event for preparation of this event we had arranged 3-4 meetings. This Diwali 2020 we made a difference & took initiative to make difference by helping Local Vendors by buying Local Products to motivate everyone to buy local. Our volunteers had made a short video on the occasion of Diwali. Celebrating Diwali is not just about bursting Fire Crackers and eating Diwali's special snacks (Faral), but to light the life of others and fill it with joy and happiness. Firing/bursting crackers leads to Pollution which is harmful for both Nature as well as humans. The ratio of economy of people states that there numerous people who has very less economy and within that it's hard to manage the regular necessities and for them Diwali seems to be as a forbidden fruit. So why not, everyone contribute a little amount for their happiness. So our NSS team decided to do some dedication to our Society.

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit on occasion of Armed Forces Flag Day, Held A National Level Quiz Competition.

The Armed Forces Flag Day Or The Flag Day Of India Is A Day Dedicated To India Towards Collection Of Funds From People Of India For The Welfare Of The Indian Armed Forces Personnel. Immediately After India Achieved Independence, A Need Arose For The Government To Manage The Welfare Of Its Defence Personnel. On August 28, 1949, A Committee Set Up Under The Defence Minister Decided To Observe A Flag Day Annually On December 7. The Idea Behind Observing A Flag Day Was To Distribute Small Flags To The General Population And In Return Collect Donations.

The Quiz Was Arranged To Check Knowledge Of Participants About How Much They Know Our Defence Ministry And Also To Make Them Aware About Armed Forces Flag Day.If The Candidate Passes With More Than 75% Then He/ She Was Provided A Certificate Of Appreciation. Not Only Students But, Faculties Were Also Seen Participating In This Quiz.

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit initiated a one week awareness drive on the occasion of Human Rights Day, in order to create awareness and provide knowledge regarding some of the Human Rights.

One week awareness drive was held and daily a video was posted and shared, created by our NSS volunteers to make them understand the importance, provide significant knowledge regarding some of the common human rights.

The video was prepared after tons of research made by our NSS volunteers, so that it doesn't send any false information regarding the same.

Volunteers list who participated in the video:

Day	NSS Volunteers	Topic	Date
01	Shreya Karandikar	Right to Equality	10/12/2020
02	Saba Syed & Tanaya Jagtap	Women Rights	11/12/2020
03	Mahant Wagh	Freedom of Expression	12/12/2020
04	Gagandeep Kour	Right to Education	13/12/2020
05	Saumya & Abhishek Chavan	Right to Life	14/12/2020
06	Abhilash Yadnik & Uday Gaikwad	Children Rights	15/12/2020
07	Shrungal Kulkarni	Right to Information	16/12/2020

Video Snapshots of volunteers who participated in video.

Host	Kadambari Mane, Abhilash Yadnik			Location	Online
Platform	Microsoft Teams				

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme uniton the occasion of Farmers Day, held a webinar which was witnessed by Chief GuestDr. Manohar Khake Sir, Principal Dr.D.S. Bormane Sir, Prof. N. N. Shejwal Sir, AISSMS and other college lecturers, 122 participants joined us on this occasion which was organized on Microsoft teams, an online platform.Along with the protection of our soldiers, Farmers are considered the backbone of our country. We know farmers are very important as they are the ones who provide us with the nutrition n healthy food that we eat.Nearly 70% of the rural household depend on the farming, with around 82% farmers being small n marginal. As per 2018, agriculture employed more than 50% of the Indian work forces and contributed 17–18% to country's GDP.Certain years ago, there was a shift from traditional farming to farming with chemicals and pesticides. India was gravely short of foodgrains, and this agricultural shift came in handy. With massive inputs of chemical fertilisers, pesticides and water, high crop yields were achieved.The purpose of holding the webinar was to know the importance of Organic Farming. Considering issues of health and economy in the modern world, organic farming will prove to be a viable option for every consuming human and the producing farmers as well.Webinar started at 11am. Our host introduced the event and asked our Program Officer Dr. N.N. Shejwal Sir and Principal Dr. D.S. Bormane Sir to welcome our Chief Guest. They also gave information about Dr. Khake's book, 'Matiche Swarup Ani Sendriy Khate' and added few words regarding 'Unnat Bharat Abhiyan'. Then our host introduced our Chief Guest to the audience and requested them to address the crowd.Then Dr. Manohar Khake Sir, with his immense knowledgeable words, started discussing his ideas with Students. He put froth his concept of 'Air Irrigation'

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit gave the pre-information about Health Check-up Camp to all the villagers. The main moto of health check-up camp was to administer health assessment, spread health awareness and provide health counselling. In such a pandemic situation it's very important to take care of our health. So, our Principal Dr. D. S. Bormane Sir & Prog. Officer Dr. N. N. Shejwal Sir also motivated the villagers to do their Health Check-up.

A health check-up camp had been set up in Kalyan (Pune) by NSS volunteers. Body-Temperature, Oxygen-level, was checked on every patient before getting the check-up. In the camp, proper medical treatment of the villagers and remedial measures were provided, all free of cost, including the basic medicines required for an early recover. Our NSS volunteers took down the details of the people who came for this health check-up. Villagers shared their problem with doctor & got the best treatment from them. NSS volunteers encouraged the villagers to do simple activities on a regular basis to get rid of the excessive body pain. Majority of the people were suffering from body pain, swelling, cough, fever, weakness.

Great response was observed from the villagers, 142 villagers were willing to check their physical health.

Report

All India Shri Shivaji Memorial Society's ,College of Engineering, Pune-01, National Service Scheme unit on 15th January, 2021 conducted activity on Women Literacy at Kalyan village, where NSS volunteers interacted with the women's of the village.

During the interaction the following points were observed:

- The women in the age group of 50-70 are mostly illiterate. Few of them are familiar with basics of language (Marathi) like alphabets & numbers.
- The women in the age group of 30-50 were mostly educated upto primary school or secondary school. There were a very few of them educated upto higher secondary school.
- The age group below 20-30 included women's almost educated many of them were educated uptill higher secondary & so on, in which few of them do some job.
- The rest were school going girls.

Volunteers Creating awareness amongst the women regarding importance of education.

Volunteers go door-door to create awareness regarding importance of education.

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit contributed towards the Polio Vaccination Drive which started from 31st January, 2021.

On 1st February, 2021 there was a small inauguration held at Indira Gandhi Maternity Hospital, Old Sangavi, Pimpri-Chinchwad under the presence of Hon. Chief Guest Usha (Mai) Dhore, Mayor Pimpri-Chinchwad regarding Polio Vaccination, they explained the importance of Polio Vaccination amongst the people and also they appreciated all the hospital staff and the volunteers who provide a helping hand whenever needed. Our volunteers carried out the activity for 2 days on 1st and 2nd February 2021.

Also our NSS volunteers at their place visited the nearest both and helped the clinical staff regarding the same. Nearly 4500 individuals were vaccinated, our volunteers also had door to door approach to check whether the people have vaccinated their child and also made them aware that the polio vaccination has been started and also explained,

NSS volunteers vaccinate the children at booth.

NSS volunteers approach to door to door for vaccination purpose.

Date	08 February,2021	Time	4:00 pm.	Duration	2:00 Hours
Name of Event	Traditional importance of Marathi language, culture of Marathi people				
Moto of Event	The moto was to create importance of our mother language” Marathi”.				
Chief Guest	Hon. Anil Gore (Marathi Kaka)				
Volunteers	63	Faculty	03		
Host	Abhilash Yadnik, Shreya Karandikar and Ritesh Tanpure.				
Location	-	Platform	Online		

Report

All India Shri Shivaji Memorial Society College of Engineering,National Service Scheme volunteers successfully organized the webinar related to the topic “**Traditional importance of Marathi language, culture of Marathi people**” on 8th February 2021, Monday conducted through ‘Microsoft teams’ platform. The webinar mainly focused on the **traditional importance of Marathi language, culture of Marathi people**. The main target of conducting this webinar was to make this generation students aware about the **history of Marathi language**, and also about **the old literature of Marathi** and other important things about Marathi language.

The program started at 4:00pm in the evening which was witnessed by the Chief Guest of the event ‘**Hon. Anil Gore**’, Principal Dr.D.S.Bormane Sir, Prof. N. N. Shejwal Sir and around 60+ participants. Hon.Chief Guest widely emphasized his thoughts regarding Marathi language. He explained to the students how Marathi language is given importance by the people.Also Mr. Gore acknowledged the students about how now-a-days language is becoming a hinderance for the students to explore themselves, how English has become the major medium through which people have to express their thoughts. Later Mr. Gore said about how learning of various subjects in Marathi would be useful for the students in Maharashtra, as English language might not clear their concepts completely. He said that ‘**Marathi**’ should be given first preference in ‘**Maharashtra**’. He also stated various advantages regarding using Marathi language by giving examples.At last Question and Answer session was taken where the students asked their doubts about the content and got clarified.

The Webinar was successfully concluded by extending the vote of thanks towards our Chief Guest, Principal and our Program Officer, the staff and the students for gracing the webinar. Thus the meeting ended at 5:40pm.

Participants

Hon. Chief Guest Anil Gore Sir with host of the webinar.

Report

All India Shri Shivaji Memorial Society's ,College of Engineering, Pune-01, National Service Scheme unit in association with Jidnyasa Aayaam on 8th March 2021 conducted one day Health Checkup Camp in parking area of AISSMS College of Management,Pune . NSS volunteers of AISSMS College of Engineering, Pune-01 gave the pre-information about Health Check-up Camp to all the staff, security guards and non-teaching staff. The main moto of health check-up camp was to administer health assessment, spread health awareness and provide health counselling. In such a pandemic situation it's very important to take care of our health. So, our Principal Dr. D. S. Bormane sir& Prog. Officer Dr. N. N. Shejwal sir also motivated all college workers to do their Health Check-up.Body-Temperature, Oxygen-level, was checked for every one before getting the check-up. In the camp, proper medical treatment of the staff and remedial measures were provided, all free of cost, including the basic medicines required for an early recover. Our NSS volunteers took down the details of the people who came for this health check-up. Everyone shared their problem with doctor & got the best treatment from them. NSS volunteers encouraged the non-teaching staff to do simple activities on a regular basis to get rid of the excessive body pain. Majority of them were assisted for their weakness, body pain, etc. Great response was observed from the all teaching,non-teaching, security guards, 82people were willing to check their physical health.

Report

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme took an initiative to start with a Project- "Symbol of Knowledge", which came in action from 14th April on occasion of Dr. Babasaheb Ambedkar Jayanti. Starting with its first webinar regarding Start-up & Entrepreneurship. Symbol of Knowledge is an activity which is initiated to have an intellectual session which will enhance an individual's knowledge.

The webinar started with warm greetings followed by speech of Program Officer Dr. Nana Shejwal sir, Principal Dr. D.S. Bormane sir, Treasurer Shri. Ajay Patil and Hon. Joint Secretary S.P. Shinde Sir. Then the anchor gave a brief description about the Guest of Honour/ Speaker Padmashree Dr. Milind Kamble.

Dr. Milind Kamble sir started gracing everyone with his knowledge and explained about start-ups and its benefits and about Dr. Babasaheb Ambedkar. Later on, he shared story about how Chatrapati Shahu Maharaj helped the people/students with the essential Hostel Facilities which till date are available. After this there was a Q&A and with that being done the session came to an end.

The Webinar was successfully concluded by extending the vote of thanks towards our Chief Guest, Principal and our Program Officer, the staff and the students for gracing the webinar.

Report

On the account of World Tobacco Day, AISSMS College of Engineering, NSS unit organized a poetry competition on the topic: Tobacco Addiction. For someone rightly said, “The only thing that tobacco brings along with it is a disease which later converts into death and despair for your loved one.”

The competition was open to all. No age and language preferred Marathi, Hindi and English. All the participants received a participation certificate. Top three winners received a shoutout at our official NSS Instagram handle. “Poetry is ordinary language raised to the nth power. Poetry is boned with ideas, nerved and blooded with emotions, all held together by the delicate, tough skin of words.” We were delighted to receive amazing and heart touching articles from the participants.

The competition served as a platform to help the audience write their heart out on a grave topic of tobacco addiction.
