Workshop

Title	: Engineers as Entrepreneurs
Invited Speaker	: Mr. Hasit Trivedi
Date	: June 12, 2020
Time	: 7:00 – 8:30 pm
Platform	: ZOOM meetings
Coordinators	: 1. Faculty Coordinator Mr. P M Warke 2. Student Coordinators 1. Ms. Dikshita Mehta (SE Chemical Engineering) 2. Ms. Shivani Ninal (SE Chemical Engineering)

On June 12, 2020, the AIChE Students' Chapter, Department of Chemical Engineering, AISSMS College of Engineering, Pune-1, organized a Workshop on the topic "Engineers as Entrepreneurs". Mr. Hasit Trivedi, the invited Speaker for the Workshop is the Founder Member of a consultancy in renewable energy 'ARENEC' Pune and an Associate with Applied Environmental Research Foundation (AERF). The Webinar was arranged and coordinated by the faculty coordinator Mr. P M Warke and student coordinators Ms. Shivani Ninal and Ms. Dikshita Mehta. The session started at 7:00 pm, which lasted for one and half hour. It had participation of around 20 students.

The session initiated with the introduction of the speaker Mr. Hasit Trivedi by Ms. Dikshita. Afterwards, Mr. Trivedi started with the Workshop in which he told about how engineers can become entrepreneurs. He first told the meaning of an entrepreneur in which he told how entrepreneurs are different from businessmen. Then, he gave his first activity to the participants to think and tell five qualities they have to become an entrepreneur and five things which will hold them back. Then, he explained the process of becoming an entrepreneur. Next, he gave his second activity in which he asked the participants what kind of attitude should one have to become an entrepreneur. The students gave answers such as patience, humbleness, dedication, hardwork and creativity. Next, he told how he had established his consultancy ARENEC and the struggle involved in setting it up. Lastly, he discussed the outlook of an Engineer as an Entrepreneur and ended by giving three 'mantras' to the aspiring entrepreneurs.

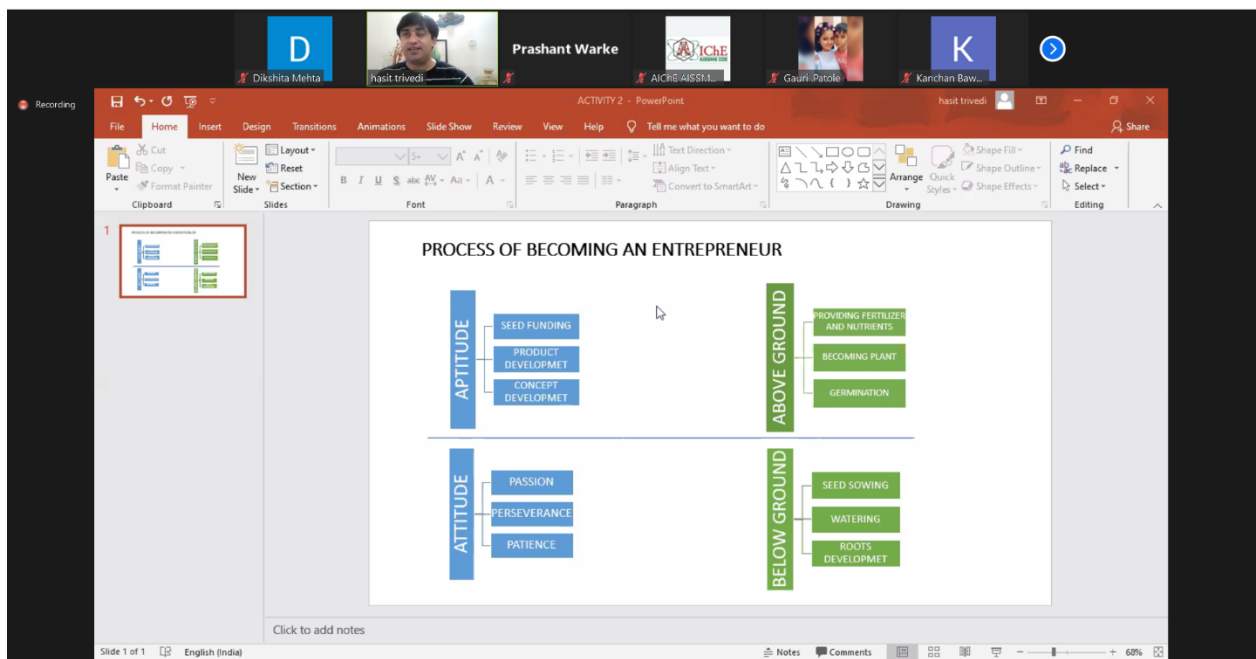

The students actively participated in both the activities, discussed well with Mr. Trivedi and got their doubts cleared.

The W/S ended with a vote of thanks by Ms. Dikshita to Mr. Hasit Trivedi. A special thanks was given to Mr. P M Warke for arranging this W/S and to all the participants for attending the same. The participants were asked to fill the feedback form at the end and E-certificates were also given to them after the Workshop.

Entrepreneurship Awareness Camp

The Institute has been provided with funding of Rs 60000/- to conduct three Entrepreneurship Awareness Camps under the DST NIMAT project. The DST, Govt of India helps Institutes to conduct such programs for creating awareness amongst Science and Technology students to promote entrepreneurship as third career option and improve the overall growth of society through Entrepreneurship. The budget for the program is 20000/- per EAC and the funding has been given to conduct these programs in offline mode.

The first Entrepreneurship Awareness Camp for the said funding has been completed from 25/07/2019 to 27/07/2019. The total number of participants who attended the program is 79. Various speakers from Industry have contributed to the said program. Few Entrepreneurs have also discussed their success stories with the participants.

The prime motive behind conducting this awareness camp was to motivate Engineering students to opt for Entrepreneurship as a career option in addition to commonly practiced options of Higher Studies and Placements. Also these programs helped student to understand various aspects of business and entrepreneurship to ensure a successful enterprise.
