PRINCIPAL'S MESSAGE

Dr. D. S. Bormane

I'm glad to signify that AISSMS College of Engineering has completed 29 grand years of its establishment. AISSMS COE as an outcome of academic excellence achieved, is consistently producing University gold medallists and top rankers in different branches of engineering. Faculty is actively involved in research and development. Institution has analytical, computational and experimental facilities. As we are growing, we have inclined our focus towards Research Field. We are going to concentrate more upon the Engineering Research activities and use those for students and society welfare.

The teaching program also gives emphasis on practical approach through industry-institute interaction. During Covid-19, we could run teaching-Learning process in an online mode. Practical through streaming and interacting with Alumni, Researcher, and domain specific experts successfully in a virtual platform. Institution organizes various Symposia, Workshops, Conferences and national level students' symposium and exposition 'AISSMS Engineering Today', Cultural Event like Shivanjali and Inter collegiate event named Ashwamedh every year which are a grand success. Institution has high participants in Sports as well as Cultural Activities. Also students actively work for different Technical teams under Society of Automotive Engineers (SAE), Hackathon, IEEE, Institution of Engineers etc. Students are also involved in Social cause under National Service Scheme, which arranges Blood donation Camp every year. Students are also involved in Magazine publication named SHIVDARPAN, which has been publishing finest and creative ideas. Also an event organized by them, named ARTRIVAL gets a huge response.

I am confident that the Institution is in a position to deliver the best theoretical and practical training to the students and offer the best talent to the employers. I wish all the best to the aspiring students, parents, employers and all other stake-holders in achieving their goals.
