Subject: Admission to the University

January 6th, 2022

Dear Mr Kulkarni,

Based on your application and the results of the award procedure, a slot is being offered to you for the Summer Term 2022, for the following course of studies:

Master Program **Informatik / Computer Science** **Semester: 1**

Deadline for Enrolment: April 01st, 2022

Please consider that you will have to do some administrative tasks here (enrolment at university, register at the city hall, foreign office, rent a flat, health insurance etc.). After your arrival, please prepare the following registration form and do the enrolment online:
<https://bewerbung1.uni-saarland.de/>

Should the registration not be submitted in time, or should the university reject the registration due to missing prerequisites needed for admission, the admission to our university becomes ineffective. Is the admission based upon false statements made by the applicant, it will be cancelled, and the slot will be offered to the next, best qualified applicant. If the admission is otherwise incorrect, it will be cancelled. Herewith we confirm that the program is wholly taught in English.

Yours sincerely,

Dear Valerie Gail,

Congratulations! It is with great pleasure that I offer you admission to the Computer Science, MS program for the Fall 2022 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., RIT ranks in the top 4 percent for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2022, which can be found on your Application Status page at join.rit.edu/account/login. After accepting our offer of admission, please pay the \$500.00 Advance Tuition Deposit by May 1, 2022. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, rit.edu/admissions/graduate/accepted-students, contact us at gradinfo@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your approved sender list.

Again, congratulations, I am thrilled to welcome you to RIT.

Sincerely,

Diane Ellison

Dear Mitil,

On behalf of the faculty in the Department of Electrical Engineering and Computer Science at Syracuse University, I am pleased to update you on the status of your application.

We have completed the review of your application for graduate studies.

1. You have been recommended for admission to the Master of Science in Computer Science program for Fall 2022. In recognition of your academic credentials, we are also recommending that you be awarded a merit scholarship. This award will provide you with a 20% discount on tuition for courses taken in the College of Engineering and Computer Science for the credit hours needed to complete your MS degree, provided your academic performance remains satisfactory.
2. You may still need to meet certain conditions before you can be formally admitted to the University. These will be communicated to you by the Syracuse University Graduate School in the official admission notification which will be sent to you in 7-10 business days. International students may be asked to provide financial documentation no later than May 15. Delays may affect visa processing.
3. Kindly note this deadline:
 Once the Intent to Register is received, students admitted for Fall 2022 should return it, along with the tuition deposit, no later than June 1 in order to matriculate. If you require an extension, please contact us.

Please note: Email all program questions to eecsadmissions@syr.edu. Include your 9-digit SU ID.

Please visit the Admitted Students Checklist. Many of your questions can be answered by visiting the Electrical Engineering and Computer Science Department Website. We also suggest you check our Frequently Asked Questions pages here: Newly Admitted Students FAQs as well as FAQs for Prospective Students.

After matriculation, activate your NetID and SU email. Read your SU email; check your junk/spam folder.

29 April 2022

Dear Neel Hemant

Congratulations! We are pleased to make you a **conditional offer** to study with Brunel University London from September 2022. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID:	2244032
Course Title:	MSc Structural Engineering
Department:	Department of Civil and Environmental Engineering
Mode of Study:	Full-Time
CAH3 code:	CAH10-01-07 (Civil Engineering)

Academic Level: Masters Degree
Registration Date: 12 September 2022
Teaching will begin on: 19 September 2022
End Date: 20 September 2023
Tuition Fees:

Based on the information you have provided on your application form you have been classed as an Overseas student for fees purposes. Tuition fees for 2022/3 will be £20,450. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation UKCISA's website. If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our Student Finance Policy on our website. Please click on the Student Finance Policy link relating to your year of entry.

Your course may carry additional course-related costs that you will be required to pay. Please read the 'Additional Costs' document to see if any additional costs apply to your chosen course.

Additional Costs:

Your Offer

Your offer is conditional on the following:

- Provide a copy of your official Undergraduate degree certificate confirming the qualification and final grade/score you were awarded, as detailed in your course application.
- Provide a deposit of £3000 or evidence of approved sponsorship or a scholarship at a value of £3000 (this does not include a scholarship awarded by Brunel University London). Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly and may be able to process your unconditional offer sooner. The deposit will be deducted from your tuition fees. Please consult the Admissions Policy (below) for full details of the refund policy if you subsequently do not join Brunel.

You must meet all of these conditions (and provide evidence of this to the Admissions Office) at least 2 months before your course Registration Date, which is listed at the top of this letter. Please upload all documentary evidence to your my Applications portal. If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note that if you require a Student visa to study in the UK, you must meet the conditions of your offer as soon as you possibly can. We can only issue a Confirmation of Acceptance for Studies (CAS) once you have an unconditional offer and it is important to receive this in good time to make the visa application before the start of your course. You may be required to defer your place if it is not possible for you to obtain a Student visa in time to start your course.

Students who require a Student Visa should be aware that being made an offer of study does not guarantee that Brunel University London will be able to sponsor you on a Student Visa. If we are not able to sponsor you on a Student Visa we will be able to refund any deposit paid in accordance with the Admissions Policy. Please consult the Admissions Policy (below) for further details.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- A scanned copy of your highest qualification: BEng in Civil - Savitribai Phule Pune University, India
- A scanned copy of your English Language qualification: BEng in Civil - Savitribai Phule Pune University, India
- Provide evidence of approved sponsorship or a scholarship, or pay at least 40% of the course fee for this

Master of Science in Construction and Project Management with Industrial Internship

I refer to your application for admission as a full-time postgraduate student to the Master of Science in Construction and Project Management with Industrial Internship. Your application has been considered by the selector and I am pleased to confirm that it will be possible to offer you a place commencing on Monday 19 September 2022 subject to you fulfilling the following condition(s):

Successful completion of your Bachelor degree with a CGPA of 6.0 or better on a scale of 10.0

Payment of a £400 non-refundable deposit by 30 April 2022. Please refer to the letter from Faculty explaining arrangements for payment of a deposit.

Please note that this offer of a place does not constitute an offer of financial support, i.e. money to fund your course. Information on possible sources of funding, e.g. awards and studentships, is available on the University's website at www.qub.ac.uk/Study/PostgraduateStudy/.

Tuition fees - your residence category for fees purposes is International. Your tuition fee for the Academic Year 2022/23 will be £18200. Please note that when an offer of a place becomes unconditional, we provide a facility for applicants to pay a deposit towards their tuition fee costs. Payment of a tuition fee deposit will normally be required before a Confirmation of Acceptance for Studies (CAS) can be issued for Visa purposes. A deposit payment can only be made when an applicant has satisfied all conditions of the offer. Further details of the deposit scheme and financial arrangements for international students are outlined in the Admissions and Access Service Guidance Notes.

Details of the admissions procedures, tuition fee payments, and support facilities for students together with useful contact details, are outlined in the Admissions and Access Service Guidance Notes. This information is also available at www.qub.ac.uk/new-students.

Replying to your offer of a place - It is essential that you let me know whether or not you wish to accept this offer, by replying online following the links through the postgraduate application portal at <http://go.qub.ac.uk/pgapply>.

In accepting this offer, it is important that you provide details of the above examination result(s) as soon as they are known to the Admissions and Access Service. You should upload official evidence of your result(s) to the 'My Applications' section of the portal at <http://go.qub.ac.uk/pgapply>. Once you have met the condition(s) of the offer, paid a deposit, replied through the portal above confirming that you wish to accept your original conditional offer of a place and provided details of your passport number and place of birth, you will be sent the necessary information for your visa application.

In the meantime, if you need any help or advice regarding your admission, please do not hesitate to contact the Admissions and Access Service.

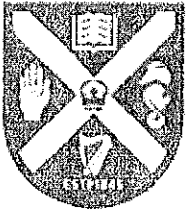

Yours sincerely

Dear Mr. Shantanu A. Sanas:

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Civil Engineering Master of Science program beginning Fall 2022. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2022 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at <https://gradengineering.columbia.edu/welcome> for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

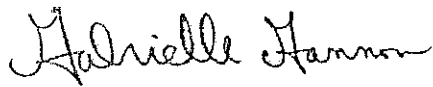

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2022 class, the Office of Graduate Student Affairs must receive your response and \$4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 2 weeks from the date of this letter. [Click here](#) to respond to the offer. This offer is applicable only to the Fall 2022 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

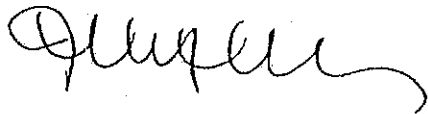

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: <https://www.gradengineering.columbia.edu/student-life/new-students>.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

ADMISSION LETTER

Dear Mr. Tejas Deepak Zavar

Welcome to International Institute of Management Studies (IIMS, Pune)!

Congratulations for making it to the list of entrants for our two years Full Time AICTE approved Post Graduate Diploma in Management PGDM dual specialization for the academic year 2021-23.

IIMS has been defined by students and faculty who endeavor to push the limits of knowledge, and share a commitment to uphold spirit of excellence. As a student you will engage in intellectual, cultural and scientific resources, and develop in professionally competent leader.

To ensure that you are offered the best possible start to your academic studies, and the wider student experience, we have developed an Online PreInduction that you are expected to attend from July 1, 2021 followed by two weeks of Induction Program. We hope that by the end of this program you have a new appreciation for the subject matter. Semester I will commence on August 1, 2021.

Students applying for Education Loan must attach Admission Letter along with Loan Letter while submitting to the bank.

Hotel facility is available on prior booking. Student interested in hostel accommodation are requested to fill up hostel accommodation form to avoid any inconvenience in room allocation.

PGDM Program involves experiential, simulations and case based learning. The Program is highly digitally driven, therefore, are required to have a laptop. However, Books, Uniform, Study Material etc. would be provided by the institute.

Student medical insurance is provided by the institute. For which basic health checkup is scheduled to be conducted during the second week of August 2021 at campus.

We hope that this will be one of the most rewarding and memorable years of your life. Once again, I congratulate you on being selected for admission to PGDM Program and look forward to welcoming you to our family!

Best Wishes.

Dear Vedant,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Civil Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2023 class before your deadline of Jun 1, 2023. To find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering and enrolling for any courses at NYU.

You also have access to your personalized dashboard at apply.engineering.nyu.edu/apply/status. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Vedant, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed

Nashik, Maharashtra 422004
India

Dear Omkar:

Congratulations! You have been accepted into the Master of Science in Management in Entrepreneurial Leadership Program at the F.W. Olin Graduate School of Business at Babson College. We are excited to welcome you to the Babson community in Fall 2022.

Additionally, we are pleased to offer you this scholarship:

- MSEL Family Entrepreneurship Scholarship in the amount of \$15,000.00

As a condition of your acceptance, you will be required to meet the requirements listed below by June 20, 2022. Please visit the Babson Bridge to verify the status of any outstanding requirements, or contact our Admission Office at 781-239-4317 or gradadmissions@babson.edu.

At Babson, our mission is to shape entrepreneurial leaders who create economic and social value everywhere. We will help you put energy behind your dreams and spring your plans for the future into action. Over the course of your program, you will meet friends who inspire you and mentors who motivate you. You will work with passionate faculty who are invested in your success, and find a sense of community that is unparalleled. In a time when innovation is paramount and the ability to gracefully embrace change is essential, our students will graduate with the ability to see opportunity and the confidence to take action.

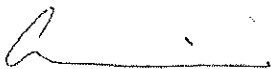

To secure your place at Babson, you must submit a **non-refundable** tuition deposit of \$1500 through the [Admitted Student Portal](#) by June 29, 2022. The deposit goes toward your first tuition payment and by submitting your non-refundable deposit you are officially enrolling at Babson College.

If your undergraduate degree was earned, or is expected, from an institution located outside of the United States, Canada, or the United Kingdom, you must supply a credential evaluation from an evaluation service. You are also required to submit any outstanding official test scores or transcripts by June 1, 2022.

Additional information is available through the [Admitted Student Portal](#). We encourage you to visit the portal often to find resources to assist you in making your transition to Babson. The Admissions team is ready to speak with you should you have any questions or concerns. Please contact us at gradadmissions@babson.edu.

Again, congratulations on your acceptance to Babson. We look forward to having you join the Master of Science in Management in Entrepreneurial Leadership class, and I look forward to personally welcoming you to Babson soon.

Sincerely,

Courtney Minden
Vice President of Enrollment Management, Dean of Admissions & Financial Aid

LETTER OF RECOMMENDATION

I highly recommend Sumedh Patil as a graduate school candidate. I have worked with Mr. Patil in my position as a Professor, Department of Mechanical Engineering, A.I.S.S.M.S College of Engineering, Pune.

I have known Sumedh for more than a year. I came to know him very well as a student enrolled in my Metrology and Quality Control as well as Manufacturing Process II course. He is an enthusiastic, energetic and is an exceptionally well-organized student. He is effective in his communications and demonstrates excellent quantitative and analytical skills. He possesses a natural leadership ability that is highly regarded by his peers. This is a quality that he demonstrates with respect and sensitivity toward serving his fellow classmates.

Mr. Patil is very confident in his abilities and is well-recognized by his peer group. Sumedh always comes to class prepared and is clearly far above his peers in understanding and appreciating the course material. He has a natural ability to apply course material to real life situations which are driven by his passion for studying engineering. I credit him for sharing his experiences in training and educating students regarding their development of professionalism skills. His ability to apply the lessons in the classroom with real-life situations is exemplary. This quality is a rare find in persons his age. He has successfully demonstrated (on multiple occasions) that he is quite capable of working entirely on his own in a self-directed manner or in a team environment. One of the occasions where he illustrated this quality was during the College technical event teaching Drones design and development for freshers. He did justice to his role in the project and showcased his knowledge regarding manufacturing field.

I am confident he has the skills, focus, and determination to successfully complete a master's degree while excelling in the field of study. Sumedh is a rare find. He is well-trained, disciplined, ambitious, and yet very receptive to new ideas. I believe he will make the world a better place by rolling up his sleeves and getting involved.

In closing, Mr. Patil would be a high recommendation without hesitation. He is a complete package of intellect and professionalism while possessing a server's heart. I strongly recommend Sumedh for the PG course. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

LETTER OF RECOMMENDATION

I highly recommend Sumedh Patil as a graduate school candidate. I have worked with Mr. Patil in my position as a Professor, Department of Mechanical Engineering, A.I.S.S.M.S College of Engineering, Pune.

I have known Sumedh for more than a year. I came to know him very well as a student enrolled in my Thermodynamics as well as in Refrigeration and air conditioning course. He is an enthusiastic, energetic and is an exceptionally well-organized student. He is effective in his communications and demonstrates excellent quantitative and analytical skills. He possesses a natural leadership ability that is highly regarded by his peers. This is a quality that he demonstrates with respect and sensitivity toward serving his fellow classmates.

Mr. Patil is very confident in his abilities and is well-recognized by his peer group. Sumedh always comes to class prepared and is clearly far above his peers in understanding and appreciating the course material. He has a natural ability to apply course material to real life situations which are driven by his passion for studying engineering. I credit him for sharing his experiences in training and educating students regarding their development of professionalism skills. His ability to apply the lessons in the classroom with real-life situations is exemplary. This quality is a rare find in persons his age. He has successfully demonstrated (on multiple occasions) that he is quite capable of working entirely on his own in a self-directed manner or in a team environment. One of the occasions where he illustrated this quality was during the College technical event teaching Drones design and development for freshers. He did justice to his role in the project and showcased his knowledge regarding manufacturing field.

In closing, Mr. Patil would be a high recommendation without hesitation. He is a complete package of intellect and professionalism while possessing a server's heart. I strongly recommend Sumedh for the PG course. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

RECOMMENDATION LETTER

Dear Sir/Madam,

I am very pleased to write about Mr. Om Sharad Todkari. I have known Om for a semester as an undergraduate student under Department of Mechanical Engineering at All India Shri Shivaji Memorial Society's College of Engineering (AISSMS COE), affiliated to Savitribai Phule Pune University. I had several opportunities to observe his academic caliber and overall personality throughout the semester. I had been his instructor for the subject called Design of Machine Elements-II and also had been a project guide for a project such as Design of a Two stage Gear Box.

He has come across as an intelligent student with clear ideas, one who spares no efforts to overcome even the hardest tasks. He always attempted to find innovative and novel approaches to problems and though not succeeding on every occasion, he developed a comprehensive and thorough understanding of subjects.

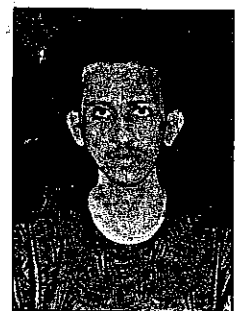

During the project development, he brings out his notions in a crisp and articulate style. He displays admirable leadership skills volunteering to lead his team and organizing the team's project tasks speedily and proficiently. His diligence and planning skills led them to the successful completion of the initial phase. He displayed his proficiency on tools/software like Autocad and Catia v5 during the project development. His clarity of thought, proposing varied solutions to the problems, lucid communication skills and ability to document our discussions stood out compared to his batch-mates.

As an individual, he is an exemplary model of hard work, sincerity and dedication. He tries to give his best in everything he does and is highly motivated. This has been the primary reason for him to success in all his extracurricular activities and social undertakings. He is eager to help people in need and has been contributing a lot towards the upliftment of the underprivileged.

Overall, Mr. Om is enthusiastic pursuer of knowledge. His qualities make him stand out from others. To draw a conclusion from all my experiences, I see him as a student driven by passion. Mr. Om faces all challenges incurred upon him with renewed verve and vigour. Once inspired, he finds little trouble translating her dreams into reality. Hence, I find him as an appropriate candidate for postgraduate studies in Aerospace Engineering, the field that excites him the most.

Yours Sincerely,

**NJIT ID: 31575868**

Dear Riya Santosh,

Congratulations! We are pleased to inform you that you have been accepted to the Master of Science in Mechanical Engineering at **New Jersey Institute of Technology** for the Spring 2022 semester. Welcome to the NJIT family!

We are eager to finalize your acceptance. As an international student, you will need an I-20 form before you can proceed with applying for a student visa. We recommend that you submit the documents listed below as early as possible, but no later than December 1, 2021.

Here are your next steps:

1. Submit the Application for I-20/DS-2019 Form and Affidavit of Support.

This form can be accessed at njit.edu/i20 and contains important information about the I-20 process. Other forms of affidavit cannot be submitted in lieu of this form.

2. Submit financial support documentation.

You must have available funding (sponsor(s) or yourself) to cover the cost of attendance for the first year of study. The expected amount is USD \$55,638 for graduate students. All financial documents must be dated after July 1, 2021.

3. Upload a copy of your passport (if not already submitted.)

You should upload scanned copies of all the requested documents above to your application status portal - connect.njit.edu/status. Make sure you upload each document to the corresponding checklist item in the portal.

We will review your documentation upon receipt. The I-20 form and formal acceptance letter will be issued and mailed to you provided the financial support documentation meets the requirements set above. Note that NJIT does not issue electronic I-20s. Once your acceptance packet containing your I-20 form is

prepared for shipment, your SEVIS ID and FedEx/DHL tracking number will be posted on your application status portal. Please allow two to three weeks from the time you uploaded all requested documents for your acceptance packet to be mailed.

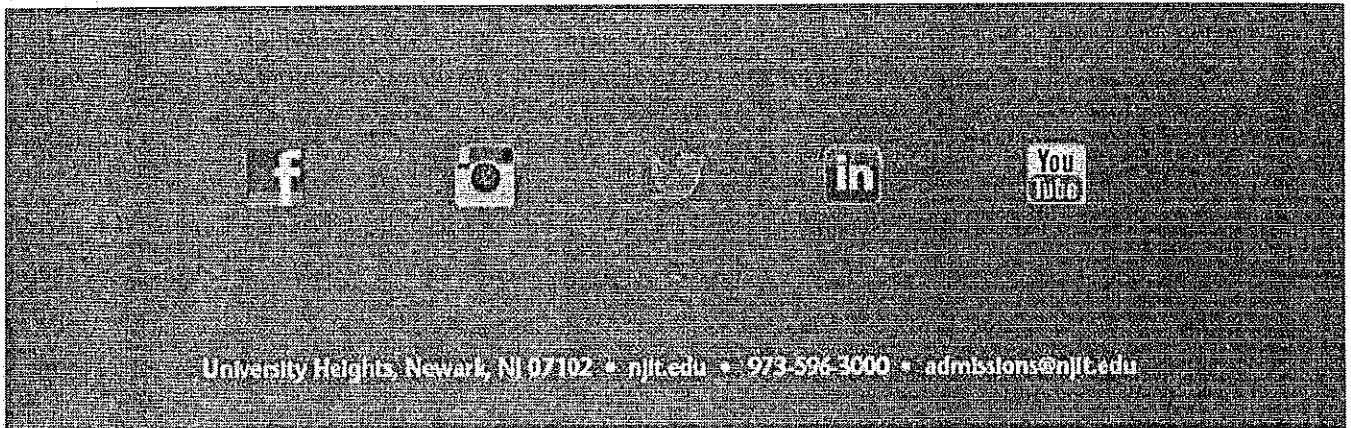

Please note that a tuition deposit is **NOT** required for I-20 issuance. The suggested deadline for submission of the tuition deposit to confirm your enrollment at NJIT is December 1, 2021.

If you have any questions, feel free to contact your admissions counselor Somil Mehta at somil.r.mehta@njit.edu or at +1 973-596-6349. For important announcements and updates, join our Spring 2022 Admitted International Student Facebook group. Please be sure to answer all three membership questions.

We look forward to finalizing your admission to NJIT!

Sincerely,

Office of University Admissions

Letter of Recommendation

Dear Sir/Madam,

It is with immense pleasure that I write this recommendation on behalf of Rutwik Patil, a student I taught the course 'Design of Machine Elements-II' in his sixth semester.

Over the course of the semester, I have observed Rutwik's unquenchable thirst for knowledge and his ability to remain attentive in class at all times. Due to this, his diligence and logical approach to problems, he procured an A+ grade in the subject and held an excellent rank in his class. Rutwik has a spectacular academic record. It is in these months that I could see up close just how dedicated Rutwik is to any task he takes up. He constantly pushed his limits, going as far as to work even while he was ill in order to meet his deadlines. He was consistently enthusiastic and contributed actively to the research even during the vacations. Even when there was something he didn't understand, Rutwik would go the extra mile to understand the concept and come up with a solution to the problem. During the time I taught him we carried out numerous research related discussions in which he talked about his aspirations towards taking higher education. He also completed a mini project of Two stage gearbox for windmill operation under my guidance during which he also gained experience in numerous simple concepts that are highly valuable for the future generation.

He has been a dedicated student, an enthusiastic worker, a motivated leader and humble person. He is a perfectionist who doesn't rest until his responsibilities are dealt with. In all ways, Rutwik Patil has been an asset to AISSMS COE, and I can vouch for the fact that he will prove to be one for your University too. Therefore, Rutwik has my highest endorsement for admission into his/her desired course at your University.

Yours sincerely,

Recommendation Letter

Dear Sir/Madam,

It is my pleasure to write this letter of recommendation on behalf of Mr. Rutwik Rajendra Patil, for the Master's program at your esteemed university. He has pursued the course *Design of Machine Elements-I* under my supervision and hence, I consider myself to be pivotally placed to judge his aptitude and calibre. During this time, I have interacted with Rutwik on an academic and personal level. What struck me instantly was his commitment to his work and his desire to achieve excellence in whatever he undertakes.

His alertness in the classroom, and his involvement in design project were indicative of his abiding interest in the subject. He has always submitted his assignments and project reports well before deadlines and he is well focused with a keen interest in the practical application of the subject. His habit of relating everything taught in class with the everyday applications has strengthened his base.

Other than the stipulated work in class, Rutwik has taken up several other initiatives and excelled in them. He has completed his final year project under my supervision, titled *Comparative Performance Analysis of Backward Curved Impeller and Forward Curved Impeller of Centrifugal Blower*, in which he has demonstrated his thorough subject knowledge, his commitment to his work and his desire to achieve excellence.

I believe that Rutwik's strong hold on the subjects, taught during his time, will hold him well in his stride. He has spoken to me in detail about his plans to pursue Masters in Science in your university. He will do well and will blend well into the new environment. Hence, I strongly recommend him for admission into your university.

Regards,

Dear Mr. Ashish Bhalchandra Patil:

Congratulations! It is my pleasure to offer you provisional admission to Clemson University's Graduate School for the MS program in Industrial Engineering for Fall 2022.

Our records indicate that we do not have official documentation confirming that you have received your degree(s). You must provide the Graduate School with final official transcripts for your bachelor's and any subsequent degrees. They must state the degree earned and date awarded. Additionally, for students enrolled at institutions outside of the United States, an official copy of a diploma or a degree certificate issued by the institution and showing receipt of all degrees and dates awarded may be needed, if not stated directly on the final official transcript. Please note that this provisional acceptance does not hinder you from registering for classes. However, your official documentation must be provided to the Graduate School before the end of your first semester of graduate study. A registration hold is placed on students who have not submitted all final-official transcripts.

We are very much interested in learning whether you plan to accept our offer of admission, so please indicate your decision to accept or decline our offer as soon as possible. You may do this through the application portal by clicking the "Complete Your Decision Form" button.

Specific questions regarding assistantships or fellowships, registration, and prerequisites should be directed to faculty and staff in the program. Please note that some graduate programs have academic or professional requirements or prerequisites. It is your responsibility to understand the requirements of the degree program as described in the graduate program handbook and to consult with the department if necessary to verify satisfaction of those requirements. Contact information for representatives of all graduate programs is available at:
<http://www.clemson.edu/graduate/academics/program-contacts.html>

Enrollment at Clemson University is contingent upon verification of your lawful presence in the United States, pursuant to South Carolina Code of Laws, Section 59-101-430.

In addition, please visit: <http://www.clemson.edu/graduate/students/new-student-to-do.html>. This website contains pertinent information to assist you as you make preparations to begin your graduate studies at Clemson University.

Again, congratulations on your admission. We look forward to welcoming you as a member of Clemson's community of scholars.

Sincerely,

International Student Tuition and Fees 2021-2022

TUITION AND FEES: Updated Cape Breton University (CBU) tuition and fees can be found on our website at: www.cbu.ca/tuition. Please note that these numbers are an **estimate** based on the 2021-2022 tuition and fees. We cannot provide updated tuition numbers for future terms; however, rates are subject to annual review and are subject to change without notice.

PRE-PAYMENT: All payments will be credited directly to the student's account at CBU and the funds will be applied to their tuition and fees as incurred.

PAYMENT OPTIONS: Payments **must** be made through the CIBC International Student Pay system accessed at: <https://www.cbu.ca/future-students/tuition-fees/payment-options/>.

REFUND POLICY: CBU has recently updated its refund policy and it must be noted:

- 100% of a student's deposit will be returned in the case their study visa is not granted and they were not enrolled in any courses (appropriate documentation is required from the student). Please email internationalaccounts@cbu.ca to **make this request**. CBU reserves the right to contact IRCC to verify the status of a visa and/or study permit application and/or to verify the contents of a refusal letter.
- For fully accepted students arriving to CBU with a valid study permit, should you choose to withdraw from those courses, 100% of your tuition deposit is classified as non-refundable and non-transferable. Tuition deposits will automatically withheld/forfeited to CBU. Please notify internationalaccounts@cbu.ca **if you plan to withdraw from classes to ensure you are not charged additional fees.**
- For fully accepted students who enrol in courses without final visa approval (Approval in Principle), should your visa application be refused and you choose to withdraw after courses begin, refunds will be pro-rated based on the duration of study, and appropriate documentation will be requested from the student to verify visa refusal. The unused portion of your tuition deposit will be returned.
- Any student who enrolls in courses and then chooses to defer to a later semester is responsible for ensuring all registered courses are dropped and medical plan opt outs are completed before the deadline. Students will not be reimbursed for courses that they enrolled in after the deadline passes to drop those courses.

Please refer to the following link for the most recent information on important payment deadlines and tuition policies: <https://www.cbu.ca/future-students/tuition-fees/payment-deadlines/>.

The tuition and fees listed below are in Canadian (CAD) dollars and are an estimate of international student tuition and other related fees for a full-time student. As a part of your study permit application process, you may be required to make a deposit of your first year's fees which equal to the subtotal of the below three amounts.

Estimated Tuition 2021/22
Post-Baccalaureate Diploma in Supply Chain Management program
Tuition (based on 8 courses for Fall/Winter 2021/22): \$9,128CAD* International Differential: \$6,824CAD** International Medical Plan (mandatory): \$744CAD***

*Tuition does not include costs for books or supplies.

**Permanent Residents of Canada: Students registering as Permanent Residents of Canada will be charged International Differential Fees unless documentation verification has been provided to Cape Breton University. International Differential fees are mandatory for all international students.

***Our international medical and dental plan is mandatory for all students. Dependent and family coverage options are available upon request.

PRE-ARRIVAL CHECKLIST

YOUR EDUCATIONAL JOURNEY AT CAPE BRETON UNIVERSITY IS ABOUT TO BEGIN. HERE ARE SOME TIPS TO SET YOU UP FOR SUCCESS FROM DAY ONE.

Watch for your CBU Email information - You will receive an email from IT Services (helpdesk@cbu.ca) several days after your acceptance, outlining your new CBU email information. As soon as you receive this information, it's very important that you log in and check this email frequently. All future communication from CBU will be sent to your CBU email address and not to the email you used to apply.

Log into your COMPASS Account - Use your CBU email credentials received from IT Services to log in into your COMPASS student account to become familiar with the self-serve options and other features that will help you during your time at CBU.

Download your proof of payment - Your proof of payment will be available for download through your COMPASS student account within 5-7 business days approximately after your payment is made. Check out the [How-To CBU YouTube series](#) for helpful videos.

Apply for your VISA - Now that you have all of the required documents from CBU, apply for your visa. For more information on this process, [click here](#).

Book Your Advising Appointment - As a new student to CBU, it's mandatory you book an advising appointment. The team at the first year advising centre (FYAC) will help you define your academic goals, create a schedule that works for you, register your classes and everything else that's needed in order to prepare for university. To learn more and to book your appointment, visit cbu.ca/advising.

Register for courses - Once you've been advised, you can register for your courses. Browse the COMPASS student system and watch the [How-to-CBU YouTube series](#) to ensure your registration goes as planned. Once advised, we encourage you to register as soon as possible, as courses are limited.

General Rules and Regulations of the Institute

Institute for Advanced Computing and Software Development (IACSD) is the outcome of the visionary mission of Dr. D. Y. Patil (Founder President) of Dr. D. Y. Patil Pratishthan. The mission is to educate and train graduates to play an effective role in the IT industry as professionals of global excellence embedded in a sound ethical base. IACSD is an Authorized Training Centre (ATC) of C DAC and conducts C DAC's prestigious PG-Diploma in Advanced Computing (PG-DAC), PG-Diploma in Big Data Analytics (PG-DBDA) and PG-Diploma in IT Infrastructure, Systems and Security (PG-DITISS) courses. With a keen desire to provide training of global standards, excellent infrastructural facilities have been created in terms of Classroom, Laboratory and Library etc. The students are given advanced training by highly qualified and motivated faculty and instructors. Students are expected to be prepared to work for 13-14 hours a day without any holidays. Apart from the sound technical knowledge our students are exposed to personality development seminars. Our endeavors are to develop the total personality of our student as IT professionals. In order to achieve this objective, it is required that every student, during the term of course, conducts himself/herself properly in a manner befitting a potential IT professional.

The rules and regulations of the institute are listed below and must be adhered to during the duration of the course.

1. Attendance is mandatory for all the activities conducted by the institute including, and not limited to, online theory classes, lab sessions, mock tests, personality development sessions etc. Failing to comply with this is likely to result in debarring such students from attending subsequent modules. The institute reserves the right to charge fine from absent students.
2. Students are required to submit all assignments and projects in a timely manner. If the progress of a student is deemed unsatisfactory, he/she will not be allowed to appear for examination/placement
3. Students are expected to use laundered, clean dress. The institute observes a formal dress code from Monday to Friday. Girls are required to dress in salwar suit/punjabi dress with dupatta. Boys are required to wear full pants, shirt. Boys are required to wear a tie on Monday and all seminar days as well. Casual Wear (T-Shirt, Jeans) is allowed on Saturday and Sunday only.
4. Strict discipline must be observed while attending the online classes. Students must ensure that they do not bring any disrepute to the institute or to any person connected with the institute consciously or unconsciously. Any act of the student contrary to this shall constitute misconduct and be subject to disciplinary action as deemed fit by the institute.
5. The participants will be "muted" for voice hearing during the theory and lab online sessions but will be able to provide questions via the "chat" mechanism or get permission for unmute yourself on the online meeting software.
6. Do not close your session or logout during any session, you can log out after the session finishes
7. Wait for your turn in a live setting, so you can see who has a question? Or when a presenter/trainer is ready for an interruption? In the online session, especially when not everyone is on webcam, you may need to rely on cues such as hand-raising icons or questions posted in chats
8. Ask questions concisely. Online sessions are focused, be sure your questions are, too
9. Eatables are not allowed in online classroom and online lab sessions
10. The authorized medium of communication with the students of institute is through e-mail and any oral communication from the staff of IACSD. Students are required to check emails regularly and act

Dr. D.Y. Patil Pratishthan's
Institute for Advanced Computing and Software Development (IACSD)
Akurdi, Pune

11. No student shall use unfair means in any test, examination, oral exams, project work arranged by the institute. "Unfair means" include transcribing unauthorized material, violence and intimidation of students, supervisory staff and staff appointed to conduct the examination work. Any student found guilty of such acts will be expelled from the examination and further action as deemed fit shall be initiated to deal with this misconduct.

12. A Student will not be allowed to participate in the recruitment process unless he/she has paid all the dues and completed his/her assigned preparatory work.

13. Course fees & other fees once paid shall not be refunded on any account subject to C-DAC ACTS policy on this. If a student is expelled or debarred from the Institute or if his/her name is struck off from the muster roll then any amount paid by the student in any form to the Institute/C-DAC ACTS will stand forfeited.

14. The Executive Director reserves the right to strike off the name of any student from the roll for non-payment of the course/other dues in time.

15. Any legal dispute between the institute and a student or his/her parent or guardian, arising out of the relation established by admission, will be dealt with in the court of C.J.J.D Pune Maharashtra. (Pune Jurisdiction)

16. Students are required to comply with all rules & regulation framed by the Institute from time to time. Any violation of the rules or act of indiscipline on the part of the student shall result in disciplinary action leading to dismissal from the institute.

17. The management of the institute reserves the right to amend the rules and regulation as and when deemed necessary.

A centralized placement for all PG-DAC, PG-DBDA and PG-DITISS students from the Pune region is conducted by C-DAC in association with ATC's after completion of the course. In order to be eligible for placement, a student must pass in lab and theory exams for each subject and must submit his/her project on or before the due date. IACSD assures to provide each student with the best possible training and support during the duration of the course. However, final placements are dependent upon the performance of the student in all subjects including aptitude and business communication. The institute also reserves the right Not to permit any student from participating in placement activities if he/she violates any rules of the institute or engages in any acts of indiscipline.

Letter of Recommendation

To whom it may concern

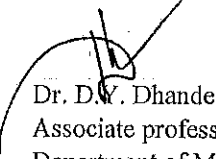

I, Dr. D.Y.Dhande, Associate Professor in Mechanical Engineering Department at All India Shri Shivaji College of Engineering, Pune, hereby completely substantiate the candidature of Vinay Gawade in applying for admission to the Master's program at your prestigious institute of learning.

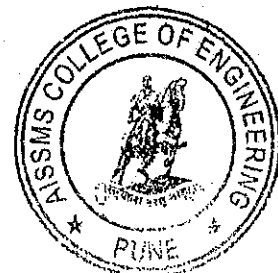

My assessment of Vinay is inclined to assist the evaluation process and thus comprises of vital information relevant to his academic term under my guidance. During his Bachelor's Program, I was his project mentor in the 6th and 7th semester, respectively, where he gained an industrial experience while working as a Trainee Engineer in Bharat Forge Ltd, Pune. He showed an excellent intellectual creativity to accomplish a complex task of "Tool Costing and Productivity Improvements" wherein he worked on different methodologies to increase the tool life, conducting tooling trials of various tooling companies. In this project, working with his team he has acquired a good knowledge of design and analysis of drawing. Apart from that, he worked on projects such as Demonstration of Tools, CNC machines, VMC Machines. I must say that this was one of the best projects I have ever undertaken and most importantly this project is helping a lot of students nowadays as well. He would often come to me for guidance during the development of these applications. I felt proud as a teacher to see my student practically implementing his classroom learnings.

Being a Mechanical Engineering student, he is highly motivated and eager to grab knowledge and is always on the lookout to learn something new. His learning interest is revealed by his involvement in the latest technologies. He possesses very good mathematical and analytical skills which was evident during his work on Process Optimization on Tooling Prices in his project. He could grasp the concepts very easily and also has a great zeal for higher academics.

I've also seen Vinay as an ambitious leader and a terrific team player. In team tasks, this student has always emerged as a team leader because of his sincerity and overall multi-faceted personality. During the project, his team used a very feasible approach and introduced new creative tools having low costs, were comparatively more accurate in its geometry, more beneficial than the previous tools, reducing the wastage of tools and minimizing the tool changing ratio. In addition to this, he directly interacted with customers from various companies for gathering technical requirements and providing the required solutions in a timely manner. His smart work and creativity made him stand out from other students and has always made him shine. He can complete the tasks assigned to him with minimum guidance, making him an intellectually independent person.

Hence, I strongly recommend him to be considered as the potential candidate for admission to the master's program at your esteemed university. I am sure that he will meet the requirements of your stringent selection process and make your institution proud. I wholeheartedly recommend him and wish him the very best in all future endeavors.

LETTER OF RECOMMENDATION

To whom it may concern

I, Dr. Avinash Waghmare, Professor in Mechanical Engineering Department at All India Shri Shivaji College of Engineering, Pune, hereby completely substantiate the candidature of Mr. Vinay Arjun Gawade in applying for admission to the Master's program at your prestige institute of learning.

I have known him very well for the past Four years. As a student, he is extremely dedicated and diligent. All through the years of his graduation and thereafter he has been sincere and a hardworking student. I have been his mentor and have taught him subjects like Hydraulics and Pneumatics during his undergraduate studies. I have noticed his strong penchant for learning and applying things, especially during the lab sessions where there are a lot of opportunities to try out various (many anyone used) a technique has been utilized in the best way possible.

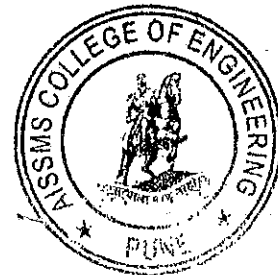

He is a devoted student in the class and has always showed great interest in the subject and obtains a good recognition from the entire department. He has a very good understanding of (fundamentals/basics) of Mechanical Engineering since he completed his Diploma in the same, which has helped his further skills every semester. I strongly believe his remarkable ability to apply fundamentals in practical situations and a keen desire to keep abreast with the latest developments.

Vinay is equally competitive when it comes to other extracurricular activities. He has been able to develop a good rapport with all his peers which has helped him organize various Technical lectures and Seminars. His ability to organize and actively participate in the intercollege events like seminars, online designing contests, workshops shows his ability to excel in those fields. Also, he is exceptionally good at dealing skillfully with people in various positions.

On a personal level, he is gregarious nature and has a pleasant disposition which makes him easy to approach and communicate, which explains the cordial relationship he shares with his lectures and peers. Given all these attributes, I have no hesitation in recommending Vinay Gawade for admission in the Master's Program at your conveted university with the requisite financial assistance.

**Zulassungsbescheid Power Engineering Masterstudium [Master of Science]
Wintersemester 2022/23, Einstiegssemester 1**

Sehr geehrter Herr Prathmesh Satish Choudhary,

wir freuen uns, dass wir Sie für den oben genannten Studienplatz zulassen können. Als nächsten Schritt möchten wir Sie bitten, Ihren Studienplatz in Ihrem TUMonline Bewerberkonto anzunehmen. Die Studienplatzannahme ist Voraussetzung für die Einschreibung (Immatrikulation) an der Technischen Universität München.

Sofern Ihre Unterlagen (siehe Dokumentencheckliste) noch nicht vollständig sind, bitten wir Sie, diese baldmöglichst an das Immatrikulationsamt zu schicken.

Ferner bitten wir Sie die Zahlung von Beiträgen und/oder Gebühren zu tätigen. Wichtige Informationen zu den Überweisungsformalitäten, dem Verwendungszweck und der Höhe der Beiträge/Gebühren finden Sie nach der Annahme des Studienplatzes auf Ihrer Statusseite im Bewerberkonto unter dem Menüpunkt Einschreibung. Wir weisen darauf hin, dass diese Zahlung sich ausschließlich auf die Aufnahme des beantragten Studiums im Wintersemester 2022/23 bezieht.

Sobald Sie Ihren Studienplatz angenommen haben und Ihre Unterlagen sowie Ihre Zahlung vollständig und fristgerecht bei uns eingegangen sind, werden wir Sie endgültig immatrikulieren und Ihnen schnellstmöglich Ihre Studienpapiere zur Verfügung stellen. Bitte beachten Sie, dass Sie für die Anmeldung zu Lehrveranstaltungen immatrikuliert sein müssen.

Das Wintersemester 2022/23 beginnt am 1. Oktober 2022 und endet am 31. März 2023. Die Vorlesungen finden vom 17. Oktober 2022 bis zum 10. Februar 2023 statt.

Für Ihr Studium an der Technischen Universität München wünschen wir Ihnen viel Erfolg!

Mit freundlichen Grüßen

	<p><u>Master of Business Administration (Marketing Management)</u> In this course only Marketing specialisation will be available. It covers subject like Brand Management, Consumer Behaviour, Sales & Distributions, Digital Marketing and Social Media, Market Research, Business Marketing, Strategy, Integrated Marketing Communications, Rural Marketing etc</p>	Yes	No

Head of Department
Production Engineering
AISSMS COE, PUNE I

Note: -

(i) The status of all the courses are same. For example, if company 'A' visits us for recruitment of a fresher (means those who don't have prior work experience) and select one student from Marketing, one from PM & HRD, one from Telecom, one from Finance and one from International Business, the salary offered by the company is same for all the selected students. However, it may be different in case of those with relevant work experience in the domain of management area such as Marketing, Finance, HR and so on in a company.

(ii) Since we offer 'Centralized Campus Placement' for BIMM/BITM/BIIB/BIMHRD, sizeable number of talent pool in various disciplines of management science is available in all specialisations, at one point, from all the four management constituent institutes of Sri Balaji University, Pune (SBUP). Hence large number of companies from all over India visit us for national level Talent hunt/Campus Placements.

(iii) Approximately 20000 Plus Alumni from BIMM/BITM/BIIB/BIMHRD are successfully pursuing Corporate Careers globally.

4. Your admission is based purely on merit. The MBA programmes offered by the constituent institutes of Sri Balaji University, Pune(SBUP) are specially designed to impart and inculcate the right 'Attitude, Skill and Knowledge' required by the industry for efficient performance in your corporate career.

5. We may inform you that the course in question has received extension of approval by All India Council for Technical Education (AICTE), Ministry of HRD and Govt. of India for the academic year 2020-21. (Refer Appendix 'C'). The approval process for the current academic year i.e. 2021-22 is completed and letter is awaited.

By law, all students are obliged to present a **valid health insurance for enrollment** to one of the statutory health insurance providers in Germany. **Without this step, enrollment is not possible.** This process is conducted electronically:

2

1. Contact any German statutory health insurance provider and inform them about your prospective enrollment at Hof University. **This is a requirement by law, even if you have a private health insurance.** List of statutory health insurance providers: <https://www.krankenkassen.de/gesetzliche-krankenkassen/krankenkassen-liste/>
2. Obtain a valid certificate from your insurance or take out a health insurance and submit the certificate to the statutory health insurance provider.
3. The statutory health insurance provider informs Hof University about your insurance status. Without this information, you will NOT be enrolled (and will not receive your student access data)! **Please do NOT send your insurance certificate/information to Hof University directly as this can NOT be accepted!**

Information for international students only:

Prior to the semester start, there will be a **(partly online) mandatory orientation period starting March 3, 2022**. During this period, we offer assistance in administrative German bureaucracy and University procedures as well as **mandatory Intercultural Trainings** (free of charge).

Further, our Housing Office supports international students in finding accommodation in the city of Hof or Münchberg upon request. Accommodation offers are only available to students following the housing application process and are based on capacities. **In case you need a visa, we ask you to start the application and book your appointment at the embassy immediately. Please be aware that delayed visa application may postpone your studies to the next semester!**

For more information about the Orientation Period, housing application, visa, health insurance process etc. please **download the welcome information letter** in the application portal PRIMUSS, read it thoroughly and follow all steps as instructed for a smooth start at Hof University!

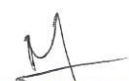

All students (German and international) will have an introduction session with the head of the study program during the orientation period. Participation is mandatory. You will be informed about time and location via email.

Academic Calendar for Summer Term 2022:

Program	From	To
Mandatory Orientation Period (only international students)	March 3, 2022	March 14, 2022
Lectures	March 15, 2022	July 8, 2022
Examinations	July 9, 2022	July 29, 2022

Please note that due to data protection laws the University will not communicate with third parties (agencies, family etc.) on admitted students' behalf.

Head of Department
Production Engineering
AISSMS COE, PUNE 1 164

The **official enrolment** for the Master's program will be conducted online **before March 14, 2022**, once the fee has been payed and all required documents have been submitted. You will be informed about the further process in the guide for international students available for download in PRIMUSS.

Dear Krushna Balasaheb,

Congratulations! We are writing to let you know that we've made you a **Conditional** offer to study Full-Time at Oxford Brookes University, on the programme detailed below.

Course: **MSc Finance** , Oxford Brookes (Oxford Campus)
Term of Entry: **Spring 2022 (January-May Entry)**
Tuition Fees: **The tuition fee for the first academic year of your programme (where the course duration is less than one academic year this will be for the whole course) will be £15900**

Conditions of Entry:

Submission of a new Personal Statement explaining your interest in studying MSc Finance at Oxford Brookes University.

- Status: Not Received

Submission of Additional Reference Letter(s) signed and dated on headed paper.

- Status: Not Received

You will need to pay a deposit of £8000 (or provide evidence of Oxford Brookes University approved sponsorship) to confirm your place. Please visit our website at <https://www.brookes.ac.uk/international/applying-to-arriving/accepting-your-offer/pay-your-deposit/> for information

- Status: Not Received

Your place at Oxford Brookes is subject to our [terms and conditions](#). Please read these before accepting our offer, as they contain important information about how your time as a student will be managed and arranged.

We recommend double-checking the course description before you accept any offer as changes may have been made since you made your application. You can read full details for all programmes by searching the course listings on our website.

You can accept or decline the offer in your applicant portal. Please note that if your offer contains a condition of a deposit, in order to confirm your place you must also pay this deposit (unless your fees are being paid by an Oxford Brookes University approved sponsor).

You will also be able to upload evidence of meeting the conditions detailed above in the portal.

As an international student, don't forget to visit our Applying to Arriving web pages to help you through the next steps now you've received your offer:
<https://www.brookes.ac.uk/international/applying-to-arriving/>

Find out more about student life at Oxford Brookes at one of our events. We run Open Days and campus tours throughout the year: <https://www.brookes.ac.uk/studying-at-brookes/contact-and-meet-us/>

Semester Dates

You can find details of upcoming semester dates at www.brookes.ac.uk/students/semester-dates/

Updating your details

So that you don't miss out on any important communications from us, please let us know if your contact details change. You can use the applicant portal to update your postal or email address.

Disability and Wellbeing support

Our Inclusive Support Service can provide you with advice and information if you have a disability and/or a long-term health condition. Early awareness by making a self-referral to this service allows the University to understand your needs and identify the support we can offer, and for you to consider this before enrolling. We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a "reasonable adjustment" may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

If you have a disability, dyslexia, or long-term physical or mental health condition not previously mentioned in your application, we would encourage you to let us know so that relevant advice may be provided. Please note that we will share this information only with colleagues in our Wellbeing services team and it does not affect the decision to offer you a place.

Visa

If you are an international student you may need to obtain a visa to study in the UK before you can commence your studies with us. More guidance about visa requirements can be found on our [website](#).

Before you can apply for a visa, we have to issue you with a Confirmation of Acceptance for Studies (CAS). Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. Your CAS will be issued by our International Students Compliance Team who will contact you after you hold an Unconditional Firm Offer. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

Please start to prepare the documents you will need for your visa application as early as possible. Our International Student Advice Team (ISAT) can advise you - please see their [website](#) for information.

How to get in touch

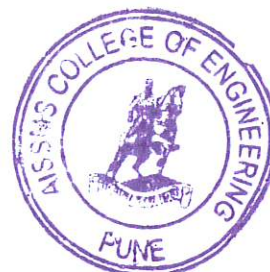

Please don't hesitate to get in touch, either to update us on changes in circumstances or with any questions about your application or studying at Oxford Brookes. Email us at admissions@brookes.ac.uk or call us on +44 (0) 345 350 3699.

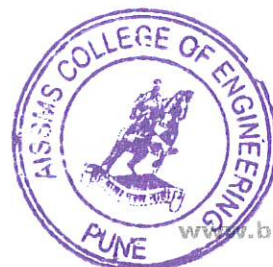

I look forward to hearing from you.

Yours sincerely,

Emrys Hughes
Admissions Officer
Oxford Brookes University

Additional Information:

Oxford Brookes University English courses

If your offer is conditional on improving an IELTS score, you may be interested in the University English courses run by Oxford Brookes International. Passing the relevant University English course is another way to meet the English language requirement. Even if your offer is not conditional on an English language test, the courses are also a good way to improve English proficiency as preparation for your degree studies.

Finance and Scholarships

You can pay your fees in full at the start of the course or in equal instalments at the start of each semester/term. You can find details of how to pay fees and more information about possible sources of funding at www.brookes.ac.uk/studying-at-brookes/finance/

Deposits – only applicable if a deposit is listed as a condition in the letter above

Deposits paid will be refunded at the discretion of the University and upon request if you are unable to enrol on your programme and you have notified us within the right to cancel period stated in the terms and conditions of enrolment.

We will not refund your deposit if the reason you are unable to enrol is because we have evidence that:

- a) you have supplied false or misleading information relating to your application; and/or
- b) you have obtained any qualification or status by fraud

Under these circumstances, you may be unable to enrol because we have withdrawn your offer of a place or because your application for a visa has been rejected due to fraud.

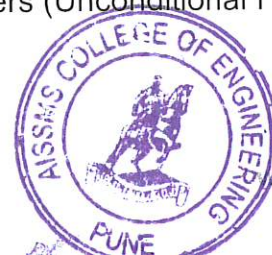

Please note that in all circumstances, a fee of £100 will be applied to cover the administration of the cancellation and refund.

To request a refund, you will need to contact the Admissions Office and may need to provide documentary evidence in support of your request. In normal circumstances, the University will process refunds within 14 days of receipt of a complete refund request.

Student visas - only applicable for those requiring a Student Visa to study in the UK

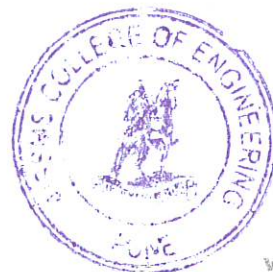

In order to apply for your visa you will need to hold a confirmed unconditional offer. After this, you will then need a *Certificate of Acceptance of Studies (CAS)* - which we will issue to you once your offer is unconditional.

To be issued a CAS, or to confirm an immigration status authorising you do not need one, we will ask you to complete a *Visa Information Form*. The Visa Information Form will be sent to applicants holding unconditional accepted offers (Unconditional Firm (UF)) with us.

You can get more information on visas from our International Student Advisory Team:
www.brookes.ac.uk/students/isat/

For January and September on-campus courses, we expect students to attend an Induction and Enrolment week. We will send you specific guidance for your programme nearer to the time, and information will be available on <https://www.brookes.ac.uk/new-students/> from August for September Entry, and during early January for January Entry.

NAME: Chirag Manoj Chanchlani
DATE OF BIRTH: 2/28/1998

Dear Mr. Chirag Manoj Chanchlani:

On behalf of the Faculty of Graduate Studies, I am pleased to offer you admission to the Department of Chemical & Petroleum Engineering leading to the degree of Master of Engineering (M.Eng.) course-based program, with a specialization in Chemical Engineering, for the session beginning August 30, 2021 as a full-time student.

Your University of Calgary student identification number is UCID# 30160696. The expected time of study for the MEng course-based program is two years. You will have a maximum of six years from your program start date to complete all the degree requirements.

This is your official letter of acceptance to be used as part of your study permit application. We recommend attaching a screenshot of the page on your online student centre that shows that you have no further conditions to meet for your admission to the University. This can be found under "Admissions">"My Applications" and click on "status". In addition, please print out the tuition information from the official UCalgary Academic Calendar and attach it to your letter of acceptance: <https://www.ucalgary.ca/pubs/calendar/grad/current/qs-tuition-fees.html>

We understand that choosing a graduate program is a significant decision, and want to provide you with the information you need to make this choice.

Please note that there is no funding offered for this program.

Please let us know by April 8, 2021 whether you will accept or decline our offer of admission by logging into your Student Centre and selecting the 'Accept/Decline' link under the "My Application" section. (Please note that this can take up to 3 business days to be available).

IMPORTANT INFORMATION

Refer to www.lambtoncollege.ca/International for arrival, orientation, refund and withdrawal information.

This acceptance is for Lambton College in Toronto (www.lambtoncollege.ca/toronto). By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Toronto Applicants PDF. If you did not receive this document you must contact international@lambtoncollege.ca before remitting payment. Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review https://www.lambtoncollege.ca/Programs/International/Lambton_in_Toronto/Co-op_Career_Services/

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Academic scheduling in certain programs may include Saturday classes.

Students must follow their prescribed program map and academic schedule. Students are required to withdraw if their prescribed program map and/or academic schedule is not followed. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of \$600.

Please contact international@lambtoncollege.ca if you require this document in an accessible format.
