Dear Ms Amparwar,

Application number: 229465172

Further to your recent application, I am pleased to make you an Unconditional Academic offer of a place on the MSc International Human Resource Management programme as you have met all of the academic conditions. Please note that you are still required to meet a number of non-academic conditions and a place is not guaranteed until all of these conditions have been fulfilled. Full details of the offer are attached.

You should accept/decline your offer within 21 days of this letter. If you need more time, please contact the academic department. Contact details for your department can be found on your course web page at <https://www.strath.ac.uk/courses/>. Please quote your Application Number (229465172) on any correspondence. If we have not heard from you within 21 days, the University reserves the right to withdraw this offer.

Please note that this offer is made on the understanding that in accepting it you undertake to abide by the Charter, Statutes and Ordinances of the University, and also to abide by the rules and regulations which the University makes for its students from time to time. It should be noted that this offer is subject to the acceptance by you of the terms and conditions set out in the University's Calendar, available at <https://www.strath.ac.uk/professionalservices/educationenhancement/qualityassurance/> and then clicking on Quality framework, External examining of taught courses and Academic regulations. You must therefore read these terms and conditions before accepting any offer.

If you have to provide evidence of scholarship/sponsorship, please note that we deem a sponsor to be an embassy, Government Office, educational establishment or an employer. If you have to pay the University deposit of £2,000, payment methods can be found at <https://www.strath.ac.uk/studywithus/feesfunding/howtopay/>. Please quote your Registration Number: 202289821 when making payment.

Dear Shreyas,

**Congratulations on your admission to the Master of Science in Information Technology and Management at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2022 semester!** We share your excitement as you begin this next stage in your educational career. Your program director, Mark Thouin ([msitm@utdallas.edu](mailto:msitm@utdallas.edu)), and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog, JSOM Policies page ([jindal.utdallas.edu/advising/policy-graduate](http://jindal.utdallas.edu/advising/policy-graduate)), and on the Academic Calendar. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed at [jindal.utdallas.edu/advising/new-students](http://jindal.utdallas.edu/advising/new-students).
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.
- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.

**For information on accepting your offer of admission and next steps toward enrollment, visit [jindal.utdallas.edu/advising/new-students](http://jindal.utdallas.edu/advising/new-students).** Please note that all required supporting documents must be received by the University before you will be able to register for classes.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or [residency@utdallas.edu](mailto:residency@utdallas.edu).

Dear Saket Bansi Bodke,

Congratulations! It is my pleasure to inform you of your admission to Texas A&M University for the Fall 2022 semester to pursue a Master of Science in Construction Management. Texas A&M's more than 3400 graduate faculty include winners of the Nobel, Wolf, Pulitzer, and National Medal of Science prizes, as well as members of the National Academy of Sciences, Engineering, and Medicine. Classified by The Carnegie Foundation as a "Doctoral/Research University-Extensive," Texas A&M ranks #1 in Texas and among the top tier of national universities in research expenditures, with more than \$1 billion annually.

While this is your official admission letter, you *may* receive a separate letter directly from your program. With approval from the admitting program, admission to graduate studies remains valid for one year from the term of acceptance; however, if it is necessary to defer your admission, we ask that you make this request before the start of the Fall semester. For answers to any questions concerning your course of study, please contact the graduate advisor in your program.

Please check the Applicant Information System (AIS) via [howdy.tamu.edu](http://howdy.tamu.edu) for any items needed to complete your application for admission. The Office of Admissions must receive all official transcripts (including those needed to replace uploaded transcripts) **before** you will be allowed to register for any classes for your first semester. Please review the information in AIS carefully, especially under the My Next Steps page. Academic Records from China must be verified by CHESICC and CDGDC.

International Student Services (ISS) issues the I-20 or DS-2019s for international students at Texas A&M University. Important information about applying for the I-20 or DS-2019, applying for a visa, and/or completing the ISS Check-In is located at <http://iss.tamu.edu/Prospective-Students>. All international students, anyone who is not a US citizen or permanent resident, should complete the ISS Check-In before the first class day. After reviewing the website, please direct questions regarding the I-20/DS-2019 process, applying for a visa, or completing the Check-In to ISS by email [iss@tamu.edu](mailto:iss@tamu.edu) or by phone at (979) 845-1824.

Within 24 hours after receiving the offer of admission, your TAMU Email box will be created. It is important that you monitor this new email box for important information from various campus offices. Dear Hritvik Avinash Jadhav,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Construction Management and Technology (MS) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2022 fall semester.

**Important:** Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.

University of Pune (Savitribai)

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at [admission.asu.edu/international/graduate-apply](https://admission.asu.edu/international/graduate-apply).

For more information on required documentation, please visit your Priority Tasks at [my.asu.edu](https://my.asu.edu).

**Important:** For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at [admission.asu.edu/international/student-visa](https://admission.asu.edu/international/student-visa). To monitor the progress of your I-20, view the I-20 Tracker in [my.asu.edu](https://my.asu.edu).

For MMR immunization requirements, contact Student Health Services at [students.asu.edu/health](https://students.asu.edu/health) or 480-965-8177. Proof of MMR immunization is required before registration for classes is permitted.

Dear Monali Yogesh:

I am pleased to inform you that you have been admitted to the Master of Engineering program in Mechanical Engineering in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2022 semester. Congratulations!

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

STEVENS  
INSTITUTE OF TECHNOLOGY

recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

**For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.**

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.  
Sincerely,

Dr. Jean Zu

#### INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 from the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

#### INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

## Letter of Recommendation

I am pleased to write this letter of recommendation for Sumit Suhas Bendale's candidature to your esteemed University for the Master's in Engineering Management program. I have known Sumit for the last two years as an undergraduate student. I taught him Metrology and Quality Control and supervised his laboratory work in the fifth semester as a professor of the Mechanical Engineering Department at All India Shri Shivaji Memorial Society's College of Engineering, Pune.

Sumit made astute remarks and insightful contributions during discussions in the classroom and while conducting experiments in the laboratory with an eye for detail, which provided understanding both for his peers and me as a professor. He was a curious student from the start. Assignments plus reports submitted by him illustrated his superior technical knowledge and problem-solving skills. He is a conscientious and zealous student, who values working as a team, leads by example, and gives credit to a deserving team member. His sterling presentation skills, together with profound knowledge in Statistical Quality Control and Total Quality Management, impressed me. Sumit was keen to learn more about Six Sigma, so he completed the Yellow Belt Lean Six Sigma certification course as per my suggestion.

Apart from the coursework, he participated in technical events and routinely attended seminars, which kept him updated about the latest developments in engineering and technology. He was always present at expert lectures and workshops in college to grasp mechanical engineering subjects.

I believe Sumit has a stronghold on the topics such as Quality Management, Lean Six Sigma, and Quality Improvement. All these above qualities will benefit hugely to him during his further study in the Engineering Management field. He deserves to be a student at your institution as his fundamentals are strong. Also, he possesses all the abilities and proficiency to pursue a Master's. Therefore I am recommending him for admission into his desired course at your University.

Please do not hesitate to contact me if you need any information about Sumit

Regards,

  
Dr. B.D. Bachchhav

### Letter of Recommendation

It gives me tremendous pleasure to recommend Mr. Sumit Suhas Bendale for his MSc in Engineering Management admission at your esteemed university. I have known him for the last three years as a professor in the Department of Mechanical Engineering at All India Shri Shivaji Memorial Society's College of Engineering, Pune. I had the opportunity to teach him as an instructor and supervise his work in the laboratory for the course Applied Thermodynamics.

Sumit displayed great interest in practical aided learning, and he was immensely interactive in the classroom. He works hard to complete the given task in time with the fusion of intelligent work and total commitment under minimal guidance. His pragmatic approach, plus the way he endorses discussion with conclusiveness, is remarkable. Sumit is a genuine, determined, and dedicated student. I have always noticed him working cohesively with his classmates to complete laboratory experiments in time. Sumit implemented his learnings of the topics that I have taught him to complete Digital Manufacturing and Design Technology Specialization on Coursera to gain in-depth knowledge of Industry 4.0.

Currently, he is working on a project for the Optimization of Turning Process Parameters of AISI Steel-106 using the Taguchi Method with three other members. Sumit's work on this project highlights his extensive understanding of the subjects such as Quality Improvement, Manufacturing Processes, and Process Optimization. Aside from coursework, he regularly took part in quiz competitions to gain expertise in the mechanical engineering field.

In my opinion, he has outstanding analytical abilities, intelligence, and problem-solving skills. These qualities will help him achieve supremacy in his endeavors. I believe he possesses all the abilities and right aptitude to pursue a Master's hence strongly recommending him for admission at your prestigious university.

For any queries, please contact me at any given time.

Sincerely,  
  
Dr. S. J. Navale

Your official test report will be posted to you 13 days after the test. Please note the preview of your IELTS result cannot be used as official confirmation of your test result.

**Overall Band Score**

Overall	Score	Competent User	The test taker has an effective command of the language despite some inaccuracies, inappropriate usage and misunderstandings. They can use and understand fairly complex language, particularly in familiar situations.
Overall	6.5	Competent User	The test taker has an effective command of the language despite some inaccuracies, inappropriate usage and misunderstandings. They can use and understand fairly complex language, particularly in familiar situations.
Test	Score	Your result explained	Advice to improve your score
Listening	7.5	<p>Test takers at Band 7.5 can typically follow extended speech and understand detailed instructions to complete tasks, including some involving complex ideas. They can identify ideas, attitudes, opinions or purposes which are implied by the speaker but not directly stated. They can easily understand meaning, including references within and between sentences, without having to process individual words and structures. They can understand a wide range of vocabulary, including some idiomatic, technical, and academic language, even when the language and ideas are complex.</p>	<p>Listen to current affairs and documentary programmes, or online talks, without pausing or repeating the recording. Try to remember as much as you can, including new words, main ideas, specific points, and their relationship to each other. Afterward, reconstruct what you've heard. How much are you able to reconstruct? Listen more and try to increase the amount that you can reconstruct. When speakers don't directly say what they mean, we use strategies to guess their meaning. What are some of these strategies that you use in your own language? Use the same strategies to understand them in English.</p>
Reading	6.5	<p>Test takers at Band 6.5 can typically deal with a range of factual and opinion-based texts that may be relatively complex and dense with information. They are good at using their vocabulary knowledge to create meaning, both within and across sentences, on a range of general topics and some specialised ones. They can understand implied meanings, and have some ability to understand somewhat complex opinions and arguments. They can generally use reading strategies such as skimming and scanning, and can generally synthesize information and draw inferences.</p>	<p>Try to read different types of texts, including general and academic texts, and not just in your subject area. In general interest articles, the main point may come in a different place than you expect. In academic texts there will be fewer opinions, or they may be harder to spot. On the other hand, they can be dense with information. Be aware of the differences, and adjust the reading strategies you use depending on the text you're reading. Decide when to read carefully and when to read quickly. In any case, you may want to give yourself a set amount of time, so that even your careful reading is done more quickly and efficiently.</p>

Speaking

6.0

Test takers at this band can typically speak at length, although they are sometimes less clear or fluent because of repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally well linked, but with some errors. They have enough vocabulary to discuss topics clearly and at length, although there are often errors, and they can usually paraphrase well. They can use simple and complex grammar structures but with limited range. There may be frequent grammar errors, particularly in more complex structures, but language is usually easy to understand. Pronunciation can be clear and effective, but there may be problems. They are usually easy to understand, although words may be unclear at times.

Talk to other English speakers about more abstract topics or more difficult current topics. Keep the discussion going for as long as possible. At the same time, try to express your ideas as accurately as you can, using the best words you know. Many of your ideas will also require the use of complex grammatical structures. If you're using several simple sentences, try to join them up in a way that makes your point clearer. Listen (and read) in English more to help you pick up natural and idiomatic phrases. When listening, note the rhythm and also the words that the speaker stresses. Is your rhythm similar? Are you putting the stress on the right words?

Writing

6.0

Test takers at this band can typically address all parts of the question, some more fully than others. (AC) They can give an overview. (GT) The letter has a generally clear purpose; the tone is sometimes not consistent. Key features and bullet points are covered. The point of view and main ideas are relevant but the conclusion(s) may be unclear. Some details might be irrelevant or wrong. Test takers can arrange their ideas logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.

Practice writing to give information and make arguments. Make sure you cover all the points that need to be covered, providing supporting ideas and details. Reread your work and see if you can make your points clearer. Is the ordering of your ideas logical? Sometimes, rearranging them can make things clearer. You can also try joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.

All India Shri Shivaji Memorial Society College of Engi.  
Letter from the Principal

A student from our college All India Shri Shivaji Memorial Society's college of Engineering, Pune has conditional offer from University of Warwick, United Kingdom.

To get the unconditional offer, he'll need final year results (Marksheet, provisional degree certificate, transcripts) from the University on urgent basis so that he can start the student visa process before his course starting date in September 2022 for

Msc in Engineering Business Management.

The student visa process for UK is taking longer currently with time period of 4 to 5 weeks. Please look into this matter and do the needful as this is the ~~question~~ requirement of student going abroad for masters.

I hope you will do the needful as early as possible. So that the student will not miss his course starting date which can result into him not getting admission into his desired University.

25 January 2022

Dear Sumit Suhas,

Please note that this is your re-issued offer letter reflecting the approved, revised deposit deadline you have requested.

Thank you very much for your application to study at the University of Exeter.

We think you can really thrive here, and we have the staff, environment, facilities and community to offer you a warm welcome and support you academically.

We are delighted to offer you a place at the University, congratulations. Details of your offer are:

**PROGRAMME TITLE:** Master of Science in Engineering Business Management with Industrial Placement

**PROGRAMME DATES:** 26 September 2022  
25 September 2024

The programme start date given above is the official start date of your programme of study. All new students are invited to attend welcome activities in the week preceding and further details of these will be communicated in due course.

**MODE OF STUDY:** Full Time

**OUR OFFER:** Your offer is conditional. This means we will require you to meet the following conditions to be accepted on to the programme:

1. Graduation with a CGPA of at least 6.0 in your current programme of study and receipt of formal confirmation of the award.

If you have outstanding conditions on your offer, please upload scanned or certified copies of transcripts via your Applicant Gateway, or email us the same. We ask you not to post the originals.

**If you have met all of the conditions of your offer, we do not require anything else.**

**TUITION FEES:**

You have been classified as International for fee purposes.

By accepting your place you will be confirming your fee status. However, if you think your fee status is incorrect you have 28 calendar days, from the date of your offer, to query your status based on your current circumstances. If you wish to do so please contact us at: [ad-feestatus@exeter.ac.uk](mailto:ad-feestatus@exeter.ac.uk), stating your full name, Exeter Student number, programme and details of why you think the fee status is incorrect. By accepting your place you will be confirming your fee status. Please refer to our [Fee Status guidance](#).

**The fees for 2022/3 are:** £27,000. With industrial placement (second year) £5,400.

For those studying for more than one year, our fees are expected to increase modestly in line with Consumer Price Inflation measured in December each year. More information can be found on our [Student Finance webpages](#).

We have a number of exciting scholarships and bursaries. Please check our [funding website](#) to find further details of these.

**OTHER COSTS:**

**Disclaimer** - The University of Exeter does its best to outline significant additional costs associated with your programme at offer stage. There may be other costs associated with your study or that are personal to you (or individual to your circumstances) which we are unable to outline at offer stage. Where appropriate details of additional costs will be given in programme information or on the [University website](#) under the appropriate area.

**ACCEPTING YOUR OFFER:** You can accept your offer by logging on to the Applicant Gateway. This can be accessed [here](#). You can log in using your email address [sumitbendale16@gmail.com](mailto:sumitbendale16@gmail.com) and the password you chose when you applied.

**DEPOSIT:**

We will require a tuition fee deposit of £1500 by 22nd March 2022 to guarantee your place. Please note this is not an extra charge, but an early payment towards the costs of your tuition.

If you have any difficulties in paying the deposit by this date please contact the Admissions Office via the [Applicant Gateway](#), providing details of the circumstance and advising on a date when the deposit payment would be possible and an extension will be considered. If you are applying for a Postgraduate loan from the Student Loans Company you can request an extension via the [Applicant Gateway](#) too.

**Exemptions:** You may be exempt from paying a deposit if you are receipt of an approved professional career development loan, scholarship or studentship covering the full tuition fees. If you believe you are exempt please send evidence to the Admissions Office via the [Applicant Gateway](#).

**IMMIGRATION:**

If you require a student visa to study in the UK you will need to provide a [Confirmation of Acceptance for Studies \(CAS\)](#) in support of your visa application. We will contact you about this once you have firmly accepted your offer, paid your deposit and met all conditions. The earliest you can apply for a visa is 6 months before your study start date, and it is important to note that the process may take a number of weeks. For information on visa processing times please see [www.gov.uk](http://www.gov.uk)

We strongly advise that you accept your offer and pay the tuition fee deposit (if required), at least 6 months before the beginning of your studies or as soon as possible if after this date, to give you sufficient time to successfully apply for your visa.

When you apply for your Student visa you will need to ensure that you meet the financial requirements. Please check our website for detailed information on these and other eligibility criteria. Our [International Students website](#) for more information about immigration, travel to Exeter, English Language requirements, visits to your country and much more, including our handbook 'International Students' Guide'.

**NEXT STEPS:**

You can keep track of your application via the [Applicant Gateway](#). You can use this to request changes to your start date, accept your offer, or submit further documentation.

Once again let me congratulate you on your offer of a place at Exeter and assure you our Admissions Team are here to support you through the process. Their contact details can be found at the bottom of this email.

Yours sincerely

**TERMS AND CONDITIONS**

Please ensure that you read carefully through all terms and conditions.

By accepting an offer of a place you are agreeing to the following:

- Applicants who meet the requirements of their conditional offer and provide the required documentation to demonstrate this, will have their place confirmed. Applications from candidates who have not met the requirements, are reviewed and their places may be confirmed if space is available: no guarantee is made that this will be possible.
- The University reserves the right to amend or withdraw an offer where it comes to our attention that the applicant (or party authorised to act on behalf of an applicant), provides fraudulent or false information or has not disclosed information which would have affected the outcome of their application.
- Requests to change programme during the application stage or on arrival at the University are not guaranteed and are subject to availability and meeting the terms of entry for that specific programme.
- In accepting your place you are confirming your fee status. If you think your fee status is incorrect, please refer to our [Fee status guidance](#) or contact us at [ad-fee-status@exeter.ac.uk](mailto:ad-fee-status@exeter.ac.uk)
- To abide by the [University of Exeter Admissions Policy](#).
- To abide by the [regulations for students](#). All students are required to abide by the [University's Charter, Statutes, Ordinances and Regulations](#) as a condition of enrolment. These include, without prejudice to the generality of that statement, academic regulations, arrangements for appeals and grievances, disciplinary regulations and regulations covering the use of the Library and IT facilities. Copies are available on request from [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) and can be accessed by following the link to Information for Current Students.

It is the responsibility of applicants to:

Provide full and accurate information in an application to the University;  
Disclose to the University any circumstances or relevant unspent convictions which would:  
- prevent you from participating or completing your chosen programme of study;  
- or restrict you from engaging in University life;  
Notify the University of any changes or corrections to the original application.

**YOUR PROGRAMME OF STUDY**

Programme contents and information about learning and teaching for your chosen programme can be viewed on our [website](#). The University reserves the right to make variations to programme contents, entry requirements and methods of delivery, and to discontinue, merge or combine programmes, both before and after a student's admission to the University, if such action is reasonably considered necessary by the University and will notify you via email where a substantial change is made to your programme of study.

In the event that, prior to the student commencing the first term of study for any programme described in our [prospectus](#), the University discontinues the programme, the student may either (1) withdraw from the University without any liability for fees; or (2) transfer to such other programme (if any) as may be offered by the University for which the student is qualified. If in these circumstances the student wishes to withdraw from the University and to enrol in a course at a different University, the University shall use its reasonable endeavours to assist the student.

Once the student has commenced the first term of study, if:

- (a) the University's ability to deliver programmes or other services in accordance with the descriptions provided is compromised by circumstances beyond the control of the University (e.g. third party industrial action), the University will use all reasonable endeavours to minimise disruption as far as it is practical to do so;
- (b) the programme is cancelled or substantially varied from that described in the [prospectus](#) for reasons other than circumstances beyond the University's reasonable control, the University will use reasonable endeavours to provide a suitable replacement programme. If the student does not wish to accept the replacement programme, the student shall be entitled to withdraw from the programme. In the event of such withdrawal the University shall make an appropriate

refund of course fees.

#### **DATA SHARING**

In preparation for your arrival at the University we would like to share some of your personal information (such as full name, date of birth, Exeter Student Number, your email address/es and your University of Exeter username (once allocated) with the Guild of Students. This information is not be shared until you have been offered and accepted an unconditional offer at the University and will be used to allow you to sign up for appropriate Guild events in advance of your formal registration with the University. If you do not wish to share your data, you must notify us within 10 days of accepting an unconditional place at the University by emailing [ad-data-share@exeter.ac.uk](mailto:ad-data-share@exeter.ac.uk), quoting your full name, student number putting DATA SHARE-OPT OUT in the header of your email.

The University works with a number of organisations around the world who assist with academic checks on submitted documents and quality assurance. **Tuition fee:** £25300

**Registration** Once you are eligible to enrol you must do so when

**date:** instructed by the University and no later than the Friday of the 3rd week of your first term.

### **Accepting your offer**

To accept your offer, please log in to your applicant portal at [www.reading.ac.uk/applicantportal](http://www.reading.ac.uk/applicantportal). For help with logging in, please email the SIS team at [risis@reading.ac.uk](mailto:risis@reading.ac.uk) or follow the link called "Not sure how to log in?" on the opening screen of the applicant portal.

By accepting this offer you are confirming that you understand the financial commitment outlined within this letter and that you are able to meet these costs. You are also confirming that you have read, understood and accept the **Terms and Conditions for Postgraduate Taught Students 2022/3**.

We acknowledge our responsibility to consider the needs of applicants whilst also seeking to protect and support the University community. If you accept our offer, we will contact you to confirm whether you have a relevant criminal conviction.

If you wish to request to defer your offer please complete the deferral request form. You can find this in the View Your Next Steps section of this webpage.

### **Financial information**

From the information available to us in your application, we consider you to be an International student for fees purposes. (If you believe that you may be eligible to pay Home fees, please complete our fee assessment questionnaire online at [www.reading.ac.uk/feeassessment](http://www.reading.ac.uk/feeassessment).)

Tuition Fee: £25300 (This is the fee for your first year. Information on fees for subsequent years, where applicable, can be found at [www.reading.ac.uk/ad-furtherfeesinfo.aspx](http://www.reading.ac.uk/ad-furtherfeesinfo.aspx))

**DEPOSIT REQUIRED:** To secure a place on this course, you are required to pay a non-refundable deposit. Details, including how to pay, are available online at [www.reading.ac.uk/ad-HBSDeposits.aspx](http://www.reading.ac.uk/ad-HBSDeposits.aspx).

**HENLEY BUSINESS SCHOOL SCHOLARSHIPS.** We have a scholarship fund of over £1 million. For a full list of the scholarships available and how to apply, please visit: [www.henley.ac.uk/level/postgraduate-scholarships](http://www.henley.ac.uk/level/postgraduate-scholarships)

You can pay your fees by one or more of the methods below:

- As part of the online enrolment process via your University portal
- By credit or debit card online at [www.webpay.reading.ac.uk/studentpayments](http://www.webpay.reading.ac.uk/studentpayments)
- By GBP (£) Sterling cheque (drawn on a UK bank and made payable to the 'University of Reading' (with the student name, student number and programme on the reverse)
- International Funds Transfer
- Sponsorship
- By student loan from Student Finance

For further information regarding payment methods, please refer to section 7 of the Fees Policy 2022/3 (attached).

### **Visa information**

If you need to apply for a Student Route Visa, we will generate a CAS number for you as soon as you have satisfied all conditions of your offer and you have firmly accepted your place and you have paid your deposit. We need you to send in a scanned copy of the page of your current passport that displays your personal details before we can issue your CAS. However please note that as CAS numbers are only valid for 6 months, we do not issue them before this point.

### **Right to cancel**

Once you have accepted your offer, this **Terms and Conditions for Postgraduate Taught Students 2022/3** will apply to you.

If you change your mind about coming to the University after you have accepted your offer, you will have 14 days after the day you accepted the offer to cancel the Terms and Conditions. By cancelling the Terms and Conditions, you will no longer hold an offer of a place at the University. If you would like to defer your offer to commence study during a different year, or to change your course at the University, please contact [pgadmissions@reading.ac.uk](mailto:pgadmissions@reading.ac.uk).

To cancel the Terms and Conditions, please complete and return our cancellation form at [www.reading.ac.uk/ready-to-study/study/coming-to-reading.aspx](http://www.reading.ac.uk/ready-to-study/study/coming-to-reading.aspx).

If your programme commences within the 14 day period referred to above or if you decide that you no longer wish to come to the University after the 14 days have expired, you no longer have the right to cancel and must terminate the Terms and Conditions in accordance with section 10 of the **Terms and Conditions for Postgraduate Taught Students 2022/3** (attached).

Although you have the right to terminate the Terms and Conditions at any time, you must do so in accordance with the table set out at section 4 of the **Fees Policy 2022/3** to avoid being charged Tuition Fees. The table in section 10 of the **Terms and Conditions for Postgraduate Taught Students 2022/3** sets out the proportion of fees that you will need to pay if you terminate after this date.

If you have applied to the University of Reading with the authorised support of one of our contracted international recruitment agents, we may share limited information relating to your application status with the agent.

If you have any questions about studying at Reading, would like to visit us before making your decision, or if we can be of any further assistance with your application, please do not hesitate to contact us and we will be very happy to help.

**Congratulations on your successful application. We hope to welcome you to Reading in the near future.**

Kind regards,  
Gemma Fitz

**SUBJECT: Provisional Offer of Admission to the Joint M.Tech/MCP-PhD Programme 2022**  
Course Offered : Manufacturing Science and Engineering (ME1)

Dear Mr./Ms. RUPASHREE BRIJESH GAJBE

In continuation to our earlier communication to you on the above-mentioned subject, please note that the Registration for the above programme is scheduled to be held on August 01, 2022. You are required to report at 9.00 a.m. on August 01, 2022 at the Kallidas Auditorium located in the Vikramshila Complex of the Institute for welcome address and registration. This offer is purely provisional subject to fulfillment of all eligibility criteria both Academic Qualifications and category certificate (if any)

At the time of physical reporting at IIT Kharagpur, you will be required to produce (a) valid GATE Score card (b) original certificates and mark-sheets of your educational qualifications, (c) evidence of the work experience, if any (d) category certificate (EWS/OBC-NCL/SC/ST/PwD), if applicable, issued by the competent authority (e) A person who is in employment and selected for admission, he/she must resign and produce the acceptance of resignation by the employer at the time of joining or produce a document that he/she is not receiving any salary from his/her employer along with proper document of sanctioned leave including 'No Objection Certificate'. Please note that a set of attested copies of each of these documents is necessary for our record. The originals will be returned to you after verification.

Candidates must have a minimum of 60% marks (or a CGPA of 6.5 in 10 point scale) in the final qualifying examination for GE/EWS/OBC-NCL categories and 55% marks (or a CGPA of 6.0 in 10 point scale) for SC/ST/PwD categories. The CGPA will not be converted into percentage marks if the degree awarding Institute provides marks in CGPA system. Their admission will be based on the CGPA awarded in the transcript. No conversion of marks into CGPA will be accepted. In case you are not in a position to produce the original degree certificate/mark-sheet on the registration date, you must provide course completion certificate from the Principal of your college (Annexure-1). Your registration is liable to be cancelled if you fail to produce your degree certificate and/or marksheet, with minimum marks as mentioned above, by October 31, 2022.

You are required to download other forms from link: <https://erp.iitkgp.ac.in/IITKGPAApplications/offerLinks> that you have to hand over duly filled in at the time of physical reporting at IIT Kharagpur.

Failing to comply with any of the above requirements will automatically lead to the cancellation of admission to the Joint M.Tech/MCP-PhD Programme in Manufacturing Science and Engineering at IIT Kharagpur and the student will have to leave the programme.

The fees as given below to be paid on or before August 01, 2022. The fee structure and the amount are subject to change from time to time. The mode of payment of fees is available on ERP home page (<https://erp.iitkgp.ac.in>)

Dear Preetkumar Sanjay Panchal:

Congratulations! You have been accepted to Georgian College. Thank you for accepting your offer in the IAS Applicant Portal and for submitting your payment.

Georgian is a great place to be. It's inclusive and friendly, with expert faculty, small class sizes, and state-of-the-art technology. As a student of Canada's first and only recognized changemaker college, you'll be connected to the skills you need, the mindset to succeed, and the confidence to thrive.

Estimated tuition fees may include 2 or 3 semesters depending on program progression (visit our website on full-time programs for more information). Additional costs are approximate and may include such things as living accommodations (up to \$750.00/month), transportation (\$720.00/year), food (\$1,600.00/year) and books and supplies (\$500.00-\$2,000.00/year). Some programs have additional costs, which can be viewed on the program-specific fees section of the Tuition and Fees web page. Your first full payment, along with proof of study permit, is required prior to registration.

Preetkumar Sanjay Panchal, 200528903, is eligible and considered essential (non-discretionary) for travel purposes by Immigration, Refugees and Citizenship Canada.

If you have questions, please contact [international@georgiancollege.ca](mailto:international@georgiancollege.ca). We're here to help you.

We're so glad you've chosen Georgian and wish you all the best. We hope to see you on campus soon.

# IMPORTANT INFORMATION FOR STUDENTS

## **METHODS OF PAYMENT:**

Before you submit any payments, you must first ACCEPT your offer of admission by logging into the IAS Applicant Portal. After this step is complete, you can submit your payments by one of the methods listed below. It is important to complete the "accept and pay" steps in the proper order and include your Georgian Student Number with all payment submissions.

- **Flywire** (preferred method of payment): online wire/credit card payments using foreign currency
- **Internet Banking: for Canadian bank accounts only.** Your student number is your account number, payable to Georgian College Tuition

## **TUITION FEES, WITHDRAWALS AND REFUNDS**

Fees are due by the payment deadline listed above. Payments hold your seat in the program and must be made by this deadline. Effective for Winter 2021/Summer 2021 a \$500 late fee will be assessed for failure to pay full fees by Day 11 of the term start. Effective Fall 2021 onward, full fees will be due in order to register for courses. Please include your student name and student number on all correspondence and payments sent to Georgian College. Once the payment has been received, a PDF receipt will be emailed to you or your agent if you have applied through an agency. Payments received will be applied to the intake specified on the Letter of Acceptance. Deferred start dates are not guaranteed. The total invoice amount includes tuition and compulsory ancillary fees. Additional optional ancillary fees will be available for students to opt out of during registration. To view detailed descriptions of all tuition and ancillary fees, please visit: [GeorgianCollege.ca/finance-and-fees](http://GeorgianCollege.ca/finance-and-fees).

## **REFUNDS**

If your study permit is refused, a full refund of tuition fees paid will be issued. Proof of study permit refusals must be provided to be eligible for a refund. If you choose not to pursue studies at Georgian College, you may be eligible for a partial refund of pre-paid tuition fees less an administrative fee that is calculated in accordance with the Ministry of Advanced Education and Skills Development refund policy. Please also note that Citizenship and Immigration Canada (CIC) will be notified of your withdrawal from Georgian College. If a request for withdrawal is not received within the first 10 working days of the term, no refund for the first semester will be issued. [Please see our policy on our website.](#)

## **STUDY PERMITS**

After you receive your official Letter of Acceptance, you may apply for a study permit. Visit [www.cic.gc.ca](http://www.cic.gc.ca) for information about obtaining a study permit. Once your study permit has been approved, please send a copy to [RegInternational@GeorgianCollege.ca](mailto:RegInternational@GeorgianCollege.ca) along with your student number and confirmation of your arrival date.

## **HEALTH INSURANCE**

As an international student, health insurance is mandatory and is included in quoted tuition fees. You must be registered into courses in an academic semester or registered for a work term/co-op term in order for health insurance coverage to begin for that term. If you arrive early, you may need to purchase additional insurance. Please visit the [Health Insurance](#) web page for more information. If you officially withdraw from the College (or transfer to another institution) after the Add/Drop deadline, your health insurance coverage will not be refunded.

## **CO-OP INFORMATION**

International students in work integrated learning programs, such as co-op, internships, practicum, field placements, must have a valid co-op work permit in order to complete their work term in Canada. Due to lengthy Immigration processing times, we recommend students apply for this as soon as possible, prior to arriving in Canada, as any delay can impact their eligibility to work. Co-op Consultants provide resources and support including job postings; however, students must also complete an independent job search to maximize their success in securing co-op positions. Students can increase their opportunity for success with a valid driver's licence and flexibility with work term locations. **Students should apply for their co-op work permits when they apply for their study permit.**

## REGISTRATION

Students are required to register themselves in classes prior to arrival. Registration is permitted for students who have provided confirmation of an approved study permit. Study permits should be uploaded to the IAS Applicant Portal. Accommodations will be considered for students experiencing delays in processing. Registration dates and times will be available in **Banner two (2)** months before classes start. To log in to Banner, your username will be: [xxxxxxx@student.georgianc.on.ca](mailto:xxxxxxx@student.georgianc.on.ca) and your initial password is your date of birth (YYMMDD). You will be required to change your password after your first login. Once you have changed your password, you must register to [reset your password](#). At your registration time, you will sign in to your **Banner** account and register for your classes. Check [important dates](#) for the first and last day to add or drop courses. Once you register, no changes can be made to your timetable until the add/drop period opens. You are responsible for the fees associated with your registration and must communicate a formal withdrawal to the college if you are unable to attend.

## FORMS AND PLACEMENT REQUIREMENTS

A co-op work permit is required to begin placement. Many programs, particularly in Health and Wellness, Community Safety, and Human Services, include placements that require immunization or criminal record checks among other possible requirements. These requirements must be met before your placement starts. It is your responsibility to ensure that you are eligible to participate. Click on the "Placement requirement forms" tab on [GeorgianCollege.ca/admissions/forms](http://GeorgianCollege.ca/admissions/forms) to see if your program has requirements you need to meet before the term starts. If you have questions, find your program coordinator's contact information at [GeorgianCollege.ca/full-time-programs](http://GeorgianCollege.ca/full-time-programs).

WAYNE STATE  
UNIVERSITY  
GRADUATE SCHOOL

February 4, 2022

Atharva Bodhe

B-903, Sahil Saga, Pan Card Club Road, Baner,  
Pune, Maharashtra 411045  
India

Dear Mr. Atharva R. Bodhe,

Congratulations, it gives me great pleasure to inform you that your application has been approved for admission with Out-of-State Tuition to the Mechanical Engineering - M.S. program in the College of Engineering at Wayne State University for the Fall 2022 semester. Enrollment beyond your first academic term is contingent upon submission of any outstanding admission items detailed on your [application status page](#).

By enrolling at Wayne State, you will be joining a premier research university that combines academic excellence with the unique experience of living and studying in an urban environment. The Carnegie Foundation for Advancement of Teaching designates Wayne State in its highest research category, a distinction held by 3.6 percent of U.S. institutions of higher education. This means that our faculty, programs and research initiatives are at the forefront of their disciplines.

Check the [registrar's calendar](#) to see if the schedule of classes has been posted online and if registration for your term has started. Once the [Class Schedule](#) is available you can explore the courses your program is offering, and then consult with your program to determine the best selection of courses for you. If registration is available, you may enroll in classes at any time up to 30 days before they begin; after that point, you will not be able to add or drop any classes until you arrive on campus. Once you are able to register, simply logon to our intranet, [Academica](#), using your Access ID (hm0606) and password (004922384). Your password must be changed after your first login. If you have previously received an Access ID, you may need to re-set your password. For assistance, visit the [CIT Help Desk](#).

Please remember: Your admission is valid only for the Fall 2022 semester. If you do not validate your admission by registering for classes for the term offered in this letter, you will need to reapply for a subsequent semester to be reconsidered by your intended academic program.

The [Office of International Students and Scholars \(OISS\)](#) handles the entire I-20 procedure. Your I-20 will be processed within 7-10 business days, and you will receive via email mail within 7-10 business days after processing if all documents necessary to issue the I20 have been uploaded in the application portal. Please login to application and view your [application status page](#) for the list of outstanding items. You can check the status online, but please contact OISS if you have additional questions regarding your I-20.

When you arrive in Detroit, you will need to check in with the [Office of International Students and Scholars \(OISS\)](#) and attend an orientation program. You will also need to finalize [housing](#) arrangements, and pay fees before beginning graduate coursework. The OISS will contact you with instructions on check-in procedures.

If you have any questions or need assistance, please feel free to contact the Office of Graduate Admissions.

We welcome you to the Wayne State University family!

Sincerely,

Sherry E. Quinn

**Annahme unter Vorbehalt: Original certificate (1 Jahr) Master of Science Elektromobilität-ACES zum Wintersemester 2022/23, Fachsemester 1**

Sehr geehrter Herr Borse,

herzlichen Glückwunsch, die zuständige Zugangskommission hat Sie im oben genannten Studiengang zum Studium an der FAU Erlangen-Nürnberg für das kommende Semester unter Vorbehalt ausgewählt.

**Vorbehalt:** Der Nachweis des zum Masterstudium berechtigenden Studienabschlusses (Abschlusszeugnis) ist spätestens innerhalb eines Jahres nach Aufnahme des Masterstudiums in amtlich beglaubigter Kopie bei der Studierendenverwaltung vorzulegen (Art. 43 Abs. 5 Satz 3 BayHSchG). Sofern Sie erkennen, dass Sie den Nachweis Ihres zum Masterstudium berechtigenden Studienabschlusses (Abschlusszeugnis) innerhalb der vorgegebenen Zeit nicht rechtzeitig erbringen können, empfehlen wir Ihnen eine erneute spätere Bewerbung für den gewünschten Masterstudiengang. Beachten Sie bitte: Reichen Sie Ihr Abschlusszeugnis nicht innerhalb der vorgegebenen Zeit nach, ist ein Weiterstudium nicht möglich. Wir empfehlen Ihnen dann eine erneute Bewerbung zu einem späteren Zeitpunkt, wenn Sie Ihr endgültiges Abschlusszeugnis nachweisen können. Vorläufige Abschlusszeugnisse (provisional degrees) werden nicht als Nachweis des Studienabschlusses anerkannt.

-----  
Folgendes Modul muss als Teil des Masterstudiums bis zur Anmeldung der Masterarbeit erbracht werden / The following module must be completed as part of the master program upon registration for master thesis:

- Elective module (M 3): Fundamentals of Electrical Engineering (5 ECTS)

-----

Bitte beachten Sie, dass diese Zusage zeitlich nur befristet gültig ist und Ihr Anspruch auf den Studienplatz im beantragten Studiengang nach Ablauf der Einschreibefrist leider verfällt. Wir bitten Sie daher, sich im Rahmen der Einschreibefrist bei der Studierendenverwaltung der FAU Erlangen-Nürnberg zu immatrikulieren. Die Details zur Einschreibung und zur Einschreibefrist sind hier hinterlegt: <https://www.fau.de/education/bewerbung/einschreibung-immatrikulation/>

Angaben zur Immatrikulation finden Sie in Ihrem Immatrikulationsantrag, den Sie sich nach Beantragen der Immatrikulation auf <https://campo.fau.de> ausdrucken können.

Wenn Sie bereits für das (Bachelor-)studium bei uns immatrikuliert sind, schicken Sie den Fachwechselantrag ( <https://www.fau.de/education/beratungs-und-servicestellen/studierendenverwaltung> ) mit einer Kopie der Zulassung an die Studierendenverwaltung. Dort wird dann die Umschreibung in den Studiengang vorgenommen. Die geänderten Immatrikulationsbescheinigungen können Sie sich im Anschluss online abrufen.

Wenn Sie sich für einen Studiengang beworben haben, für den Deutschkenntnisse erforderlich sind, müssen Sie die notwendigen Deutschkenntnisse (<https://www.fau.de/files/2014/09/Masterstudiengaenge-Bewerbungsfristen-Sprachnachweise.pdf> ) nachweisen, in dem Sie die DSH oder ein Äquivalent vorlegen. Wird die DSH-Prüfung nicht abgelegt oder bestanden, ist ein Weiterstudium leider nicht möglich.

Der Zulassungsbescheid ist solange gültig, solange der Studiengang nicht i.S.d. Art. 57 Abs. 3 BayHSchG wesentlich geändert wird. Sollte eine Immatrikulation nicht im Semester der Zulassung erfolgen, ist eine vereinfachte Wiederbewerbung in einem späteren Semester möglich, bei der der Zulassungsbescheid als zusätzlicher Nachweis mit eingereicht werden muss. Informationen zu der vereinfachten Wiederbewerbung finden Sie unter: [https://www.fau.de/education/bewerbung/bewerbung-masterstudium/#collapse\\_5](https://www.fau.de/education/bewerbung/bewerbung-masterstudium/#collapse_5)

Mit freundlichem Gruß  
gez. Raspe

Hinweis: Bitte speichern Sie sich den Bescheid ab, damit Sie auch zu einem späteren Zeitpunkt jederzeit darauf zugreifen können. Nach Abschluss der aktuellen Verfahrensrunde werden alle Daten aus Campo bereinigt und ab dann steht der Bescheid nicht mehr zur Verfügung.

Hinweis: Die erforderlichen Sprachkenntnisse und die Studienberechtigung wurden bei der Zulassungsentscheidung geprüft.

*Please refer to the following English explanation of the letter of notification for your information.*

**Admission with reservations: original certificate (1 year) Master of Science Elektromobilität-ACES for the winter semester 2022/23, semester 1**

*The admissions committee responsible has decided to make you a provisional offer of a place on the above-mentioned degree programme at FAU Erlangen-Nürnberg for the coming semester.*

*Please note: Proof of an academic degree qualifying for admission to a Master's degree programme (certified copy of original certificate) must be submitted within a year of admission to a Master's degree programme (Section 43 (5)(3) BayHSchG). Should you become aware that you will not be able to submit proof of the degree qualifying you for admission to a Master's degree programme (degree certificate) to the Student Records Office by the required deadline, we recommend that you apply for the Master's degree programme at a later time. Please be aware that if you do not submit your degree certificate by the required deadline, you will not be permitted to continue your studies. We recommend that you apply again at a later time when you are able to present your degree certificate. Provisional certificates/transcripts are not regarded as sufficient proof of an academic degree.*

-----  
*Folgendes Modul muss als Teil des Masterstudiums bis zur Anmeldung der Masterarbeit erbracht werden / The following module must be completed as part of the master program upon registration for master thesis:*

*- Elective module (M 3): Fundamentals of Electrical Engineering (5 ECTS)*

-----

*Please note that this admissions letter is only valid for a limited amount of time, your entitlement to a place on the degree programme will expire after the enrolment deadline. You have to enrol in writing. Please send your enrolment application with the required documents and this admissions letter to the Students Records Office. Details on the enrolment process and the enrolment period can be found at <https://www.fau.eu/study/prospective-students/application-and-enrolment/deadlines-and-documents-for-enrolment/>*

*Information on enrolment can be found in your enrolment request, which you can print out from <https://campo.fau.de>.*

*If you are already enrolled in a (Bachelor's) degree programme, please send an application to change degree programme available at <https://www.fau.de/studierendenverwaltung> and a copy of your admission letter to the Student Records Office who will update your records. You will then be able to download the updated enrolment certificate from [campo.fau.de](https://campo.fau.de) in the "Student Service" function.*

*If you have applied for a degree programme which requires German language skills, you must provide proof of your German language proficiency by submitting this form ([https://www.fau.eu/files/2014/11/Master\\_degree\\_programmes\\_information\\_sheet.pdf](https://www.fau.eu/files/2014/11/Master_degree_programmes_information_sheet.pdf)) with evidence of passing the DSH or an equivalent examination. If you fail to sit or pass the DSH examination, you will unfortunately not be allowed to continue studying.*

*The admission letter will remain valid for as long as there are no significant changes to the degree programme as governed by Section 57 (3) BayHSchG. If applicants do not enrol in the semester of admission, they may re-apply through the simplified application procedure in a later semester, in which case the admission letter must be submitted as additional proof. For information on re-applying through the simplified application procedure, please refer to <https://www.fau.eu/education/application-and-enrolment/applying-for-masters-degree-programmes/#wiederbewerbung>*

*If you do not adhere to the application and enrolment deadlines, you will lose your offer of a place at the University.*

*Please save this letter so you can access it at later point in time, as application data will be deleted from the system at the end of each application period.*

## Bescheinigung über Präsenzpflcht im Wintersemester 2022/23

Sehr geehrter Herr Borse,

wir freuen uns, dass Sie sich für ein Studium an der FAU Erlangen-Nürnberg entschieden haben bzw. Ihr Studium an der FAU fortführen möchten. Für die Erteilung eines Visums zu Studienzwecken ist neben der Hochschulzulassung ein Nachweis erforderlich, dass Ihre Einreise nach Deutschland zwingend erforderlich ist.

Die FAU ist eine Präsenzuniversität. Um das Studium an der FAU trotz der Corona-Pandemie mit so wenigen Einschränkungen wie möglich zu ermöglichen, gilt für die Lehre an der FAU im Wintersemester 2022/23 erneut eine bedarfsgerechte Mischung aus einem hohen Anteil an Online-Lehre und einzelnen Präsenzveranstaltungen (hybride Planung mit Öffnungsperspektive und einem digitalen Pfad): so soll sichergestellt werden, dass alle Studiengänge studierbar sind. Dabei werden bedarfsgerechte Präsenzveranstaltungen in Ergänzung zur Online-Lehre unter den dann gegebenen Bedingungen angestrebt, soweit es Rechtslage und der Infektionsschutz erlauben und die Präsenzveranstaltungen organisatorisch (bezogen auf die Raumsituation und auf die Erreichbarkeit der Studierenden) möglich sind. Aktuelle Informationen dazu finden Sie unter <http://www.fau.de/corona/studium>.

Dies gilt insbesondere bezogen auf den Prüfungsbetrieb, welcher aufgrund der rechtlichen Gegebenheiten nicht ohne Präsenzprüfungen aufrechterhalten werden kann. Prüfungen werden überwiegend in Präsenzform stattfinden.

**Im Rahmen Ihres studentischen Aufenthaltes an der FAU wird hiermit eine Präsenzpflcht für das Wintersemester 2022/23 bescheinigt:**

**Semesterbeginn: 01. Oktober 2022**

**Semesterende: 31. März 2023**

**Vorlesungsbeginn: 17. Oktober 2022**

**Vorlesungsende: 10. Februar 2023**

Mit freundlichem Gruß

**Confirmation of obligation to attend university in person in the winter semester  
2022/23**

Dear Mr Borse,

We are pleased that you have decided to study at FAU or that you would like to continue your studies at FAU. Before you can be granted a visa for study purposes, you not only require an admissions letter from the university, but also proof that it is absolutely necessary for you to enter Germany.

FAU is a face-to-face university, in other words students are required to attend in person. In order to allow students to study at FAU with as few restrictions as possible in spite of the coronavirus pandemic, teaching in the winter semester 2022/23 will again largely consist of online teaching combined with individual face-to-face classes (hybrid teaching). The idea behind this is to ensure that all degree programmes can indeed still be studied. We will try to offer face-to-face classes tailored to meet our students' needs in addition to online teaching as far as possible, provided we are able to do so legally and in accordance with regulations aimed at preventing infection and provided we are able to organise face-to-face teaching (for example if sufficient rooms are available and students are able to attend). For the latest information, please visit <http://www.fau.de/corona/studium>.

This applies in particular to examinations. For legal reasons, it is impossible for us to go without examinations requiring attendance in person entirely. Examinations will predominantly require attendance in person.

**We therefore certify that you are required to attend FAU in winter semester 2022/23 in person in order to study at the university:**

**Start of semester: October 1st 2022**  
**Start of lectures: October 17th 2022**

**End of semester: March 31st 2023**  
**End of lectures: February 10th 2023**

Yours sincerely  
sgd. Dr. Schulz

### Letter of Recommendation

I enjoyed working with Mr. Siddhesh through his final year mechanical engineering project as his supervisor when I recognized his strong aptitude to excel in any work assigned to him. I found him to be an intelligent student with a highly positive approach towards academics.

Siddhesh proved to be exceptionally competent in his work and possessed the right skills and knowledge that set him apart from his peers. He implemented the project under my supervision in an efficient and timely manner. His leadership qualities helped him to lead the other members and to work effortlessly with them. He understood the significant issues in the development process, which he solved using his excellent research and analytical skills. His final report on the entire work was detailed and highlighted his well-defined thought process. I admired his ability to achieve the objective of reduction in the overall cost without compromising on the quality. He secured the best scores for the hard-work he did for completing the assignment.

Besides the above project, he also worked under my direction in the coordinating team to organize a science exhibition for the secondary school students. He demonstrated exceptional leadership and management skills in his work, which made the event a resounding success without any obstacles. I was particularly impressed by his overall performance for leading the task to achieve its stated objectives.

Siddhesh is a friendly and kind-hearted student who was always willing to assist his fellow students and teachers in their work. He is highly perseverant in his efforts and works with a purpose to achieve his goals. He is someone who can make significant contributions to his future university in the area of study and towards the research and teaching efforts of the faculty. I would, therefore, recommend him strongly for admission to your graduate program any reservations. You are most welcome to write to me to discuss any details concerning this recommendation.

Dear Mr. Misar,

I am pleased to notify you of your admission to the Graduate School at NC State. We look forward to having you join us and trust that you will find your experience here a rewarding one. [Learn more](#) about graduate education at NC State. Our records on your admission carry the following information:

**Admission status:** Full Admission \*  
**Degree Program:** Master of Science (MS) - On-Campus - Mechanical Engineering  
**Intended enrollment term:** Fall 2022  
**Tuition Classification:** Out-of-state

Once you have used your unity ID to login to an NC State system, you may need to sync your password, if you are not able to [log here](#) to learn how to sync your password.

**Admission Information:** Please review the [new student checklist](#) for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term. If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: <https://studentservices.ncsu.edu/your-classes/registration/>.

**Enrollment Information:** Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal)

**Immunization Record and Report of Medical History:** Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at <https://sso.medicatconnect.com>. Check your NCSU e-mail for updates.

**Transcripts:** Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.

**Questions:** For information about University Housing, visit <https://housing.dasa.ncsu.edu/>. For important information regarding international student orientation, and answers to questions about your visa status, please contact the [Office of International Services](#) at 919.515.2961 or email [ois@ncsu.edu](mailto:ois@ncsu.edu). If you need information about your curriculum or financial awards (including assistantships), please contact the graduate program to which you applied.

I look forward to your joining the graduate community here at NC State.

Sincerely,

### Letter of Recommendation

Anuj Misar has been my student in his third year of engineering and I taught him the subject 'Applied Computer Aided Engineering'. I observed his curiosity in the subject through his involvement in the course as well as in his other interventions. I have also noticed his continuous pursuit of technical knowledge and practical applications of CAE methods and tools, especially in FEA.

Anuj has maintained a good academic performance. His keen interest in understanding minute technicalities ensured a firm grasp of the subject. To the best of my knowledge, he is a sincere, polite and hard-working student striving to accurately complete assigned work within deadlines.

As part of sandwich course, he is required to do two semesters of internship. I am his guide for his internship which he is undergoing in TATA Motors. Using HyperWorks, he worked on topology optimization of front suspension lower control arm, as well as durability analysis, NVH analysis and topology optimization of subframe. He also created FE model of BIW in HyperMesh.

In his seminar course worth 2 credits, he delivered a presentation on the topic 'Automotive Design Process'. It was meticulously presented covering details of design process. He also included intriguing insights of processes that he observed during internship.

He was also part of the college BAJA team. His active involvement continued even during his internship days. For most of the times his internship timings were in the second shift. He managed both internship and BAJA team work by coming to college in the morning half.

During his participation in BAJA, he has learnt to work in and manage a team. The team has successfully completed all stages of manufacturing an ATV from design to fabrication. Additionally, with his internship experience, he has grown as a mature individual with a generous, understanding and helpful nature. His passion is to work as a CAE engineer in leading R&D departments. Also, with a continuous desire to gain complete technical knowledge, he has developed a research oriented character.

I understand that he wants to pursue a Master's Degree in Mechanical Engineering. I am sure that he will do well in his further studies at your university. For this, I recommend him for admission at your university and wish him all the best for his future.

## NOTICE OF ADMISSION

Dear Omkar Bhanudas Alhat,

We are pleased to inform you that you are eligible to study on the above English-speaking course at TU Bergakademie Freiberg. The semester starts on 01.04.2023.

To continue the application process, please log in at our applications portal using the access data you created, and take the next step: **applying to enrol**. In this step, we will ask for information we need for the next part of the enrolment process. Please read the notes about your admission that are shown below and on the portal.

Admission is granted under the following **conditions**:

---

According to the admission requirements, you must provide evidence of a 12-week internship in industry in the field of materials technology or mechanical engineering by the time the Master's thesis is issued. You can complete the internship in your home country or during your studies or a combination of both. It is not necessary that the 12 weeks are completed consecutively or in the same company.

**Letter of acceptance to the first semester of the Master's Degree Programme Engineering Sciences (location: Rosenheim) in the summer semester 2023**  
**Applicant number: 268199**

Dear Mr ALHAT,

You are hereby admitted to the first semester of the Master's Degree Programme Engineering Sciences (Full time) at Rosenheim Technical University of Applied Sciences.

For enrolment, the following steps must still be completed :

**1. Apply for enrolment:**

Please accept the place on the degree programme via the Rosenheim Technical University of Applied Sciences online applicant portal (button "Request for enrolment"). Once you have done this, the portal generates the PDF file "Bank details for the student union contribution", in which you will find the bank account details for transferring the Studentenwerk (student union) contribution of €75. Please make sure you state the transaction reference given here, otherwise we will not be able to allocate your payment to you! The responsible tutor will support you with this aspect once you arrive in Germany.

**2. Submit the missing documents:**

Please upload the missing documents for your application to the Rosenheim Technical University of Applied Sciences online applicant portal. The outstanding documents are listed there. Proof of payment of the student union contribution must be submitted, e.g. in the form of a bank statement or a bank confirmation. Please arrange from your new health insurance company to send us an electronic notification that you are there insured (M10). Please give our sender number H0000974. This notification is mandatory for enrollment.

**3. Enrolment:**

If points 1 and 2 have been completed, you will receive the study documents conveniently by post, shortly before the course starts. Once your status has changed to "Enrolment application in

### Letter of Recommendation

I, Dr B.D.Bachchhav, Professor and Head of Mechanical Engineering Department at A.I.S.S.M.S. College of Engineering, Pune, completely substantiate the candidature of Omkar Alhat in applying for admission to the Master's program at your prestigious institute of learning.

My assessment of Omkar is inclined to assist the evaluation process and thus comprises of vital information relevant to his academic term under my guidance. During his Bachelor's Program, I was his mentor in the 6<sup>th</sup> and 7<sup>th</sup> semester, where he gained an industrial experience while working as an intern in Sandvik Mining and Rock Technology, Pune. He showed an excellent intellectual creativity to accomplish a complex task of "Design of Unique Multispindle Nut-runner". In this project, he has applied his knowledge of CAD and FEA software to a great extent. Apart from that, he has worked on projects such as "Lean Management of Hydro-cone crusher" and "Design of an Industrial Testbed". I felt proud as a teacher to see my student practically implementing his classroom learning's during his internship in industry.

I've also seen Omkar as an ambitious leader and a terrific team player. In team tasks, this student has always emerged as a team leader because of his sincerity and overall multi-faceted personality. During the project, his team used a very feasible approach and introduced new creative tools having low costs with higher efficiency. In addition to this, he directly interacted with customers during his internship and provided required solutions in a timely manner. His smart work and creativity made him stand out from other students and has always made him shine. He can complete the tasks assigned to him with minimum guidance, making him an intellectually independent person.

Hence, I strongly recommend him to be considered as the potential candidate for admission to the master's program at your esteemed university. I am sure that he will meet the requirements of your stringent selection process and make your institution proud. I wholeheartedly recommend him and wish the very best in all future endeavours.

### Letter of Recommendation

To whomsoever it may concern,

I have had the great pleasure of knowing Omkar Alhat during his time in the Bachelor degree course. He has been a tremendous student and an asset to our college. I would like to take this opportunity to recommend Omkar for your master's program.

I lectured him subjects like Engineering Graphics-I and Engineering Graphics-II and also guided him in his laboratory assignments for the subject of Machine Design. As a Guardian faculty member, I discovered him as a focused, disciplined and a student with receptive mind. Additionally, he has a very positive attitude and has a unique quality of seeing problems differently.

He has always tried to connect studies with some practical exposure. Along with good communication skills he has problem solving abilities. I think he is able to weigh his thoughts before he puts them across. These things have not only contributed to his excellent academic scores but also to the overall development. More importantly he was always active in extracurricular activities occurring throughout an academic year.

He has consistently shown a desire to learn and gain knowledge. His response during my teaching was very positive and courteous. This student has a unique blend of intelligence, hard work and brilliance. These cumulative qualities are very rare in most of the students. His respectful as well as punctual attitude towards his work is unique. His involvement in organizing and managing technical seminars for the students was exceptional. His entire performance while the course was excellent and he had a good conduct. Hence all these qualities make him suitable to be considered as an asset for a foreign university.

As his professor and mentor, I strongly recommend him for admission into the program. I believe that he has always been ready to go an extra mile for his personal and professional growth.

### Letter of Recommendation

To whom it may concern,

I am writing to you in support of my student Omkar Alhat and his desire to pursue a Masters course from your university. I recommend that he be given the opportunity to attend your university.

As faculty (and former Head of Mechanical Department), I tutored him for the subject of Hydraulics and Pneumatics and also assessed his final year project and technical reports. His curiosity for knowledge beyond the syllabus is the most remarkable quality I have seen in him. He is an honest and intelligent student highly focused on his academics. To brief out he was always in touch with me in regard with his exam preparation and project related industrial internships. He has an excellent record of overall performance and maintained good behaviour throughout the years. He used to complete every assignment and major or minor projects timely with a great responsibility.

In addition to his coursework, Omkar also dedicated some of his time to extra-curricular activities. He was a member of the college's Formula Student team and also participated in the S.A.E. Supra 2019 competition held at the Buddh International Circuit under my supervision. He has always tried to connect studies with practical applications and this has helped him gain an extensive knowledge in his educational field. I have also witnessed his ability to deliver a clear, concise and a well-thought presentation.

Omkar has performed very well in college and I am sure that he will continue to do so. It is for these reasons that I offer high recommendation for Omkar without reservation. His unique energy and optimism will truly be an asset to your establishment.

## General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2022 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Dear Dhairya,

Congratulations! I am pleased to notify you of your acceptance into the Chemical Engineering Master's program for Spring 2023. You have been admitted into the coursework degree option as a self-supported student. The Graduate Director <<http://www.mtu.edu/gradschool/prospective/directors/>> for your program will be your initial advisor.

The Graduate School at Michigan Tech is recognized worldwide as a leading public research university known for innovative education and research amidst the breathtaking scenery and abundant recreational opportunities in Michigan's Upper Peninsula, on the shores of Lake Superior. As a Michigan Tech student, you will be able to interact with fellow scholars from all 50 states and from more than 60 countries.

As you celebrate your admission, we will continue to communicate with you regarding finalizing your admission, submission of your official documents, required trainings <<https://www.mtu.edu/gradschool/resources-for/students/academic/rcr/>>, and our Orientation to Graduate Studies and Research Program <<https://www.mtu.edu/gradschool/resources-for/admitted/orientation/>>. We are excited for you to join us on this journey to Michigan Tech.

We look forward to welcoming you to the Michigan Tech Graduate School and wish you continued success in your academic career.

Sincerely,

**SUBJECT: Provisional Offer of Admission to the Joint M.Tech/MCP-PhD Programme 2022**

Course Offered : Chemical Engineering (CH)

Dear Mr./Ms. VAIBHAV SANJAY SHIRSATH

In continuation to our earlier communication to you on the above-mentioned subject, please note that the Registration for the above programme is scheduled to be held on August 01, 2022. You are required to report at 9.00 a.m. on August 01, 2022 at the Kalidas Auditorium located in the Vikramshila Complex of the Institute for welcome address and registration. This offer is purely provisional subject to fulfillment of all eligibility criteria both Academic Qualifications and category certificate (if any)

At the time of physical reporting at IIT Kharagpur, you will be required to produce (a) valid GATE Score card (b) original certificates and mark-sheets of your educational qualifications, (c) evidence of the work experience, if any (d) category certificate (EWS/OBC-NCL/SC/ST/PwD), if applicable, issued by the competent authority (e) A person who is in employment and selected for admission, he/she must resign and produce the acceptance of resignation by the employer at the time of joining or produce a document that he/she is not receiving any salary from his/her employer along with proper document of sanctioned leave including 'No Objection Certificate'. Please note that a set of attested copies of each of these documents is necessary for our record. The originals will be returned to you after verification.

Candidates must have a minimum of 60% marks (or a CGPA of 6.5 in 10 point scale) in the final qualifying examination for GE/EWS/OBC-NCL categories and 55% marks (or a CGPA of 6.0 in 10 point scale) for SC/ST/PwD categories. The CGPA will not be converted into percentage marks if the degree awarding Institute provides marks in CGPA system. Their admission will be based on the CGPA awarded in the transcript. No conversion of marks into CGPA will be accepted. In case you are not in a position to produce the original degree certificate/mark-sheet on the registration date, you must provide course completion certificate from the Principal of your college (Annexure-1). Your registration is liable to be cancelled if you fail to produce your degree certificate and/or marksheet, with minimum marks as mentioned above, by October 31, 2022.

You are required to download other forms from link: <https://erp.iitkgp.ac.in/IITKGPAApplications/offerLinks> that you have to hand over duly filled in at the time of physical reporting at IIT Kharagpur.

Failing to comply with any of the above requirements will automatically lead to the cancellation of admission to the Joint M.Tech/MCP-PhD Programme in Chemical Engineering at IIT Kharagpur and the student will have to leave the programme.

The fees as given below to be paid on or before August 01, 2022. The fee structure and the amount are subject to change from time to time. The mode of payment of fees is available on ERP home page (<https://erp.iitkgp.ac.in>)

Sl.No.	Particulars	Amount (Rs.) (For GE/EWS/OBC category)	Amount (Rs.) (For SC/ST/PwD category)

$S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2022 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
