\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

**General Information**

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2023 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

### Updating your details

So that you don't miss out on any important communications from us, please let us know if your contact details change. You can use the [applicant portal](#) to update your postal or email address.

### Disability and Wellbeing Support

Our Inclusive Support Service can provide you with advice and information if you have a disability and/or a long-term health condition. Early awareness by [making a self-referral](#) to this service allows the University to understand your needs and identify the support we can offer, and for you to consider this before enrolling. We strongly encourage you to engage with the service as soon as possible so that advice may be given regarding any reasonable adjustment that we can make to adequately support you on your programme. Please note that what we are able to put in place as a "reasonable adjustment" may be impacted by the amount of time we have between being made aware of a need and the start of your studies.

If you have a disability, dyslexia, or long-term physical or mental health condition not previously mentioned in your application, we would encourage you to let us know so that relevant advice may be provided. Please note that we will share this information only with colleagues in our Wellbeing services team and it does not affect the decision to offer you a place.

### Visa

We know that there is a lot to do when preparing for university. If you need a Student Visa to study in the UK, one of the most important things is getting your CAS (Confirmation of Acceptance for Studies) from us. You will need your CAS before you can apply for your Student Visa.

We use CAS Shield, an online self-service system, which allows you to upload all the vital information and documents that we will need to issue your CAS. We also have a dedicated Applicant Compliance Team who can support you.

You can find out more about the CAS process and what documents you will need to supply on our starting a new course [webpage \(www.brookes.ac.uk/students/isat/visas/student-visa/getting-your-cas/starting-a-new-course\)](http://www.brookes.ac.uk/students/isat/visas/student-visa/getting-your-cas/starting-a-new-course).

Please note in particular that issuing a CAS is an additional, and separate process to the conditions of your offer of study. We reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted your offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at Oxford Brookes University at that time.

### How to get in touch

Please don't hesitate to get in touch, either to update us on changes in circumstances or with any questions about your application or studying at Oxford Brookes. Email us at [admissions@brookes.ac.uk](mailto:admissions@brookes.ac.uk) or call us on +44 (0) 350 3699.

I look forward to hearing from you.

Yours sincerely,

If your offer is conditional on improving an IELTS score, you may be interested in the University English courses run by Oxford Brookes International. Passing the relevant University English course is another way to meet the English language requirement. Even if your offer is not conditional on an English language test, the courses are also a good way to improve English proficiency as preparation for your degree studies.

**Finance and Scholarships**

You can pay your fees in full at the start of the course or in equal instalments at the start of each semester/term. You can find details of how to pay fees and more information about possible sources of funding at [www.brookes.ac.uk/studying-at-brookes/finance/](http://www.brookes.ac.uk/studying-at-brookes/finance/)

Deposits paid will be refunded at the discretion of the University and upon request if you are unable to enrol on your programme and you have notified us within the right to cancel period stated in the terms and conditions of enrolment.

- a) you have supplied false or misleading information relating to your application; and/or
- b) you have obtained any qualification or status by fraud

Under these circumstances, you may be unable to enrol because we have withdrawn your offer of a place or because your application for a visa has been rejected due to fraud.

**Please note that in all circumstances, a fee of £100 will be applied** to cover the administration of the cancellation and refund.

To request a refund, you will need to contact the Admissions Office and may need to provide documentary evidence in support of your request. In normal circumstances, the University will process refunds within 14 days of receipt of a complete refund request.

Dear Aarushi Mahajan:

I am pleased to inform you that you have been accepted for graduate study at the University of Massachusetts Amherst. This acceptance is in the Master of Science program in the Department of Electrical and Computer Engineering. Congratulations!

You have been accepted for the Fall 2023 semester. Unless your academic department agrees to postpone your enrollment, admission for any other semester would require a new application.

This admission is contingent on the completion of your baccalaureate degree. An official copy of your final undergraduate transcript indicating receipt of your degree should be sent to this office as soon as your undergraduate work is complete. If your transcript does not clearly indicate the awarding of your degree, with the degree title and date awarded, we need the diploma and/or degree certificate in addition to the official final transcripts. You must submit these materials before the University of Massachusetts Amherst will allow you to formally begin your graduate studies.

We encourage you to log in to SPIRE to accept this offer of admission, defer your decision to no later than April 15, or withdraw your application. After entering SPIRE, click the 'Admissions & Status' tile on your Applicant Center home page.\* There is a confirmation status section that will allow you to inform the Graduate School of your enrollment plans. It is important that you log in and select one of these options to inform us of your decision.

\* If you do not see this tile, click Student Center at the top of the page and select Applicant Center (Grad).

Questions concerning assistantships and other program related matters should be addressed to the Department of Electrical and Computer Engineering; other questions may be referred to the Graduate Student Service Center. Prasad Devanand Bagul

Pune, Maharashtra 411028

Dear Prasad Devanand,

On behalf of the Dean and Faculty of the Jefferson College of Architecture & the Built Environment at Thomas Jefferson University, it is my pleasure to offer you admission to the **MS in Construction Management On-Campus for Fall 2023 at the East Falls Campus**. Your admission is contingent upon successful completion of your prerequisite agreement stated below.

Based upon your academic and extracurricular achievements, you have been selected to receive a **Dean's Scholarship** in the amount of **\$5,000** for the **2023-2024 academic year**. This amount will be divided evenly over the fall and spring semester in the academic year (summer semester is not included). This scholarship is contingent on full-time enrollment and is renewable provided you are a student in good standing in the program. If you enroll in 8-6 credits per semester you will receive half of the total award. Enrollment in less than 6 credits per semester will forfeit the scholarship. A change in program or campus location may affect your scholarship eligibility.

You may accept this offer of admission on your MyJefferson portal at [my.jefferson.edu/account](https://my.jefferson.edu/account) by completing the "Accept or Decline Your Offer of Admission" form under the Forms header and submitting a \$500 non-refundable deposit. The deposit goes to your first tuition bill. **Your deposit must be received by June 9, 2023.**

Please note that many academic programs at Jefferson require the completion of the COVID-19 vaccine series to ensure that you are in compliance with the mandates of clinical or other training sites. Students for whom the COVID-19 vaccine is required will be prompted to submit proof of vaccine or to file for a medical or religious exemption prior to the start of their term.

If you are required to submit proof of COVID-19 vaccine, note that some clinical or other training sites also require students, including visiting students, be "up-to-date" with COVID-19 vaccines ("up-to-date" is defined by CDC as having completed a COVID-19 primary vaccination series and the most recent booster) and you are therefore strongly encouraged to remain "up-to-date" with your COVID-19 vaccines. Lastly, if you pursue and receive a medical or religious exemption, there is no guarantee that this exemption will carry into clinical or internship settings and you are advised that your exemption status may disrupt your educational plan of study and cause a delay in academic progression. For your reference, the current policy can be found at:

<https://www.jefferson.edu/life-at-jefferson/handbooks/health-safety/covid-19-vaccination-policy.html>.

You are required to notify Jefferson of any legal or disciplinary actions taken against you prior to enrollment. Thomas Jefferson University reserves the right to withdraw your offer of admission in the event that (1) you show a significant drop in academic performance, (2) you fail to graduate (if your program requires a high school diploma or college degree), (3) you misrepresent yourself in the application process or (4) the University learns that you have engaged in behavior prior to enrollment that indicates a serious lack of

judgment or integrity.

### **Prerequisite Requirement/Provisional Acceptance Agreement**

Your application has been reviewed and it has been determined that you are missing the following prerequisite requirements/provisions needed for admission to the College of Architecture & the Built Environment.

**An offer of admission is extended to you with the stipulation that you complete the below prerequisite requirements. If these requirements are not met, your offer of admission may be rescinded.**

#### **Prerequisite Requirement(s)/Provision(s):**

- Conferred Bachelor's Degree
- Official Consolidated Mark Sheets
