4. MIT Summit 21 organized by MIT WPU : Table Tennis (G) Runner Up

MIT World Peace University

The establishment of MIT World Peace University, Pune was the outcome of an enduring quest for providing quality education to aspirants of higher professional education by visionary educationalist Prof. Dr. Vishwanath C. Karad having established Maharashtra Institute of Technology (MIT) in 1983 and made a niche position in the highly competitive field of engineering education. MIT diversified in other academic disciplines. It is a matter of great pride that the MIT group is rapidly growing into a universities and 72 institutes with more than 82000 teaching and non-teaching personnel catering to the educational needs of more than 60000 students in universities across Maharashtra, with new universities at Ujjain in Madhya Pradesh, Shillong in Meghalaya and one coming up at Visakhapatnam in Andhra Pradesh.

“ It gives me immense pleasure to learn that MIT World Peace University, Pune is hosting the 15th edition of the National Level Inter-Engineering Sports Meet - ‘Summit 21’ from 18th to 22nd December 2021. Alongside its physical benefits, sports instill a sense of tenacity, teamwork, and discipline in an individual. I like the visionary initiative of Prof. Dr. Vishwanath Karad and Shri. Ashutosh Karad, for taking the endeavors for the comprehensive advancement of the students. I would like to tell students that with persistence, confidence, and determination you can achieve all that you aim for. I believe Summit '21 will truly be one of its kind and will demonstrate as an incredible learning platform for the students. I would like to pass on all the best to every one of the students taking an interest in this occasion. I compliment the coordinators and wish them the best of luck for the achievement of success at Summit '21.”

The Organising Team

Journey So Far

Reading books might help you gain knowledge and succeed in life, but sports make us understand the importance of energy to be focused in the sports that we are going to have and always, but we need to keep running full through them. In 2006, Maharashtra Institute of Technology, Pune organized an annual sports meet SUMMIT for all Engineering colleges across Pune. The event received a great response with a turnout of over 7500 students competing in a total of more than 500 events. Summit has been progressing and thriving and has become one of the biggest National-Level Engineering Sports meet.

Our Commitment

MIT-WPU is always keen to follow the steps of the great noble son of India, Sri Swami Vivekananda
 “Our country needs a few strong men, with muscles of iron and nerves of steel”
 “It is better to run after a football than to read the Gita”
 These words are a great source of inspiration to the management, faculty and students of MIT-WPU institutions.

- In 2007, MIT Summit was declared as a state level Sports Meet on the occasion of MIT's Silver Jubilee.
- In 2009, MIT Summit moved on to become a National-Level Sports Meet. Over 3000 students from 60 colleges took part in the event. The co-ordination was done by Shri. Mr. Rajan Negi, former Indian Hockey Player and Mr. Mary Kom, Indian Olympic boxer and Padma Vibhushan Awardee.
- In 2010, MIT Summit was held for the 7th consecutive time, attracting over 3800 participants from major cities like Mumbai, Chennai, Nashik, etc. The main highlight of the event was the presence of V.V.S. Laxman inaugurated the ceremony and enlightened everyone with his motivating words.
- In 2012, 4500 players took part in Summit from over 125 colleges. The inauguration ceremony was graced by Shri. Shital Mahajan, Indian Olympian and holder of 6 world records along with Rutuja Bhosale, Indian Tennis Player.
