ABOUT AISSMS

The All India Shri Shivaji Memorial Society is a world-class educational society established in 1917 by Rajarshi Chhatrapati Shahu Maharaj of Kolhapur to provide educational opportunities to all strata of society. The Society started AISSMS military school in 1932 followed by day school and Jr. College in 1972. In 1992, AISSMS made a foray into higher and technical education. Today the AISSMS community spans all across the nation and even overseas!

After more than 100 years since its establishment today, with a 1200+ teaching staff and 14,000+ student community, the AISSMS Society has continued to raise generations of students who have pioneered in countless industries and sectors. Today, besides running residential and day school and Junior Colleges, AISSMS runs the world-class College of Engineering, Institute of Information and Technology, Hotel Management, Institute of Management, College of Pharmacy, Polytechnic, and ITI, with a wide spectrum of disciplines. As an educational institute, we offer top-of-the-line education from KG to PG with state-of-the-art learning techniques as well as facilities for co-curricular and extracurricular activities.

AISSM Society always hosts extracurricular inter-collegiate competitions to give students and faculties a platform to showcase their talent. We believe that maintaining a high level of interest in academics as well as co-curricular activities is vital for the all-around development of our students. While doing so we make sure our talented faculties also remain involved either as participants or evangelists.
